13. Review of Performance

The Group achieved revenue of RM381.6 million during the current quarter, higher as compared to the revenue of RM356.5 million recorded in the corresponding quarter in the previous financial year.

However, the current quarter's profit before taxation of RM17.9 million was lower as compared to the profit before taxation of RM30.5 million for the corresponding quarter. This was mainly caused by lower profit margins recognized by the property development and trading segments due to the slowdown of demand as a result of the global financial crisis in the current period under review. Nevertheless, the impact of lower profit from operations was minimized at net profit level due to healthy recognition of profit from the Group's jointly controlled entities.

14. Material Changes in the Quarterly Results Compared to the Results of the Immediate Preceding Quarter

The Group recorded revenue of RM381.6 million, a drop from the revenue recorded in the immediate preceding quarter of RM451.5 million. Profit before taxation was lower at RM17.9 million in the current quarter as compared to RM26.7 in the immediate preceding quarter.

Higher profit in the preceding quarter was mainly due to higher contribution from the Group's property development division and the completion of certain overseas construction projects.

The stimulus packages to be rolled out by various governments globally are expected to benefit the Group's operations.

23. Material Litigation

(a) On 9 January 1999, L' Grande Development Sdn Bhd ("L' Grande") had appointed Sunway PMI-Pile Construction Sdn Bhd ("SPMI") to perform work and supply of labour, materials, plants and equipments from the pile design for the construction of 331 units of double store terrace houses. A legal suit was filed by L' Grande against Bukit Cerakah Development Sdn Bhd ("BC") for the sum of RM5.9 million due under the interim certificates. BC has filed a counterclaim against the plaintiff for damages suffered by them in the sum of RM46.2 million for demolishing, rebuilding and carrying out rectifying works to the double storey houses that were structurally damaged and ancillary losses due to failure to complete the piling works in accordance with specifications and drawings.

L' Grande has issued third party notice on 26 May 2004 against SPMI for indemnity against the failure of the piling works that was carried out. L' Grande has filed and served the Statement of Claim against SPMI. SPMI has accordingly filed the Statement of Defence against L' Grande's statement of claim. The case was fixed for case management on 3 March 2005 and further case management on 5 December 2005 and subsequently to 18 April 2006. The Learned Judge gave directions to the parties to file their Agreed and Non-Agreed Bundles, before the next case management on 14 August 2006. The Learned Judge had also set the trial dates as 25 to 29 January 2010 and 8 to 12 February 2010.

SPMI's solicitors had put in place a defence, which in the solicitors' opinion covered and explained all aspect of SPMI's contractual obligations and mitigating liability. Although the counterclaim against the Plaintiff was RM46.2 million, it was unlikely that the final judgment would be for this sum as the claimant had the onerous task of proving his claim. In the solicitors' opinion, the defence suffices and was more than adequate and should justice prevail, the solicitors were confident that this matter should be dismissed.

The Directors are of the opinion, after taking appropriate legal advice, that no provision for the abovementioned claims is necessary.

(b) A suit was filed by Affin Bank Berhad ("Affin") against, inter alia, Yap Yee Ping and Ng Kam Hung ("Plaintiffs") for payment of an amount of RM27.7 million and/or any other amount to Affin. The Plaintiffs are seeking, inter alia, certain declarations and also an order that SunwayMas Sdn Bhd ("SunwayMas"), a wholly-owned subsidiary of the Group, indemnifies the Plaintiffs for all claims brought against them by Affin in relation to a tripartite agreement executed amongst Cindai Unggul Sdn Bhd ("Employer"), SunwayMas and BSN Commercial Bank Bhd (now vested in Affin) on 2 May 2000. SunwayMas was appointed as a Project Manager to revive, manage and coordinate the development and construction of the Employer on a piece of land in the Mukim of Pulai, District of Johor Bahru, Johor.

23. Material Litigation (continued)

Arising from this suit, the Plaintiffs have filed a counterclaim action against Affin and SunwayMas as the second defendant on 9 May 2008. Thereafter, the Plaintiffs have served a Statement of Defence and Counterclaim ("Counterclaim") on SunwayMas. Sunwaymas intends to defend this Counterclaim and at the advice of their solicitors, an order to strike out the case has been submitted, followed by a statement of defense on 4 December 2008. The hearing for case management has been fixed on 27 July 2009.

SunwayMas's solicitors are of the opinion that the chances of success of the Plaintiffs' claim against Sunwaymas are negligible.

The Directors are of the opinion, after taking appropriate legal advice, that no provision for the abovementioned claims is necessary.

(c) On 4 September 2008, the solicitors of Sunway Construction Sdn Bhd ("SunCon") had been served with a Statement of Claim ("Statement of Claim") by Shristi Infrastructure Development Corporation Ltd ("Claimant"). The Statement of Claim was received by SunCon's office in Malaysia on 8 September 2008.

Pursuant to an agreement signed between SunCon and the National Highway Authority of India for the rehabilitation and upgrading of NH-25 to a four-lane configuration in the state of Uttar Pradesh being a part of the East-West Corridor Project, SunCon had entered into a work order with the Claimant for the upgrading and rehabilitation of the stretch of NH-25 from 143.6 km to 170.0 km, of which the Claimant has provided two bank guarantees ("Bank Guarantees") to SunCon.

The Claimant has failed to carry out its obligations under the work order and SunCon has terminated the work order and cashed the Bank Guarantees. The Claimant had filed an application in the Supreme Court of India for the appointment of an arbitrator to arbitrate upon the disputes between the parties. The Supreme Court had appointed a sole arbitrator and two preliminary sittings have been held to date. The Claimant then filed its Statement of Claim on 4 September 2008.

The Statement of Claim was raised in respect of various claims (including claiming the refund of the amount cashed on the Bank Guarantees) and the total amount claimed is Rs891.5 million (approximately equivalent to RM70 million).

SunCon has served the reply to the Statement of Claim on 5 January 2009 and there was a hearing on 21 April 2009. On the said hearing date, the Claimant has yet to file its reply to SunCon's Counter Claim and Rejoinder to the Statement of Defense. The Claimant has also filed an Application for Interim Relief and SunCon has filed its reply on 13 May 2009. On 23 May 2009, the Application for Interim Relief was heard and the order was reserved. The next hearing date would be 11 July 2009.

The Directors are of the opinion, after taking appropriate legal advice, that no provision for the abovementioned claims is necessary.
