#### b) Fair Value Information

The carrying amount of cash and cash equivalents, short term receivables and payables and short-term borrowings reasonably approximate their fair values due to the relatively short term nature of these financial instruments.

#### A16. Fair Value Measurement

The financial assets maturing within the next 12 months reasonably approximate their fair values due to the relatively short-term maturity of the financial instruments.

#### Fair value hierarchy

The table below analyses financial instrument carried at fair value, by valuation method. The different levels have been defined as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for assets or liabilities, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

#### Fair value measurement of financial instruments

The carrying amounts of financial assets and liabilities with a maturity of less than one year (including trade and other receivables, cash and bank balances, trade and other payables and interest-bearing borrowings) or those which reprice regularly approximate their fair values because of the short period to maturity or repricing.

#### a) Quarter ended 31 March 2023 compared with quarter ended 31 March 2022

The Group registered revenue of RM16.45 million for the period ended 31 March 2023, was mainly generated from Fujian JinJiang Dixing Shoe Plastics Co., Ltd on design, manufacture and distribution of sports footwear, sports apparel and accessories amounted RM6.29 million (2022: RM10.18 million) and Sinaran Trilion Sdn. Bhd. on construction activities amounted RM10.15 million (2022: RM5.79 million). For the current quarter and financial period ended 31 March 2023 ("1Q2023"), the Group's revenue has increased by approximately 3% as compared to the preceding corresponding quarter ended 31 March 2022 ("1Q2022"). This was due to Sinaran Trilion Sdn. Bhd. has successfully tendered a renovation project during early of the year. Besides, the sales of Dixing brand footwear had decreased significantly by 43.28% as compared to 1Q2022 due to competitive of the footwear industry in China which cause significant of sales.

Gross profit decrease significantly was mainly due to over-recognition of revenue for 1Q2022 amounted RM1.65 million. Besides, reducing of sales in footwear industry and extension work for Project Vizione have caused the gross profit of the Group decrease by RM0.52million.

### **B3.** Current year prospects

Looking forward, the sportswear market will be sustaining its growth potential driven by the consumption upgrading trend and stable demand among domestic consumers with improved living standard and higher income growth. The propelling growth in the sector is also driven by rising level of health and well-being awareness and increasing sports participation. In addition, the Chinese Government supports the development of sports industry vigorously with the introduction of numerous favorable policies, programmes and sport events. The advancement of e-commerce also plays a significant part to drive growth and to cushion the deteriorating growth of the retail stores.

Market competition will continue to intensify with international sportswear brands are constantly accelerating their presence in the mainland causing domestic sportswear brands to lose market share due to weaker brand recognition and innovation. The increasing cost of labour also raises concern over the challenges from Southeast Asia countries offering considerably labour cost advantages over China. However, China has its competitive advantages over its well-established and centralized hub of raw and auxiliary material supplies serves to strengthen cohesion and sustainability of the local market.

## CONSOLIDATED INTERIM FINANCIAL STATEMENTS FOR THE QUARTER ENDED 31 MARCH 2023

#### **B3.** Current year prospects (cont'd)

Given the overall backdrop in consumer sentiment, uncertainty economic impact arising from the ongoing US-China trade dispute, coronavirus outbreak and intense market competition, the Group remains cautious and sees challenges on the business growth but remains optimistic on the long-term sustainability of the business.

Following the diversification of the Group business into construction with the intention to provide additional stream of revenue to the Group. The Group believes that the construction sector, being the backbone of the nation's economy growth would continue to be the key priority of the government's focus to promote continuous economy growth and recovery from the Covid-19 pandemic. The Board believe the stimulus measure introduced by the Malaysian government would give rise to increase construction activities in Malaysia, which will in turn, present the Group with more business opportunities (i.e. subcontracting work from main contractor). The Board of Directors of SAG ("Board") envisages that the Group's prospects for the coming years would be challenging.
