B Explanatory Notes in Compliance with listing Requirements of the Bursa Malaysia

B1. Review of Performance

Performance of current quarter against the preceding year corresponding quarter

For the current quarter under review, the Group recorded revenue of RM95.34 million and profit after tax and non-controlling interests of RM6.27 million as compared to RM85.88 million and RM5.44 million respectively in preceding year corresponding quarter ended 30 June 2015.

Construction segment:

This segment reported a lower revenue of RM42.28 million in 2Q2016 compared to RM88.27 million in the same preceding year corresponding quarter last year (before eliminating inter-segment sales). It recorded a pre-tax loss of RM0.13 million compared to pre-tax profit of RM0.79 million the previous year corresponding period.

The revenue was lower due to existing projects which were actively operating in the preceding year corresponding quarter as compared to the current quarter. In current quarter, the construction work on a few of the projects had decreased as they approach completion stage. The lower revenue correspondingly resulted in lower overall performance for the construction division.

Property development segment:

This segment reported a higher revenue of RM55.30 million in 2Q2016 compared to RM29.05 million in the same preceding year corresponding quarter. It recorded a pre-tax profit of RM17.53 million compared to RM9.72 million for the previous year corresponding period.

The revenue in current quarter is higher than the same quarter last year mainly due to sale of a piece of land held for development. Besides this, the on-going projects, The Peak Serviced Apartments and Permas Centro Shop Offices continue to contribute to the revenue from the current quarter sales and increase in work progress.

B2. Material Changes in the Result for the Current Quarter Compared With the Results for the Preceding Quarter

For the current quarter under review, the Group recorded revenue and profit after taxation and non-controlling interests of RM95.34 million and RM6.27 million as compared to RM79.65 million and RM3.75 million respectively reported in the immediate preceding quarter.

The Group profit before tax (%~~BT~~) of RM16.73 million in the current quarter is higher as compared to the preceding quarter of RM5.16 million, mainly due to the sale of a piece of land held for development.

B3. Prospects

The Group's property development projects currently have unbilled sales of sold units amounting to approximately RM142.50 million and unbilled sales in relation to unsold units amounting to approximately RM598.34 million.

On 21 June 2016, the Group, via its wholly-owned subsidiary, Gabungan Strategik Sdn Bhd (GSSB) received the non-binding Letter of Intent from PR1MA Corporation Malaysia for the proposed purchase from GSSB and AQRS The Building Company Sdn Bhd (AQRS), another wholly-owned subsidiary of the Company, of 1,140 Units of PR1MA Homes in Sepang, Selangor. The estimated contract sum of the Project is RM314 million.

On 5 May 2016, the Group, via its wholly-owned subsidiary, Gabungan Strategik Sdn Bhd (GSSB) entered into a Joint Venture Agreement with Monolight IBS Building System Sdn Bhd (Monolight) for the construction, development and completion of the development of PR1MA Homes together with all the necessary amenities, utilities, facilities and infrastructures in Kuala Kuantan, Pahang. The contract sum to the JV for the construction and completion of the Project is RM424.2 million. This project is expected to contribute positively to both revenue and profits for the Construction division, with the expected commencement of work to be in September 2016.

On 16 March 2015, the Group entered into a Joint Venture Agreement with Suria Capital Holdings Berhad (Suria Capital) for a mixed development in Kota Kinabalu, Sabah known as One Jesselton Waterfront. This land is part of the new Kota Kinabalu waterfront and is now one of the most prime land in Kota Kinabalu. In February 2016, the Group completed the traffic study which further enhances the development and received approval from the relevant authorities in mid April 2016. Based on this approval, Suria Capital has submitted an application for the land Title. The Title is expected to be issued soon and development activities will commence for this project. With this latest approval by the relevant authorities, the Group anticipates the Net Sales Value (NSV) for this project will be between RM1.7 billion to RM1.8 billion. This project is expected to contribute positively to both revenue and profits to both its Construction and Property Development division in first quarter of year 2017.

The Group's project on the Provision of Accommodation on Base-Camp Concept complete with necessary facilities for Petronas Chemicals Fertiliser Sabah Sdn Bhd (PCFSB) in Sipitang, Sabah was completed and handed over in March 2016. This project is now providing a recurring monthly income stream to the Group for 5 years with a renewal option for another 5 years by PCFSB, commencing second quarter of year 2016.

The Group will soon be receiving the Letter of Award from the State Government of Pahang for the Proposed Development of Pusat Pentadbiran Sultan Ahmad Shah (PPSAS) in Kuantan. The Group is expected to undertake a significant portion of the construction works for PPSAS once the project has been awarded by the State Government of Pahang.

The Group has in the past 6 months participated vigorously in approximately RM3 billion worth of tender exercises. It has thus far successfully been pre-qualified and shortlisted to participate in the tender for the Bandar Utama. Klang Light Rail Transit (LRT) Line 3. The Group anticipates that tender for LRT Line 3 will be called in the fourth quarter of year 2016.

Since, securing its first PR1MA homes project in Gampang, to be followed by another PR1MA homes project in Sepang, the Group continues to vie for more opportunities to develop affordable housing in other states with potential multi-billion Ringgit gross development value (GDV).

The Group remains confident that with its enhanced construction order book and pipeline property development projects, it will be able to deliver satisfactory performance in the financial year 2016.

Saved as disclosed below, there is no other material litigation pending as at 11 August 2016, being a date not earlier than 7 days from the date of this report:-

- a) On 4 Feb 2016, Pembinaan Megah Ikhlas Sdn Bhd (PMI) and Gabungan Strategik Sdn Bhd (GSSB), both subsidiaries of the Company, were served with a Writ of Summons and Statement of Claim by Profound Projects Sdn Bhd (Profound). Profound is claiming for a total cost of RM3.3 million for balance sum due for work done.

PMI denied the contention by Profound whereby Profound had executed and completed its work as per the Sub-Contract Agreement dated 21 January 2006. PMI had carried out the remaining construction work on behalf of Profound and had incurred a cost of RM3.4 million. In relation to this, PMI had issued Debit Notes and back-charged Profound in respect of the costs incurred. Consequently, PMI decided to pursue to claim back these costs incurred on behalf of Profound.

In accordance to the Letter of Guarantee dated 21 January 2006 signed, Profound shall indemnify PMI against all losses, damages, costs and expenses incurred by PMI in respect of default in the due performance of works. Besides, PMI reserves any rights to recover any amount by deduction from any money from Profound.

PMI and GSSB had submitted the application to strike out the Profound's claim on 20 April 2016. Based on the Case Management on 21 April 2016, the writ of summons dated 4 February 2016 has been cancelled by court due to non-disclosure of any reasonable cause of action. On 23 May 2016, Profound has filed a notice of withdrawal for the claim on GSSB. The next Case Management is fixed on 19 August 2016.

B9. Material Litigation (cont'd)

- b) On 18 November 2015, AQRS The Building Company Sdn. Bhd. (AQRS), a subsidiary of the Company, filed a lawsuit against Goodnite Sdn. Bhd. (Goodnite) and demanded a sum of RM6.8 million, which comprised land costs paid and development costs amounted to RM5.6 million and RM1.2 million respectively.

AQRS had entered into a Sale and Purchase Agreement (SPA) with Goodnite for the acquisition of leasehold land located at Sungai Lalang. The SPA entered into between Goodnite and AQRS was subject to the conditions precedent as the existing SPA entered into by Goodnite with another party (Merit Trading Sdn. Bhd. (Merit)) dated 14 August 2014 be duly terminated and the withdrawal of the existing private caveat dated 18 August 2014.

The above conditions precedent had been fulfilled by Goodnite on 19 November 2014. However, subsequently on 30 April 2015, Merit had lodged a new caveat and demanded a compensation of RM4.5 million from Goodnite. AQRS had on 3 September 2015 decided to terminate this acquisition after Goodnite had failed to remove the new caveat lodged by Merit despite reminders being sent to them.

Goodnite has counterclaimed against AQRS for General Damages in excess of RM5.0 million. The Court has fixed the Suit for Case Management on 11 November 2016.

- c) On 28 April 2016, Gabungan Strategik Sdn Bhd (GSSB), a subsidiary of the Company, filed a lawsuit against Sanubari Cekal Sdn. Bhd. (Sanubari) and demanded a sum of RM16.5 million, which to cover on the testing, design fees, rectification works, loss of profit and damages incurred and/or suffered by GSSB.

GSSB has awarded Sanubari as a sub-contractor for the construction and completion of bored piling work for the project of Tropicana Metropark on 1 April 2014. The lawsuit was filed against Sanubari for the failure and negligence in performing its duty to complete work awarded.

During the construction period, part of the bored pile constructed by Sanubari collapsed due to the length of the bored pile was under casted during the excavation work for the pile cap. Based on the rectification work on site, Sanubari has failed the pile driving analyzer (PDA) method test. As a rectification for the defect work performed by Sanubari, GSSB had appointed third party contractors for the rectification works.

The suit was filed for case management on 28 April 2016. The Court has not fixed the date on this matter for further Case Management.

The defendant's lawyer has proposed for an out of court settlement. As the company has just received the proposal, it is still under deliberation.
