QUARTERLY REPORT ON CONSOLIDATED RESULTS FOR THE FIRST QUARTER ENDED 31 MARCH 2022

A. SELECTED EXPLANATORY NOTES TO THE UNAUDITED FINANCIAL REPORT FOR THE FIRST QUARTER ENDED 31 MARCH 2022

1. Basis of preparation

a) <u>Basis of accounting</u>

The financial statements are unaudited and have been prepared in accordance with the provisions of the Singapore Companies Act (the "Act"), Singapore Financial Reporting Standards (International) ["SFRS(I)s"] which are simultaneously compliant with International Financial Reporting Standard (IFRSs) issued by the International Accounting Standards Board (IASB) and paragraph 9.22 and Part A of Appendix 9B of the Bursa Malaysia Securities Berhad Main Market Listing Requirements, and should be read in conjunction with the Audited Financial Statements for the year ended 31 December 2021 and the accompanying explanatory notes attached to this unaudited financial report.

b) <u>Changes in accounting policies</u>

The Group has adopted a new financial reporting framework, SFRS(I) on 1 January 2018. SFRS(I)s comprise standards and interpretations that are equivalent to IFRSs as issued by the International Accounting Standards Board. An entity that compiles with SFRS(I)s can also elect to simultaneously include an explicit and unreserved statement of compliance with IFRS. The Group has elected to assert dual compliance with both SFRS(I)s and IFRSs with effect from annual periods beginning on or after 1 January 2018. All references to SFRS(I)s and IFRSs are referred collectively as SFRS(I)s in these financial statements, unless specified otherwise. The financial statements for the financial year ended 31 December 2018 are the first set of annual financial statements the Group prepared in accordance with SFRS(I)s. The preparation of financial statements in conformity with SFRS(I) requires management to exercise its judgement in the process of applying the Group's accounting policies. It also requires the use of accounting estimates and assumptions. Although these estimates are based on management's best knowledge of current events and actions, actual results may ultimately differ from those estimates.

INTERPRETATIONS AND AMENDMENTS TO PUBLISHED STANDARDS EFFECTIVE IN 2018

On 1 January 2018, the Company adopted the new or amended SFRS(I) and Interpretations of SFRS(I) ("INT SFRS(I)") that are mandatory for application for the financial year. Changes to the Company's accounting policies have been made as required, in accordance with the transitional provisions in the respective SFRS(I) and INT SFRS(I). The adoption of these new or amended SFRS(I) and INT SFRS(I) did not result in substantial changes to the Company's accounting policies and had no material effect on the amounts reported for the current or prior financial years.

c) <u>Basis of consolidation</u>

The financial statements of the Group include the financial statements of the Company and its subsidiaries made up to the end of the financial year.

The Group was formed as a result of the restructuring exercise undertaken on 25 September 2009 for the purpose of the Company's listing on the main market of the Bursa Malaysia Securities Berhad. The acquisition of 100% equity in the subsidiary, namely Rizhao Hengbao Foodstuffs Co., Ltd pursuant to the restructuring exercise under common control has been accounted for using the pooling-of-interest method. Under the pooling-of-interest method, the consolidated financial statements of the Group have been presented as if the Group structure immediately after the restructuring has been in existence since the earliest financial year presented. The assets and liabilities were brought into the consolidated statement of financial position at their existing carrying amounts. The pooling-of-interest method will continue to be used for the entities in existence up to the Group's reorganization exercise.

All inter-company balances and significant inter-company transactions and resulting unrealized profits and losses are eliminated on consolidation and the consolidated financial statements reflect external transactions and balances only. The results of subsidiaries acquired or disposed of during the financial year are included or excluded from the consolidated statement of comprehensive income form the effective date in which control is transferred to the Group or in which control ceases, respectively.

c) <u>Basis of consolidation (continue)</u>

Where accounting policies of a subsidiary do not confirm with those of the Company, adjustments are made on consolidation when the amounts involved are considered significant to the Group.

2. Audit report of the Group's preceding annual financial statements

The Group's audited consolidated financial statements for the financial year ended 31 December 2021 were not subject to any audit qualification.

However, the auditor UHY Lee Seng Chan & Co have issued a statement in respect of HB's Financial Statements for 31 December 2021 ("FS 2021") to draw an attention to the board and shareholders as regard to the emphasis of matter and key audit matters as follow:

Key Audit Matter

Pursuant to Paragraph 9.19(37) of the Main Market Listing Requirements, the description of the Statement is as follows:

"Key Audit Matters"

Key audit matters are those matters that, our external auditors, UHY Lee Seng Chan & Co in their professional judgement, were of most significance in their audit of the financial statements of FY2021. These matters were addressed in the context of their audit of the financial statements as a whole, and in forming their professional opinion thereon, and did not provide a separate opinion on these matters.

I) Impairment of property, plant and equipment and land use rightII) Advance payment for land use rightsIII) Impairment assessment of goodwill

m) impairment assessment of goodwin

The key audit matters highlighted by independent auditors had no material changes or further development as compared to 31 December 2021.

3. Seasonality or cyclicality of operation

The business of the Group was not affected by any significant seasonal and cyclical factors for the current quarter other than the holiday effect on the operation for Chinese New Year festival.

4. Unusual items

The Coronavirus (Covid-19) outbreak was identified in Wuhan, China in December 2019. The World Health Organisation ("WHO") has declared the outbreak a Public Health Emergency of International Concern on 30 January 2020 and subsequently WHO declared the Covid-19 outbreak as global pandemic on 11 March 2020.

The emergence of the Covid-19 outbreak since early 2020 has brought economic uncertainties in the whole world and markets in which the Group and the Company operate.

In view of the uncertainty of the macro-economic conditions, the Group is unable to reasonably quantify the related financial effects for the period ended 31 March 2022 to be disclosed in current quarterly results. The Group will continuously monitor and to take appropriate and timely measures to minimise any impact of the outbreak that might arises.

5. Changes in estimates

There were no material changes in estimates for the current quarter and financial year-to-date.

6. Changes in share capital and debts

QUARTERLY REPORT ON CONSOLIDATED RESULTS FOR THE FIRST QUARTER ENDED 31 MARCH 2022

B. INFORMATION REQUIRED BY BURSA MALAYSIA SECURITIES BERHAD UNDER LISTING REQUIREMENTS

1. Review of the performance of the Group

Review of Group Comprehensive Income

Our revenue decreased by RMB6.4 million from RMB25.3 million in financial period ended 31 March 2021 ("FPE2021") to RMB18.9 million in financial period ended 31 March 2022 ("FPE2022"). The decrease was mainly due to decrease in sales of China subsidiary as during FPE2022, there was some disruption in the production and supply chain due to the lockdown in certain areas of China which have been affected with rising Covid 19 cases.

Other income in FPE 2022 amounted to RMB0.2 million was much lower compared to FPE 2021 amounted to RMB10.7 million. This was mainly due to waiver of principal and interest on loan from a Director amounted to approximately RMB10 million taken up in FPE 2021.

General and administrative expenses increased by approximately RMB5.1 million from RMB6.0 million to RMB11.1 million mainly due to addition of few subsidiaries through acquisition and incorporation in Q2 to Q4 2021, thus causing higher operating expenses incurred in FPE 2022.

The Group incurred loss before tax of RMB14.7 million in FPE2022 compared to profit before tax of RM6.7 million mainly due to lower revenue and other operating income generated coupled with higher general and administrative expenses incurred in FPE 2022.

Review of Balance Sheet

The Company balance sheet remains strong with net assets of RMB352.9 million as at 31 March 2022.

Increase in inventory as at 31 March 2022 compared to 31 December 2021 was mainly due to disruption of production in certain period of FPE2022 causing by the lockdown in certain areas of China due to Covid 19 preventative measures taken by Government, thus causing slower utilization of inventories on hand for production of goods. Cash and bank balances has reduced from RMB10.8 million to RMB6.9 million which is mainly due to higher operating expenses incurred while revenue and margin have been affected by unexpected events such as disruption on production, rising raw material and logistics costs.

Review of Cash Flow Statement

Net cash used in operating activities increase to RMB2.4 million in FPE2022 from RMB0.2 million in FPE2021 mainly due to higher operating expenses and inventories.

Cash and cash equivalents at FPE2022 was at negative RM12.2 million mainly due to high amount of bank overdraft facilities utilised by subsidiary of the Company.
