- (d) The application will not be successfully completed and cannot be recorded as a completed application unless the applicant has completed all relevant application steps and procedures for the Internet Share Application which would result in the Internet financial services website displaying the Confirmation Screen.

For the purposes of this Prospectus, "Confirmation Screen" shall mean the screen which appears or is displayed on the Internet financial services website, which confirms that the Internet Share Application has been completed and states the details of the applicant's Internet Share Application, including the number of Public Issue Shares applied for which can be printed out by the applicant for his records.

Upon the display of the Confirmation Screen, the applicant shall be deemed to have confirmed the truth of the statements set out in Section 17.6(ii)(c) herein.

- (e) The applicant must have sufficient funds in the applicant's account with the Internet Participating Financial Institution or the Authorised Financial Institution at the time of making the Internet Share Application, to cover and pay for the Public Issue Shares and the related processing fees, charges and expenses, if any, to be incurred, failing which the Internet Share Application will not be deemed complete, notwithstanding the display of the Confirmation Screen. Any Internet Share Application which does not conform strictly to the instructions set out in this Prospectus or any instructions displayed on the screens of the Internet financial services website through which the Internet Share Application is made shall be rejected.
- (f) The applicant irrevocably agrees and undertakes to subscribe for and to accept the number of Public Issue Shares applied for as stated on the Confirmation Screen or any lesser number of Public Issue Shares that may be allotted to the applicant in respect of the Internet Share Application. In the event that the Company decides to allot any lesser number of such Public Issue Shares or not to allot any Public Issue Shares to the applicant, the applicant agrees to accept any such decision of the Company as final.

17. PROCEDURE FOR APPLICATION AND ACCEPTANCE

In the course of completing the Internet Share Application on the website of the Internet Participating Financial Institution, the confirmation by the applicant of the number of Public Issue Shares applied for (by way of the applicant's action of clicking the designated hyperlink on the relevant screen of the website) shall be deemed to signify and shall be treated as:

- (i) acceptance by the applicant of the number of Public Issue Shares that may be allotted or allocated to the applicant in the event that the applicant's Internet Share Application is successful or successful in part, as the case may be; and
 - (ii) The applicant's agreement to be bound by the Memorandum and Articles of the Company.
- (g) The applicant is fully aware that multiple or suspected multiple Internet Share Applications for the Public Issue Shares of the Company will be rejected. The Company reserves the right to reject any Internet Share Application or accept any Internet Share Application in part only without assigning any reason therefor. Due consideration will be given to the desirability of allotting or allocating the Public Issue Shares to a reasonable number of applicants with a view to establishing an adequate market for the shares.
- (h) Where an Internet Share Application is unsuccessful or successful in part only, the Internet Participating Financial Institution will be informed of the unsuccessful or partially successful Internet Share Application. Where an Internet Share Application is unsuccessful the Internet Participating Financial Institution will credit or arrange with the Authorised Financial Institution to credit the full amount of the application monies in Ringgit Malaysia (without interest or any share of revenue or other benefit arising therefrom) into the applicant's account with the Internet Participating Financial Institution or the Authorised Financial Institution within two (2) Market Days after receipt of written confirmation from the Issuing House.

The Issuing House shall inform the Internet Participating Financial Institution of unsuccessful or partially successful applications within two (2) Market Days from the balloting date.

Where the Internet Share Application is accepted in part only, the relevant Internet Participating Financial Institution will credit the balance of the application monies in Ringgit Malaysia (without interest or any share of revenue or other benefit arising therefrom) into the applicant's account with the Internet Participating Financial Institution within two (2) Market Days after receipt of written confirmation from the Issuing House. A number of applications will however be held in reserve to replace any successfully balloted applications that are subsequently rejected. In respect of such applications that are subsequently rejected, the application monies (without interest or any share of revenue or other benefit arising therefrom) will be refunded to applicants by the Issuing House by way of cheques issued by the Issuing House. The cheques will be issued to the applicants within ten (10) Market Days from the day of the final ballot of the Applications list.

For applications that are held in reserve and are subsequently unsuccessful (or only partly successful), the Internet Participating Financial Institution will arrange for a refund of the application money (or any part thereof but without interest or any share of revenue or other benefit arising therefrom within ten (10) Market Days from the day of the final ballot of the Applications list).

17. PROCEDURE FOR APPLICATION AND ACCEPTANCE

Except where the Issuing House is required to refund application monies, it is the sole responsibility of the Internet Participating Financial Institution to ensure the timely refund of application monies from unsuccessful or partially successful Internet Share Applications. Therefore, applicants are strongly advised to consult the Internet Participating Financial Institution through which the application was made in respect of the mode or procedure of enquiring on the status of an applicant's Internet Share Application in order to determine the status or exact number of Public Issue Shares allotted, if any, before trading the Public Issue Shares on Bursa Securities.

- (j) The applicant irrevocable agrees and acknowledges that the Internet Share Application is subject to risk of electrical, electronic, technical and computer-related faults and breakdowns, faults with computer software, problems occurring during data transmission, computer security threats such as viruses, hackers and crackers, fires, acts of God and other events beyond the control of the Internet Participating Financial Institution, the Authorised Financial Institution and the Company. If, in any such event, the Company, the Issuing House and/or the Internet Participating Financial Institution do not receive the applicant's Internet Share Application and/or the payment therefor, or in the event that any data relating to the Internet Share Application or the tape or any other devices containing such data is lost, corrupted, destroyed or otherwise not accessible, whether wholly or partially and for any reason whatsoever, the applicant shall be deemed not to have made an Internet Share Application and the applicant shall have no claim whatsoever against the Company, the Issuing House or the Internet Participating Financial Institution and the Authorised Financial Institution in relation to the Public Issue Shares applied for or for any compensation, loss or damage whatsoever, as a consequence thereof or arising therefrom.
- (k) All particulars of the applicant in the records of the relevant Internet Participating Financial Institution at the time of the Internet Share Application shall be deemed to be true and correct, and the Company, the Internet Participating Financial Institutions, the Issuing House and all other persons who, are entitled or allowed under the law to such information or where the applicant expressly consent to the provision of such information shall be entitled to rely on the accuracy thereof.

The applicant shall ensure that the personal particular of the applicant as recorded by both Bursa Depository and the Internet Participating Financial Institution are correct and identical, otherwise the applicant's Internet Share Application is liable to be rejected. The notification letter on successful allotment will be sent to the applicant's address last registered with Bursa Depository. It is the responsibility of the applicant to notify the Internet Participating Financial Institution and Bursa Depository of any changes in the applicant's personal particulars that may occur from time to time.

- (l) By making and completing an Internet Share Application, the applicant is deemed to have agreed that:
 - (i) in consideration of the Company making available the Internet Share Application facility to the applicant, through the Internet Participating Financial Institution acting as agents of the Company, the Internet Share Application is irrevocable;

17. PROCEDURE FOR APPLICATION AND ACCEPTANCE

- (ii) the applicant has irrevocably requested and authorised the Company to register the Public Issue Shares allotted to the applicant for deposit into the applicant's CDS Account;

 - (iv) the applicant shall hold the Internet Participating Financial Institution harmless from any damages, claims or losses whatsoever, as a consequence of or arising from any rejection of the applicant's Internet Share Application by the Issuing House, the Company and/or the Internet Participating Financial Institution for reasons of multiple application, suspected multiple application, inaccurate and/or incomplete details provided by the applicant, or any other cause beyond the control of the Internet Participating Financial Institution;
 - (v) The acceptance of the offer made by the applicant to subscribe for the Public Issue Shares for which the applicant's Internet Share Application has been successfully completed shall be constituted by written notification in the form of the issue of a notice of allotment by or on behalf of the Company and not otherwise, notwithstanding the receipt of any payment by or behalf of the Company;
 - (vi) The applicant is not entitled to exercise any remedy of rescission for misrepresentation at any time after acceptance of the applicant's Internet Share Application by the Company;
 - (vii) In making the Internet Share Application, the applicant has relied solely on the information contained in this Prospectus. The Company, the Adviser and any other advisers involved in the IPO shall not be liable for any information not contained in this Prospectus which may have been relied on by the applicant in making the Internet Share Application;
