Quarterly Unaudited Financial Results for the 1st Quarter ended 31 March 2006

### NOTES TO THE QUARTERLY REPORT

#### **A DISCLOSURE REQUIREMENTS AS PER FINANCIAL REPORTING STANDARDS (“FRS”) 134 (FORMERLY KNOWN AS MALAYSIAN ACCOUNTING STANDARDS BOARD (“MASB”) 26)**

##### **A1. BASIS OF PREPARATION**

The quarterly financial report is unaudited and has been prepared in accordance with FRS 134: Interim Financial Reporting and Chapter 9 Part K of the Listing Requirements of Bursa Malaysia Securities Berhad.

The accounting policies and methods of computation used in the preparation of the quarterly financial report are consistent with those adopted in the preparation of the audited financial statements of Axis-REIT for period ended 31 December 2005 except for the accounting policy changes that are expected to be reflected in the financial statements for the year ending 31 December 2006. Details of these changes in accounting policies are set out in Note A2.

##### **A2. CHANGES IN ACCOUNTING POLICIES**

The MASB has issued a number of new and revised Financial Reporting Standards (FRSs, which term collectively includes the MASB’s Issues Committee’s Interpretations) that are effective for accounting periods beginning on or after 1 January 2006.

In 2006, the MASB issued another two revised FRSs (i.e. FRS 117, *Leases* and FRS 124, *Related Party Disclosures*). These two FRSs are effective for annual periods beginning on or after 1 October 2006.

The FRSs that will be effective in the annual financial statements for the year ending 31 December 2006 may be affected by the issue of additional interpretation(s) or other changes announced by the MASB subsequent to the date of issuance of this quarterly report. Therefore the policies that will be applied in the Axis-REIT’s financial statements for the period cannot be determined with certainty at the date of issuance of this quarterly financial report.

The following sets out further information on the changes in accounting policies for the annual accounting period beginning on 1 January 2006 which have been reflected in this quarterly financial report.

A2. CHANGES IN ACCOUNTING POLICIES (CONTINUED)

*Investment properties (FRS 140, Investment Properties)*

In prior year, investment properties are stated at cost and no depreciation is provided on investment properties. It is Axis-REIT's practice to appraise the investment properties at least once every year, by independent professional valuers based on open market value, and to maintain these properties in such condition that the residual value is high so that any depreciation, if applicable, would be insignificant. Any surplus arising there from will be incorporated in the financial statements.

With effect from 1 January 2006, in accordance with FRS 140, investment properties are stated at fair value. Gain or loss arising from a change in the fair values of investment properties is recognised in income statement for the period in which it arises.

In accordance with the transitional provisions under FRS 140, an adjustment to the opening balance of retained profit for fair values of investment properties is made.

Effect on opening balances of net asset value at 1 January 2006:
