Profit/(Loss) before tax			2,518	(1,891)				

The revenue from the marketing and trading segment decreased from RM16.6 million to RM15.9 million, a decrease of 4% as compared to the previous corresponding quarter. This was mainly attributable to the lower revenue generated by the multi-level marketing. However, the results had improved due to lower operating expenses.

Revenue contribution from the manufacturing segment increased from RM6.4 million to RM16.1 million, an increase of 153% as compared to the previous corresponding quarter. The increase in the revenue and results was mainly contributed by the increase of external export sales to China market.

The others segment representing investment holding, retail of food and beverage businesses. The revenue remains at RM0.7 million. Results for the current quarter improved compared to the corresponding quarter mainly due to lower operating expenses.
