The Group recorded a revenue of RM304.60 million for the current quarter under review, compared to RM294.79 million for the corresponding quarter in the preceding year, which represents an increase of 3.33%. The revenue increase is mainly due to the increase in selling price in the current quarter under review.

The Group recorded a higher profit before tax for the current quarter of RM26.52 million, representing an increase of 144.65% compared to the profit before tax for the corresponding quarter in the preceding year of RM10.84 million. The increase is mainly due to margin expansion as well as a reduction in finance costs.

The Group recorded a slightly lower revenue of RM1.053 billion for the financial year to date under review, compared to RM1.057 billion for the corresponding period in the preceding year, which represents a marginal decrease of 0.38%. The decrease is due to dampened demand regionally in the current financial year.

The Group recorded a higher profit before tax for the financial year to date of RM60.14 million, representing an increase of RM24.02 million compared to the profit before tax of RM36.12 million in the preceding corresponding period. This is mainly due to the higher gross profit margin and lower finance costs in the current financial year to date.

B3. Prospects for the forthcoming financial year

Market conditions are expected to be volatile in the forthcoming year due to concerns over uncertainties in global economic recovery from the impact of Covid-19 pandemic. Our performance is driven by the demand and supply balance of chemicals in our product portfolio, regional consumption and GDP growth and can be affected by exchange rate fluctuations, Covid-19 pandemic challenges, competition and disruptions to demand and supply. The management will continue to focus on operational efficiencies and expansion of new products and service offerings to improve the Group's performance.

B4. Variance between actual profit and forecast profit

The Group did not issue any profit forecast in a public document during the current financial period.
