**B1. Review of performance**

The Group reported a profit before tax of RM6.19 million on the revenue of RM392.17 million for the current quarter compared to a profit before tax of RM4.05 million on the revenue of RM351.96 million for the previous year corresponding quarter. The increase in revenue in the current quarter is mainly attributed to higher sales volume. The Company recorded a higher profit mainly due to higher sales volume and higher margin in the current quarter.

For the year under review, the Company's revenue increased by 5.8% to RM1.45 billion as compared to RM1.37 billion for the previous financial year. This is mainly due to higher sales volume recorded. The profit for the year decreased from RM28.9 million in the previous year to RM28.1 million mainly due to the unrealised foreign exchange loss of RM7.5 million during the year.

**B2. Comparisons with immediate preceding quarter's results**

The Group's revenue for the current quarter recorded an increase of RM30.07 million to RM392.17 million mainly due to higher sales volume. The Group recorded an increase in profit before tax of RM6.19 million as compared to RM3.47 million achieved in the immediate preceding quarter mainly due to higher margin in the current quarter.

**B3. Prospects**

The Company is expected to increase its bar sales volume by 10% for the first half of the year and upon the commissioning of its new rolling mill during the second quarter, for the second half the year, it is anticipated to sell an additional 100,000 mt of high tensile steel bars.

The margin is expected to improve due to the following factors:

- 1) the continued decline in scrap prices.
- 2) the reduction in electricity tariff of 5.8% from March till June 2015.
- 3) higher levels of economies of scale due to higher volume of production .
- 4) the suspension of natural gas price revision by the Government.
- 5) due to the stabilizing international iron ore prices, the prices of Chinese steel imports are expected to bottom out.

The Company is expected to perform well in the following quarters based on prevailing business conditions.

The impending impositions of goods services tax (GST) on the Company's products are not expected to have any material impact on the sales volume of the Company.

**B4. Profit forecast**
