## A: SELECTED EXPLANATORY NOTES TO THE UNAUDITED INTERIM FINANCIAL REPORT FOR THE FINANCIAL QUARTER ENDED 30 JUNE 2016

#### 1. Basis of accounting and changes in accounting estimates

	١
_ <b>a</b>	1
u	1

b)

Basis of accounting

The interim financial reports are unaudited and have been prepared in accordance with the requirements of International Accounting Standard ("IAS") 34 : Interim Financial Reporting and paragraph 9.22 of the Bursa Malaysia Securities Berhad ("Bursa Securities") Listing Requirements, and should be read in conjunction with the Group's audited financial statements for the financial year ended 31 December 2015, and the accompanying explanatory notes attached to this interim financial report.

#### Changes in accounting policies

The Group adopted the new or revised Financial Reporting Standard ("IFRS") and interpretations that are mandatory for application on that date. Changes to the Group's accounting policies have been made as required, in accordance with the transitional provisions in the respective IFRS.

(i) IFRS and IFRIC Interpretations that are issued, not yet effective and have not been adopted early

The Group has not adopted the following revised IFRS, amendments to IFRS, new IFRS and IFRIC Interpretations that have been issued as at the date of authorisation of these financial statements but are not yet effective for the Group:-

Effective for the Company's and the Group's annual accounting period beginning on 1 January 2016.

- Amendments to IAS1: Disclosure Initiative
- Amendments to IAS 27: Equity Method in Separate Financial Statement
- Various improvements to IFRSs (Annual Improvements 2012-2014)
- Amendments to IAS 16 and IAS 38: Clarification of Acceptable Method of Depreciation and Amortisation

Effective for the Company's and the Group's annual accounting period beginning on 1 January 2017.

- IFRS 15 Revenue from Contract with Customers

#### Effective for the Company's and the Group's annual accounting period beginning on 1 January 2018.

- IFRS 9 Financial Instruments

The management does not anticipate that the adoption of the above those IFRSs that have been issued but not yet effective (including consequential amendments) and interpretations will result in any material impact to the financial statements in the period of initial application.

## 2. Seasonality or cyclicality of operation

The business of the Group was not affected by any significant seasonal and cyclical factors except for lower level of production activities due to fewer working days as a result of Lunar New Year holidays in the first quarter each year.

#### 3. Unusual items

Besides the exercise of Employees' Share Option Scheme by the employees which increased the equity of the company, kindly refer to Note.8 on Subsequent events for unusual items affecting the assets, liabilities, equity, net income or cash flows of the Group for the current quarter and financial year-to-date.

## 8. Subsequent events

Note: This chronology of events provides background information pre-dating the reporting period, which the directors have collated and reconstructed from available sources. This extended chronology of events is provided because the New Board of Directors believe that the information is material and relevant to understanding the Company's current inability to gain access to books and information from the PRC subsidiaries or to rely without qualification / disclaimer on earlier financial reports and information prepared under the previous board / management in PRC.

Date	Events
03/02/2016	The Company's auditors made enquires with the PRC management regarding advertising expenditure (relating to Evidoma) of RMB35million incurred mid-year 2015, when the Company had decided to cease the business of Evidoma at the end of the year. Bursa Malaysia's Corporate Surveillance Department had also made enquiries with the Company on the substantial increase / amount of administrative expenses incurred in or around the same period.
29/02/2016	PRC management's response to the auditors' enquiry on why there was significant advertising expenditure for Evidoma when the business was expected to cease in 2016 and for specific details of the location and content of the billboard advertising was that "The location of the billboard is at the six selling point. The cessation of business was decided when there was no effect after the advertisement".
19/04/2016	Lin Liying informed the board of the Company that the Company may not be able to release its AR2015 by the deadline of 29.04.2016
20/04/2016	The Company announced the resignation of Ang Wei Chuan and Bernard Tan Chin Teik

## 8. Subsequent events (Continued)

The Company has sought the assistance of lawyers in China to identify and confirm the existence of litigation involving the subsidiaries and primarily, Jinjiang Baixing with a view to providing us with the official cause papers, peadings and evidence filed in the suits. Due to difficulties in accessing information, the lawyers have only been able to access publicly available information. In April, 2018, we received a report on the status of the various cases affecting the subsidiaries based on which an announcement was made via Bursa on 24 April 2018, the relevant portions of which are as follows:

1. Due to restrictions by the Chinese courts on the disclosure of and the means of gathering litigation information, and legal and bureaucratic barriers to the access of private information and company documents in China involving the PRC subsidiaries, the board in Malaysia has been forced to rely on available public information and whatever court information is available to non-parties to the litigation, which is by nature incomplete.

2. The following information is based on the best available information from searches carried out by lawyers in China that we have currently however it is presented with the caveat that we have been unable to access the actual pleadings and court documents to verify the secondary sources and there may be factual inaccuracies; further litigation; or subsequent developments in the litigation discussed below that we have yet to discover.

3. We refer to the table below setting out the key details of the litigation identified.
