## 2. Accounting Policies (Continued)

## (iii) MFRS Framework

The Group will also adopt MFRS 15 Revenue from Contracts with Customers which is effective on 1 January 2018. MFRS 15 establishes a five-step model to account for revenue arising from contracts with customers. Under MFRS 15, revenue is recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

The core principle of MFRS 15 is that an entity should recognise revenue which depicts the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The new revenue standard will supersede all current revenue recognition requirements under the MFRS Framework. Either a full retrospective application or a modified retrospective application is required for annual periods beginning on or after 1 January 2018, with early adoption permitted. At the date of these financial statements, the Group has not completed its quantification of the financial effects on the financial statements of the differences arising from the adoption as disclosed in these financial statements for the financial years ended 31 December 2016 and 31 December 2017 could be different if prepared under the MFRS Framework.

The Group is in the process of assessing the impact of the new pronouncements that are yet to be adopted, including MFRS 9, MFRS 15 and MFRS 16. MFRS 16 Leases was issued by MASB on 15 April 2016 and is applicable to annual periods beginning on or after 1 January 2019.

#### 13. Review of Performance

For the 4th quarter of year 2017, the Group recorded revenue of RM5.7 million and loss before taxation of RM9.3 million, an improvement of 13% and 38% respectively, as compared to the corresponding period in 2016 ("previous corresponding period"). The Group incurred a negative earnings before interest, tax, depreciation and amortisation ("EBITDA") of RM7.8 million compared to RM4.1 million in the previous corresponding period.

The increase in revenue during the 4<sup>th</sup> quarter as compared to the previous corresponding period mainly due to increase in MBBS revenues in line with increase in active MBBS students.

The reduction of losses for the 4<sup>th</sup> quarter as compared to the previous corresponding period was mainly due to lower depreciation in the 4<sup>th</sup> quarter as a result of the accelerated depreciation charged in the previous corresponding period.

The Group's year to date 2017 revenue is RM19.7 million and loss before taxation of is RM28.9 million, decrease of 16% and increase of 1% respectively, as compared to the year to date 2016.

The decrease in revenue as compared to the year ended 31 December 2016 was mainly as a result of several factors including:

- Lower student enrolment mainly due to more stringent entry requirements imposed for certain Health Sciences programmes.
- Delay in receiving the KDN licence which delayed sales and marketing efforts in securing international students. The license was only obtained in September 2017.
- Delays in obtaining the Accreditation Certificate for Bachelors of Pharmacy and Bachelors of Medicine and Surgery ("MBBS") programmes.

The slight increase of loss before taxation compared to the year ended 31 December 2016 was mainly due to the increase of the operating costs such as accreditations and corporate exercises related expenses. The effects were however reduced by decrease in depreciation charges in 2017. In 2016, accelerated depreciation charged due to reclassification of properties from Available-for-Sale Land and Building to Property, Plant and Equipment.

## 14. Comparison with Preceding Quarter's Results

The Group registered a revenue of RM5.7 million and a loss before taxation of RM9.6 million in the current quarter, increase of 44% and 14% respectively, as compared to the previous quarter. This is largely attributable to the higher revenue during last quarter of the year and an increase in advertising and marketing related expenses.

## 15. Commentary on Prospects

The turnaround of AEGB is taking longer than previously envisaged. As part of the turnaround, several intiatives have been undertaken or are in the process of being implemented, some of which necessitated higher investments. Such activities are expected to drive future student recruitment activities, which results may not be fully seen in the near term.

The key strategic initiatives which have been implemented include the following:

- Changes in leadership which include the appointments of a new Vice Chancellor, Deputy Vice Chancellor-Academics, Deputy Vice Chancellor -International; Deputy Vice Chancellor-Student Affairs, Bursar and Head of Marketing and Enrolment.
- Investments to secure the accreditation of the MBBS and Pharmacy programmes in October 2017. The Group overcame a legacy issue (non accreditation of these programmes) that resulted in the Group being unable to take in students for the MBBS programme, which adversely affected the financial results in 2016 and 2017.
- Secured a 3-year lease in a new campus in Cyberjaya, with better access and facilities. All works have been completed and a full move is pending regulatory approval.
- Obtained the KDN licence which enables recruitment of international students.

The management's focus remains on growth, both organically and via acquisition. The key strategic initiatives which are in the process of being implemented are as follows:

- Apart from the recently added focus on international student recruitment activities, efforts are being undertaken to widen programme offerings in Business and Information Technology verticals, which are expected to be launched in second quarter of 2018, subject to receipt of relevant approvals.
- The corporate exercise involving, inter-alia, the acquisition of 100% of Cyberjaya University College of Medical Sciences ("CUCMS") which has been completed end of December 2017. Please refer to Note 18 of this Report for further information.

The benefits from the said acquisition include the following:

- Acquisition of a profitable complementary education business.
- Leverages on CUCMS' brand name and experience, which has a Tier-5 (Excellent) SETARA Rating and is one of the international medical schools listed in the World Directory of Medical Schools.
- Extends AEGB's geographical reach as CUCMS focuses on 3 major regions namely ASEAN, Middle-East and the Indian sub-continent.
- Leverages on a wider strategic alliance with other educational bodies and marketing resources, both domestically and internationally.

### 20. Material Litigations

As of the date of this announcement, developments to the material litigations against the Group or taken by the Group include:

# A. Kuala Lumpur the Court of Appeal No. W-02-1683-10/2015 and No. W-02-1946-11/2015

K. Pasupathy (Second Defendant) -V- Asiamet (M) Sdn. Bhd.

- In October 2006, AMSB entered into a sale and purchase agreement ("SPA") with Kemacahaya Development Sdn Bhd ("KDSB") and Syarikat Kemacahaya Sdn Bhd ("SKSB") pursuant to which SKSB and KDSB agreed to sell six property units at Jalan Kemacahaya 11, Taman Kemacahaya, Batu 9, 43200 Cheras, Selangor ("Six Properties") to Asiamet (M) Sdn Bhd ("AMSB") for RM2,000,000.00. The Six Properties are part of AMSB's current Cheras university campus and KDSB and SKSB were the original developer and proprietor of the Six Properties.
- Upon the advice of their lawyer, AMSB withheld payment of the balance purchase price for the Six Properties under the SPA due to a dispute with KDSB and SKSB. In November 2006, after AMSB had lodged a caveat over the Six Properties, KDSB sought to terminate the SPA and repossess the Six Properties to Pasupathy A/L Kanagasaby ("K. Pasupathy"), who then sought possession of the Six Properties.
- At the same time, two individuals, Chin Yam Meng ("CYM") and Leng Kok Onn ("LKO") entered the premises of AMSB's Cheras university campus, claiming to be the lawful owners of the Six Properties due to arrangements that they had made with Megatalent Sdn Bhd ("Megatalent") in 2004, pursuant to which Megatalent had purportedly assigned its rights to the Six Properties to CYM and LKO. By way of background, prior to the execution of the SPA, Megatalent had been KDSB and SKSB's marketing agent for a number of properties, including the Six Properties. However, the agreements pursuant to which these properties were assigned or sold to Megatalent were subsequently rescinded and the caveats which CYM and LKO had lodged over the Six Properties were removed in July 2006 prior to AMSB entering the SPA.
- In January 2007, AMSB filed an application to the Kuala Lumpur High Court against KDSB, SKSB, K. Pasupathy, CYM and LKO seeking, among others, a declaration that the SPA is still valid and subsisting, an interlocutory injunction to restrain KDSB and SKSB from terminating the SPA, and an injunction against CYM and LKO from entering premises of Cheras university campus.
- After the commencement of proceedings, AMSB engaged in out of court discussions with KDSB and SKSB and in May 2007, KDSB, SKSB and AMSB agreed to settle the claims. Pursuant to the settlement agreement, AMSB entered into a new sale and purchase agreement with KDSB and SKSB to purchase the Six Properties for RM2,800,000. With respect to AMSB's proceedings against KDSB and SKSB, consent judgment was recorded on 14 July 2009 wherein KDSB and SKSB confirmed that AMSB is the beneficial and legal owner of the Six Properties.

  - The trial of the consolidated suits was part heard on 17 February 2015 and adjourned by the High Court for continued trial on 6 and 7 April 2015 and 6 and 7 May 2015. The High Court has fixed 5 August 2015 for clarification/decision. On 4 September 2015 the High Court granted inter alia the declaration that AMSB was the legal and beneficial owner of the Six Properties, and on 16 October 2015 heard submissions on costs and granted RM200,000.00 in costs to AMSB. K. Pasupathy filed appeals against the decisions on 4 September 2015 (of which the Court had, on an application by K. The matters came up for decision on 2 February 2017 at the Court of Appeal, whereby, based on the verbal pronouncement of the Court of Appeal, it was found that: (1) K. Pasupathy does not have a valid claim for ownership of the subject properties; (2) in respect of AMSB's claim for ownership of the subject properties, the Court of Appeal did not make a finding on the merits either way; (3) the issue of AMSB's claim for ownership of the subject properties is a live issue between AMSB on the one part, and SKSB on the other part; and (4) AMSB may demand that SKSB transfer the ownership of the subject properties to AMSB, failing which AMSB may file a fresh claim against SKSB and KDSB and/ or apply for leave to appeal to the Federal Court. Following that, both K. Pasupathy and AMSB made an application for leave to appeal against the decision of the Court of Appeal to the Federal Court. The Federal Court however dismissed both parties' respective leave applications on the ground that the case was decided on its particular facts. The Federal Court further made no order as to costs and ordered that the deposits in each application be refunded to the respective applicants.
