B EXPLANATORY NOTES PURSUANT TO PARAGRAPH 9.22 OF THE LISTING REQUIREMENTS OF BURSA MALAYSIA SECURITIES BERHAD

B1 Review of performance

For the quarter ended 31 March 2016, APFT Berhad and its subsidiaries ("APFT Group" or "Group") generated revenue of RM4.615 million and loss before taxation ("LBT") of RM6.755 million as compared to revenue of RM14.372 million and loss before taxation of RM20.988 million in the preceding year corresponding quarter ended 31 March 2015 respectively. The decrease in revenue by RM9.757 million for the current financial quarter under review as compared to the preceding year corresponding quarter was mainly due to decrease in contribution from PT Technic (M) Sdn Bhd ("PTTSB"). The loss before tax of RM6.755 million was mainly due to decrease in revenue.

B2 Variation of results against preceding quarter

The Group registered a revenue of RM4.615 million for the current quarter under review representing a decrease of RM0.102 million from the RM4.717 million in the preceding quarter. The Group's loss before tax was RM6.755 million for the current quarter under review as compared to loss before tax of RM6.506 million in the preceding quarter.

The decrease in revenue is mainly due to decrease in contribution from flight education and training segment by approximately RM1 million while the increase in loss before tax is mainly due to the decrease in revenue.

B3 Prospects

The reduction in revenue contribution from PTTSB is mainly due to timing difference between completion of old projects and start of new project for the company. With the newly secured project which is expected to contribute positively by middle of 2016 and with the positive response from our potential customers on our current bidding, the Group is confident on the prospects for PTTSB in the near future.

In the flight training academy, the helicopter training course has been having good response.
