#### **B3** Commentary on Prospects

Moving forward, elevated market uncertainties are expected to persist and global economies will experience a slowdown compared to the previous year. For us, the situation has been manageable thus far and the Group is confident to overcome the obstacles ahead by leveraging on our technical expertise & experience, proven track record alongside with our sound management practices.

Nevertheless, despite these headwinds, there are bright spots ahead. In particular, the demand for passports has been strong since the reopening of international borders and the Group anticipates this trend to continue in the near future. With that, Datasonic remains highly committed to meeting this demand with our timely and uninterrupted deliveries as part of our ongoing contributions to national security and to the public. In addition to this core focus, the Group is also excited about the increasing orders of MyKad to rebound healthily to pre-COVID-19 levels.

In the meantime, Datasonic will also step-up efforts on our pursuit of various new programmes and initiatives with international travel returning to normalcy, which forms part of our plan to diversify our revenue stream.

Overall, the Group continues to be positive on the bright prospects ahead for Datasonic and looks forward to a satisfactory financial performance for FY2024, barring any unforeseen circumstances.

### **B9** Material Litigation

A wholly-owned subsidiary, Datasonic Technologies Sdn. Bhd. ("DTSB"), has on 1 August 2018 received a writ of summons together with the statement of claim dated 30 July 2018 ("Suit") filed by Percetakan Keselamatan Nasional Sdn Bhd ("PKN") against DTSB.

The Suit is in relation to a disagreement between DTSB and PKN over the price of 1,500,000 Malaysian Passport booklets supplied by PKN to DTSB as DTSB's sub-contractor for the interim period of 6 months from 1 December 2016 to 31 May 2017, before the Malaysian Passport booklets were fully printed and supplied by DTSB to the Government of Malaysia.

In the last financial year, the High Court had delivered its judgement for the Defendant i.e. DTSB to pay a total sum of RM15,000,000 to the Plaintiff.

The High Court also dismissed the Plaintiff's claim for GST and prejudgement interest calculated from the date of the Plaintiff's invoices. Instead, the High Court had only awarded a post judgment interest rate of 4% per annum.

Cost of RM30,000 was awarded and to be paid to the Defendant.

On 2 November 2021, DTSB had been served with a Notice of Appeal filed by PKN at the Court of Appeal on 29 October 2021.

For the reporting date under review, further developments are as follows:-

On 15 June 2022, the appeal filed by PKN against DTSB was heard by the Court of Appeal. After having heard the arguments by Counsels of both parties, the Court of Appeal has fixed the date for decision on 18 August 2022.

On 18 August 2022, the Court of Appeal has been vacated by the Court and a new Case Management to set new decision date is fixed on 30 August 2022.

On 1 September 2022, the Court of Appeal has fixed the date for decision on 26 October 2022.

On 26 October 2022, Court of Appeal had allowed part of PKN's appeal, that is only with regards to the judgment interest and cost awarded by the High Court.

The Court of Appeal agreed with the findings of the High Court. The sum to be paid for the passport booklet is RM10.00 per passport booklet and PKN is not entitled to the Goods and Services Tax.

The Court of Appeal found that the learned trial judge has erred in deciding that the post judgment interest rate of 4% per annum and awarding the cost of RM30,000 to DTSB. The Court of Appeal ordered that PKN is entitled to the interest of 5% per annum. Therefore, the Court of Appeal ordered DTSB to refund the cost of RM30,000 to PKN and further awarded the cost of RM5,000 to PKN for the appeal.

No Notice of Appeal has been filed by PKN and the time limit for PKN to file their appeal has lapsed on 26 November 2022.
