For the quarter ended 31 March 2014, Hektar REIT generated total revenue of RM30,251,210 including interest and other income.

The revenue for the current quarter is basically similar to the preceding quarter's corresponding period. The ongoing Asset Enhancement Initiative in Central Square, Sg. Petani has resulted in temporary rental vacancies. Revenue is expected to improve once the Asset Enhancement Initiative is completed by the latter part of 2014.

However, property operating expenses increased by 7% to RM12,574,100, mainly due to rising operating costs like the electricity tariff hike and the implementation of the minimum wage Act.
