12. Related Party Transactions

Related parties are those defined under MFRS 124: Related Party Disclosures. The Directors are of the opinion that there were no new significant related party transactions and balances as of the reporting date.

13. Review of Performance

The Group recorded revenues of RM4.2 million and a loss before taxation of RM8.1 million, a decrease of 16% and increase of 45% respectively, as compared to the corresponding period in 2016 ("previous corresponding period"). The Group incurred a negative earnings before interest, tax, depreciation and amortisation ("EBITDA") of RM6.2 million compared to RM4.5 million in the previous corresponding period.

The revenue decline compared to the third quarter ended 30 September 2016 was a result of several factors including:

- Lower student enrolment mainly due to changes in entry requirements for certain Health Sciences programs (moving higher from 3 SPM credits to 5 SPM Credits).
- Non-aggressive student recruitment activities in certain programmes as part of the Group's programme rationalisation strategy which involves a tactical focus on more viable programmes.
- Delay in receiving the KDN licence which delayed sales and marketing efforts in securing international student. The license was obtained in September 2017.
- Delays in obtaining the Accreditation Certificate for Bachelors of Pharmacy and Bachelors of Medicine and Surgery ("MBBS") programmes.

Direct costs increased by RM0.9 million mainly due to accreditation related expenses for Pharmacy and MBBS programs.

Prudent cost management brought down operating costs, (excluding depreciation), by RM0.5 million. However, these were offset by increased depreciation charges of RM0.8 million from the reclassification of properties categorised from Available-for-Sale Land and Building to Property, Plant and Equipment.

The decrease in gross profit was mainly due to the decline in other income and revenues from lower student enrollment and an increase in direct cost by 0.9 million which increased losses from RM5.6 million in the third quarter ended 30 September 2016 compared to RM8.1 million in the third quarter ended 30 September 2017.

(Company No. 746920-M) (Incorporated in Malaysia)

NOTES TO THE CONDENSED CONSOLIDATED INTERIM FINANCIAL STATEMENTS

14. Comparison with Preceding Quarter's Results

The Group registered a revenue of RM4.2 million and a loss before taxation of RM8.1 million in the current quarter, a decrease of 17% and increase of 52% respectively, as compared to the previous quarter. This is largely attributed to the decline in revenue and other operating income from the expiry of the lease of lpoh property and an increase in accreditation related expenses.

15. Commentary on Prospects

The turnaround of AEGB is taking longer than previously envisaged. As part of the turnaround, several intiatives have been undertaken or are in the process of being implemented, some of which necessitated higher investments. Such activities are expected to drive future student recruitment activities, which results may not be fully seen in the near term.

The key strategic initiatives which have been implemented include the following:

- Changes in leadership which include the appointments of a new Vice Chancellor, Deputy Vice Chancellor-Academics, Deputy Vice Chancellor -International; Deputy Vice Chancellor-Student Affairs, Bursar and Head of Marketing and Enrolment.
- Investments to secure the accreditation of the MBBS and Pharmacy programmes in October 2017. The Group overcame a legacy issue (non accreditation of these programmes)that resulted in the Group being unable to take in students for the MBBS programme, which adversely affected the financial results in 2016 and 2017.
- Secured a 3-year lease in a new campus in Cyberjaya, with better access and facilities. All works have been completed and a full move is pending regulatory approval.
- · Obtained the KDN licence which enables recruitment of international students.

The management's focus remains on growth, both organically and via acquisition. The key strategic initiatives which are in the process of being implemented are as follows:

- Apart from the recently added focus on international student recruitment activities, efforts are being undertaken to widen programme offerings in Business and Information Technology verticals, which are expected to be launched in second quarter of 2018, subject to receipt of relevant approvals.
- The corporate exercise involving, inter-alia, the acquisition of 100% of Cyberjaya University of College Medical Sciences ("CUCMS") is pending completion. Please refer to Note 18 of this Report for further information.

The benefits from the said acquisition include the following:

- Acquisition of a profitable complementary education business.
- Leverages on CUCMS' brand name and experience, which has a Tier-5 (Excellent) SETARA Rating and is one of the international medical schools listed in the World Directory of Medical Schools.
- Extends AEGB's reach as CUCMS focuses on 3 major regions namely ASEAN, Middle-East and the Indian sub-continent.
- Leverages on a wider strategic alliance with other educational bodies and marketing resources, both nationally and internationally.

20. Material Litigation

As of the date of this announcement, developments to the material litigations against the Group or taken by the Group include:

- A. Kuala Lumpur the Court of Appeal No. W-02-1683-10/2015 and No. W-02-1946-11/2015
 - K. Pasupathy (Second Defendant -v- Asiamet (M) Sdn. Bhd.
 - In October 2006, AMSB entered into a sale and purchase agreement ("SPA") with Kemacahaya Development Sdn Bhd ("KDSB") and Syarikat Kemacahaya Sdn Bhd ("SKSB") pursuant to which SKSB and KDSB agreed to sell six property units at Jalan Kemacahaya 11, Taman Kemacahaya, Batu 9, 43200 Cheras, Selangor ("Six Properties") to Asiamet (M) Sdn Bhd ("AMSB") for RM2,000,000.00. The Six Properties are part of AMSB's current Cheras university campus and KDSB and SKSB were the original developer and proprietor of the Six Properties.
 - Upon the advice of their lawyer, AMSB withheld payment of the balance purchase price for the Six Properties under the SPA due to a dispute with KDSB and SKSB. In November 2006, after AMSB had lodged a caveat over the Six Properties, KDSB sought to terminate the SPA and repossess the Six Properties to Pasupathy A/L Kanagasaby ("K. Pasupathy"), who then sought possession of the Six Properties.
 - At the same time, two individuals, Chin Yam Meng ("CYM") and Leng Kok Onn ("LKO") entered the premises of AMSB's Cheras university campus, claiming to be the lawful owners of the Six Properties due to arrangements that they had made with Megatalent Sdn Bhd ("Megatalent") in 2004, pursuant to which Megatalent had purportedly assigned its rights to the Six Properties to CYM and LKO. By way of background, prior to the execution of the SPA, Megatalent had been KDSB and SKSB's marketing agent for a number of properties, including the Six Properties to Megatalent. However, the agreements pursuant to which these properties were assigned or sold to Megatalent were subsequently rescinded and the caveats which CYM and LKO had lodged over the Six Properties were removed in July 2006 prior to AMSB entering the SPA.
 - In January 2007, AMSB filed an application to the Kuala Lumpur High Court against KDSB, SKSB, K. Pasupathy, CYM and LKO seeking, among others, a declaration that the SPA is still valid and subsisting, an interlocutory injunction to restrain KDSB and SKSB from terminating the SPA, and an injunction against CYM and LKO from entering premises of Cheras university campus.
 - After the commencement of proceedings, AMSB engaged in out of court discussions with KDSB and SKSB and in May 2007, KDSB, SKSB and AMSB agreed to settle the claims. Pursuant to the settlement agreement, AMSB entered into a new sale and purchase agreement with KDSB and SKSB to purchase the Six Properties for RM2,800,000. With respect to AMSB's proceedings against KDSB and SKSB, consent judgment was recorded on 14 July 2009 wherein KDSB and SKSB confirmed that AMSB is the beneficial and legal owner of the Six Properties.

20. Material Litigation (Cont'd)

- A. Kuala Lumpur the Court of Appeal No. W-02-1683-10/2015 and No. W-02-1946-11/2015
 - K. Pasupathy (Second Defendant -v- Asiamet (M) Sdn. Bhd. (cont'd)
 - The trial of the consolidated suits was part heard on 17 February 2015 and adjourned by the High Court for continued trial on 6 and 7 April 2015 and 6 7 May 2015. The High Court has fixed 5 August 2015 for clarification/decision. On 4 September 2015 the High Court granted inter alia the declaration that AMSB was the legal and beneficial owner of the Six Properties, and on 16 October 2015 heard submissions on costs and granted RM200,000.00 in costs to AMSB. K. Pasupathy filed appeals against the decisions on 4 September 2015 (of which the Court had, on an application by K. Pasupathy, allowed a limited stay of the decision pending appeal) and 16 October 2015, which were heard on 25 October 2016 and are now pending decision. The matters came up for decision on 2 February 2017 at the Court of Appeal, whereby, based on the verbal pronouncement of the Court of Appeal, it was found that: (1) K. Pasupathy does not have a valid claim for ownership of the subject properties; (2) in respect of AMSB's claim for ownership of the subject properties, the Court of Appeal did not make a finding on the merits either way; (3) the issue of AMSB's claim for ownership of the subject properties is a live issue between AMSB on the one part, and SKSB on the other part; and (4) AMSB may demand that SKSB transfer the ownership of the subject properties to AMSB, failing which AMSB may file a fresh claim against SKSB and KDSB and/ or apply for leave to appeal to the Federal Court. Following that, both K. Pasupathy and AMSB made an application for leave to appeal against the decision of the Court of Appeal to the Federal Court. The Federal Court however dismissed both parties' respective leave applications on the ground that the case was decided on its particular facts. The Federal Court further made no order as to costs and ordered that the deposits in each application be refunded to the respective applicants.
 - AMSB's solicitor has since issued a Notice of Demand to K. Pasupathy's solicitor for the removal of the private caveat lodged by K. Pasupathy.
 - AMSB's solicitor has also issued a Notice of Demand to K.Pasupathy's solicitor for costs arising from the consolidated suits, pursuant to the respective High Court and Court of Appeal orders. K. Pasupathy's solicitor has yet to revert with any response to these demands which were made.

 - The directors of Asiamet Malaysia have been advised by their solicitors to either maintain the action for the difference for the sum claimed or to withdraw the suit. This amount is derived as follows:
 - i) Amount paid to the client on 31 March 2010 is RM800,000.00.
