18. PROSPECTS

Despite the prevailing challenges faced by the Group within its economic and operating environment, the Board and Management remain cautiously optimistic in assessing the outlook of the Group.

The Group's current strategy towards a more conservative approach, whereby the aim is to:

- (i) market and monetise our existing "Inventory Land Held For Sale" first; along with
- (ii) completing the current order book, of which settlements are in cash; as well as
- (iii) adopting the "sell-then-build" strategy for the balance of unreclaimed land, of which settlements are in-kind, wherever possible.

To-date, the revenue yet to be recognised arising from the land reclamation contract secured by the Group, amounting to approximately RM58.60 million, as well as Sale & Purchase Agreements ("Land Sale SPAs") already signed of approximately RM16.0 million, will ensure the Group has total revenue of approximately RM74.6 million to be recognised in the near term. The management has also been actively participating in tendering projects that are viable to bring in more consistent income to the Group and replenish the existing order book.

In addition, the Group also has in excess of 37.06 acres of land bank in Melaka already reclaimed and are available for immediate sale. Several large parcels of river-fronting land reclaimed by the Group in Pulau Indah, Port Klang, have also continued to garner strong interest due to their strategic location, being adjacent to the Pulau Indah Highway, and in close proximity to Westport, one of Malaysia's busiest ports. The management has had and will continue to be aggressive with the sales and marketing of our landbank and is prepared to adapt to the requirements of the circumstances where necessary to ensure that some of these land banks can continue to be monetised in the near to medium term.

The Group remains confident in the strong fundamentals of its two (2) main flagship projects in Johor, namely TPMIP and PMIP, which contribute towards both industrial parks being strategic locations within the region, making it well placed to capture various value-added activities within the oil & gas and renewable energy industry.

The management is actively pursuing several leads concurrently, whereby the latest statuses include (a) financial negotiations with the prospective offtakers, (b) buyers are still on-going in their due diligence process to reach financial close, and/or (c) partners are undergoing their project feasibility studies prior to a final investment decision.

The Group, like most other companies within the sector, is adjusting the pace of its operations to ride out the existing uncertainties and slowdown within its operating segment. We endeavour to not stay complacent, and remain vigilant towards the needs of the market, striving to innovate, adapt and create value for our customers whenever possible.

24. MATERIAL LITIGATION

24.1 Kuala Lumpur High Court Civil Suit No. WA-22NCC-153-04/2016

On 30 April 2015, BSB received a Writ of Summons and Statement of Claim dated 21 April 2015 filed by Sentosacove Sdn. Bhd. ("SSB").

SSB is alleging that BSB had breached its contractual and implied duties under an agreement ("Reclamation Agreement") which was entered into between BSB and SSB on 10 September 2010. Under the Reclamation Agreement, BSB was appointed as a contractor to carry out marine reclamation works to reclaim a total area spanning 720 acres in Daerah Klebang, Melaka. SSB is claiming for, inter alia, a Declaration that BSB had breached the Reclamation Agreement and for other consequential and ancillary reliefs.

The Group rigorously contested the alleged claims and is of the view that the SSB's claims are without merit and had filed a defence and counter claim in the High Court of Malaya at Kuala Lumpur on 15 May 2015 against SSB, Datuk Leaw Tua Choon and Datuk Leaw Ah Chye.

On 20 October 2018, the Group received a decision of the High Court in favour of the Group against SSB.

SSB filed a notice of appeal on 26 November 2018 and 22 April 2020 against the High Court's decision in dismissing its claims substantially.

24. MATERIAL LITIGATION

24.1 Kuala Lumpur High Court Civil Suit No. WA-22NCC-153-04/2016 (CONT'D)

On 28 March 2022, the panel of Court of Appeal judges has a consensus on allowing BSB appeal. The Court of Appeal agreed with the High Court judge that termination of the Reclamation Agreement by SSB was unlawful thus SSB's appeal is dismissed with costs of RM30,000 payable to BSB by SSB, Datuk Leaw Tua Choon and Datuk Leaw Ah Chye. The costs subject to allocatur fees.

However, as the Concession Agreement between SSB and the Malacca State Government was not renewed, the Court of Appeal has set aside the High Court Order for specific performance of the Reclamation Agreement and substituted the specific performance with an order for damages to be assessed by the High Court. The assessment of damages for the unlawful termination is remitted back to High Court.

On 29 March 2023, the parties informed the Court that both parties had entered into a Settlement Agreement and there are certain conditions in the Settlement Agreement that need to be fulfilled before the assessment of damages can be withdrawn. The Court fixed the next case management on 23 July 2024 for the Parties to update the Court on the status of the settlement and the Court with decide whether the assessment of damages can be withdrawn with or without liberty to file afresh in light of the Settlement Agreement.

24.2 Melaka Magistrates' Court Civil Suit No. MA-A73KJ-697-09/2021

On 16 July 2009, Benalec Sdn Bhd ("BSB") and Strategic Oscar Sdn Bhd entered into a reclamation agreement whereby BSB was appointed to carry out the reclamation works at Pantai Limbongan, Daerah Melaka Tengah, Melaka.

By way of a letter dated 8 July 2022, BSB was informed by the Plaintiff's solicitors that Puan Rohazalina Binti Othman (the "Plaintiff"), was involved in a car accident on 11 April 2019 at Jalan Hajah Maznah, Klebang, Melaka (one of the roads at the said reclamation site).

In the Magistrates' Court Order dated 19 October 2022, the Magistrates' Court allowed the Plaintiff's application to add BSB as the 3rd Defendant in the suit filed by the Plaintiff to Kerajaan Negeri Melaka and UPEN Melaka. The Plaintiff alleged that BSB was having the care of the road where the accident happened and it failed to maintain the road properly thereby causing the accident. Hence, the Plaintiff alleged that BSB is liable for the accident.

The Plaintiff claims against BSB, among others, the general damages and special damages in the region of RM60,952.40. BSB denies all the allegations and claims made by the Plaintiff on the ground that the Plaintiff or the car driver was fully responsible to the accident and/or their negligence contributed to the accident.

On 15 March 2024, BSB was found liable for negligence as decided by the Magistrates' Court, resulting in an award of general damages totalling RM49,000.00 to the Plaintiff, as well as an interest rate of 5% p.a for the awarded damages.

On 3 May 2024, BSB had via its solicitor, paid a total sum of RM57,943.86 being the total payment for the judgement sum, including all the accrued interest.
