A5. Segment information (contd.)

The Group is organised into business units based on their products and services, and has four operating segments as follows:

- (a) The sales of cable and wires segment supplies power and telecommunication cables and cable components to consumers.
- (b) The sales of galvanised products and steel structures segment supplies galvanised products and steel structures. It also offers galvanising services.
- (c) The transmission lines construction segment involves the supply, installation and commissioning of transmission line projects.
- (d) The helicopter services and corporate segment is involved in provision of helicopter services and Group-level corporate and management services.

Sales of cables and wires

The sales of cables and wires segment contributed 92.3% of the total revenue of the Group for the period ended 30 November 2022 and is the main contributor to the Group's operating profit during the year.

The segment recorded a revenue and loss before tax of RM300.2 million and RM7.6 million respectively for the period ended 30 November 2022.

Market demand for products under this segment has shown improvement in consideration that all economic sectors in Malaysia were reopened in January 2022.

The Group continues to explore opportunity to increase its markets share locally and overseas.

Sales of galvanised products and steel structures

The sales of galvanised products and steel structures segment contributed 2.7% of the total revenue of the Group for the period ended 30 November 2022.

The Group's subsidiary whose sales and services are in this segment, concentrates mainly in East Malaysia.

This segment recorded a loss before tax of RM1.8 million for period ended 30 November 2022. Market demand for products under this segment has started to pick up in consideration that all economic sectors in Malaysia were reopened in January 2022.

The Group continues to explore opportunities to supply and sell its products and services in Malaysia and especially in Borneo Island.

A5. Segment information (contd.)

Transmission lines construction

The transmission line construction segment contributed 4.8% of the total revenue of the Group for the period ended 30 November 2022.

The segment recorded a revenue and profit before tax of RM15.7 million and RM0.2 million respectively for the financial period ended 30 November 2022 and there were decrease in project profits due to the revised budgeted costs in Q2 2023.

The Group continuous plans for the power transmission industry, includes active participation in works as subcontractors and implement and strengthen our project management team to better manage the cost and completion timeline of ongoing projects.

Helicopter services and corporate

The helicopter services and corporate segment provides provision of helicopter services and Group-level corporate and management services. In the financial period ended 30 November 2022, helicopter services and corporate segment contributed RM3.5 million to the total revenue of the Group. The helicopter lease services were billed up to August 2022. The remaining helicopters that were leased will be disposed and this transaction is expected to be completed by first quarter of year 2023.

Consolidated loss before tax

The Group recorded a loss before tax of RM14.0 million for the three (3) months period ended 30 November 2022 is partly due to lower sales revenue with higher cost of goods sold of monthly fixed overhead and increase in material costs from cables and wires segment.

The other factors which had affected the current quarter's loss before tax are explained above.

A6. Seasonality of operations

The Group's operations were not significantly affected by seasonal or cyclical factors.

B3. Review of performance

Explanatory comments on the performance of each of the Group's business segments are provided in Note A5.

B4. Comment on material change in loss before taxation

During the current reporting quarter, the performance of the Group has deteriorated by the lower sales revenue with higher cost of goods sold of monthly fixed overhead and increase in material costs from cables and wires segment.

B5. Commentary on prospects

The Group is currently undertaking a Corporate Restructuring and Turnaround program ("the Program") and upon the completion of the Program we are confident that the Group will continue to be the leading Cables and Wires manufacturer.

The market demand for the Cables and Wires have increased post pandemic and we will be poised to supply to this higher demand after the Program.

B6. Profit forecast or profit guarantee

Not applicable as the Group did not publish any profit forecast or profit guarantee.

B7. Corporate proposals

Proposal for disposal of equity interest held in PT Inpola Mitra Elektrindo ("PT IME") to KAB Energy Holdings Sdn Bhd ("KEH"), a wholly owned subsidiary of Kejuruteraan Asastera Berhad

On 19 January 2022, the Company announced that it has entered into a term sheet with KEH for the proposed disposal of equity interest in PT IME to KEH ("Proposed Disposal") and that the Proposed Disposal is subject to a share sale and purchase agreement to be entered upon satisfactory completion of the due diligence exercise to be carried out by KEH on PT IME.

On 29 July 2022, the Company announced that it has entered into a Conditional Share Purchase Agreement ("SPA") for the Proposal Disposal with KEH for a total consideration of RM75,000,000.00.

On 30 November 2022, the Company announced that the Company and KEH had mutually agreed to extend the Conditional Period mentioned in the SPA for a period of three (3) months from 28 October 2022 until 28 January 2023 with an option to extend the Conditional Period for an additional three (3) months, if mutually agreed by both the Company and KEH.

On 13 December 2022, the Company announced that it had obtained approval from Bursa Securities for an extension up to 28 February 2023 to submit the draft circular on the Proposed Disposal.

Barring any unforeseen circumstances and subject to all relevant approvals being obtained, the Proposal Disposal is expected to be completed by first half of 2023.
