B1. Review of performance for the current quarter compared to the immediate preceding quarter

Group – Current quarter review:

	Current quarter	Immediate preceding quarter	
	30/9/2024	30/6/2024	Changes
	RM'000	RM'000	%
Revenue	39,473	50,231	(21.4)
(Loss)/Profit Before Tax	(5,670)	1,395	(506.5)
(Loss)/Profit After Taxation	(5,680)	1,686	(436.9)

As announced on 26 April 2023, the financial year end of the Group has been changed from 31 December to 30 June. Consequently, there is no comparative financial information for the current quarter ended 30 September 2024 ("1Q25"). The analysis below compares 1Q25 to the immediate preceding quarter ended 30 June 2024 ("6Q24").

The Group registered revenue of RM39.5 million and LBT of RM5.7 million in 1Q25, compared to RM50.2 million and RM1.4 million in revenue and PBT respectively in 6Q24. The lower revenue is primarily due to the lower contributions from the construction division as most of the projects were at tail end of completion. Additionally, settlement costs of RM2.1 million related to the old projects also further impacted the results.

The Group provided LADs amounting to RM4.6 million in 1Q25. Excluding the LAD, Group's core LAT stood at RM1.1 million for 1Q25.

B1. Review of performance for the current quarter compared to the immediate preceding quarter (continued)

Construction segment

	Current quarter	Immediate preceding quarter	Changes (%)	Cumulative 3 months
	30/9/2024	30/6/2024		30/9/2024
	RM'000	RM'000		RM'000
Revenue	40,308	66,786	(39.6)	40,308
Profit Before Tax	348	27,651	(98.7)	348
Profit After Taxation	348	18,857	(98.2)	348

Revenue from the construction segment stood at RM40.3 million in 1Q25, compared to RM66.8 million registered in 6Q24. This quarter's revenue was primarily driven by the E'Island Lake Haven and the Light Rail Transit 3 ("LRT 3") projects contributing RM11.4 million and RM9.9 million in revenue respectively. The results were also impacted by settlement costs of RM2.1 million related to old projects, which affected the profit before tax (PBT).

Property development segment

	Current quarter	Immediate preceding quarter	Changes (%)	Cumulative 3 months
	30/9/2024	30/6/2024		30/9/2024
	RM'000	RM'000		RM'000
Gross Revenue	10,663	(5,392)	297.8	10,663
Audit adjustment (YE June 2024)	-	(17,013)	100.0	-
Adjusted Revenue	10,663	(22,405)	147.6	10,663
Loss Before Tax	(3,081)	(28,926)	89.3	(3,081)
Loss After Taxation	(3,081)	(18,634)	83.5	(3,081)

The property development segment revenue shows a positive revenue growth in 1Q25, with RM10.7 million in revenue. However, the segment reported a LBT of RM3 million, mainly due to LADs amounting to RM4.6 million. The lower revenue in 6Q24 is primarily due to audit adjustments for the E'Island Lake Haven Project, which resulted in a RM17.0 million reduction in revenue.

B2. Prospects

Based on its existing business, GBG stands to recognise a total of RM1.3 billion in future gross revenue, comprising RM406.1 million from the construction division and RM898.5 million from the property development division.

As of 1Q25, the Group's total borrowings stood at RM263.7 million, increasing by RM28.4 million or 12.1% compared to 6Q24. These borrowings comprise RM4.0 million in long-term borrowings, RM134.3 million in short-term borrowings, and RM125.4 million in Islamic Commercial Papers (ICPs) and Islamic Medium Term Notes (IMTNs). The Group's cash and cash equivalent stood at RM107.8 million as at 1Q25, increasing by RM11.4 million or 11.8% compared to 6Q24. Based on the above, the Group's gross and net gearing stood at 0.51x and 0.30x in 1Q25, respectively.

(a) Construction Division

The Group's construction division is armed with a healthy outstanding orderbook of RM406.6 million, that will sustain earnings and cashflow contribution up to FYE 2026. In the near term, the construction division is focusing on executing and completing its ongoing construction projects, whilst finalising claims for various completed projects.

Based on our experience, capabilities, and resources, we see opportunities from potential government and private construction projects. However, prospective projects will undergo an extensive internal assessment to ensure that the risk-reward parameters are of an optimal level, including margins and cashflow.

(b) Property Development Division

In 1Q25, the Group achieved RM1.7 million in property sales that comprise 4 units of E'Island Lake Haven. As at 30 September 2024, our total sold and unbilled sales stand at RM205.9 million, which will progressively be recognised up to the end of 2025.

The property division is currently engaged in the development of projects with a gross development value (GDV) of RM1.1 billion, including two key projects: E'Island Lake Haven in Puchong and The Peak in Johor Bahru City Centre. Additionally, the division is preparing to undertake the inaugural launch Serena Gambang, a 100-acre landed township in Gambang with a total GDV of RM382 million.

As of 30 September 2024, the ongoing projects of E'Island Lake Haven and The Peak have achieved take-up rates of 95% and 40% respectively. Furthermore, the division holds completed but unsold inventories valued at RM19.4 million, comprising units from Contours in Melawati Heights and Kinrara Uptown in Lestari Perdana.

In a positive development, Maybank approved a RM120 million, seven-year term loan facility for GBG in July 2024, inclusive of a two-year repayment grace period. This financing will support the acceleration of construction activities for *The Peak*, with full completion targeted for 2025. The facility is earmarked to cover the remaining development and marketing costs associated with the project. As of 30 September 2024, The Peak had 403 unsold units, with a total net sellable area of approximately 525,000 square feet, collectively valued at RM401.2 million.

The primary target markets for The Peak include Malaysians employed in Singapore, a group anticipated to greatly benefit from the completion of the Johor Bahru – Singapore Rail Transit System (RTS). Additionally, Singaporeans, and participants of the Malaysia My Second Home (MM2H) program, and businesses relocating to Johor Bahru as a result of the Johor Bahru – Singapore Special Economic Zone incentives are expected to contribute to the marketability of the development.

In FY2025, we will launch Serena Gambang – a 100-acre township situated in the educational hub of Kuantan, with Universiti Malaysia Pahang, International Islamic University Malaysia, and Pahang Matriculation College all within a 10km radius. Strategically located 1.5km from both the Gambang Interchange on the East Coast Highway and the future Gambang East Coast Railway Station, the development will offer rapid connectivity to Gombak and Kuala Lumpur. Designed with sustainability in focus, Serena Gambang will feature solar-powered homes and streetlights, rainwater harvesting technologies, a central park with pedestrian paths, and multi-generational recreational spaces including cycling tracks, jogging paths, and skating rinks.

GAB and TVSB's case is that Bernard had acted negligently and / or in breach of his service contract with GAB as its Chief Financial Officer, by, amongst others, failing, refusing and / or neglecting to give proper tax advice and / or properly consulting a tax consultant on the tax implications of a project to construct, own and subsequently sublease base-camp accommodation to Petronas Chemicals Fertiliser Sabah Sdn Bhd at Sipitang, Sabah ("Sipitang Project"). The Sipitang Project was awarded to TVSB by a consortium comprising Seri Wilayah Engineering Sdn Bhd and REMT Utama Sdn Bhd. TVSB in turn awarded the construction works to a subsidiary of GAB, Gabungan Strategik Sdn Bhd. GAB and TVSB also allege that :-

- (i) Bernard had fraudulently and / or negligently misrepresented the tax implications of the Sipitang Project to the Audit Committee and Board of Directors of GAB; and
- (ii) Bernard had breached his fiduciary duties owed to GAB and Trusvest.

In consequence, GAB and TVSB suffered loss and damage amounting to RM13,245,173.

B9. Material litigation (continued)

GAB and TVSB have filed an application for further and better particulars of Bernard's Defence ("Application"), which was dismissed by the High Court on 25 August 2021. GAB and TVSB appealed to the Court of Appeal against the aforesaid decision on 23 September 2021.

Company's solicitors attended hearing on 5 July 2023 for its application to amend its Statement of Claim ("Amendment Application"). The Court allowed 4 of the 5 amendments sought by the Company, with RM5,000.00 costs awarded in favour of the Defendant.

Following to GAB's expert report which has been filed on 6 October 2023, Defendant's solicitor indicated that Bernard intends to file a rebuttal expert report.

The Defendant's Counsel sought an extension of time to confirm the Defendant's instruction and to prepare the rebuttal expert report.

The trial Judge reluctantly allowed the request for extension of time, and gave an ultimatum for the Defendant to file the rebuttal expert report by 20 February 2024.

The Defendant's Counsel confirmed that the Defendant is not filing any rebuttal expert report. The Judge directed the parties to exchange witness statements on 8 April 2024, 6 weeks before the commencement of trial.

The Judge vacated the current trial dates fixed on 20, 21, 23, 24, 27, 28 May 2024 of its own volition, as the Judge has been directed to complete all part-heard cases pending in his Court before starting any new trials and directed the parties to file witness statements.

Exchange of witness statements on 18 April 2024 in compliance with the Court's directions. Bernard did not make any new allegations against the management of Gabungan in his witness statement, there is no further or new witness required at this juncture.

The Court vacated the current trial dates fixed on 16-18, 28-29 October 2024 and 11-13 November 2024 of its own volition, as the Judge is sitting on the Court of Appeal and has been directed not to start any new trial.

High Court Judge for Bernard's trial, YA Mohd Firuz bin Jaffril has been elevated to the Court of Appeal, and as a result, the trial dates in October and November 2024 were vacated.

The Court fixed new trial on 10-21 November 2025.

2. 3rd Defendant;
3. 4th to 6th Defendants and 11th Defendant; and
4. 9th and 10th Defendants,
(collectively the "Striking Out Applications")

The 1st Defendant applied for a Determination of Question of Law under Order 14A of the Rules of Court, 2021 on 19 March 2021 ("Order 14A Application").

The Striking Out Applications and Order 14A Application were heard before the Kuala Lumpur High Court Judge on 17 August 2021. The Judge reserved his decision to be delivered on 18 October 2021.

On 18 October 2021, the Judicial Commissioner allowed the 1st Defendant's Order 14A Application and proceeded to dismiss GSSB's claim against the 1st Defendant with costs of RM7,000-00 awarded against GSSB.

The Judge also allowed in part the Striking Out Applications, struck out GSSB's claims against the Defendants founded in negligence and ordered GSSB's claims against the Defendants founded in contract to be tried. In summary, the decision resulted in:

- i) GSSB's claims against the 2nd Defendant (Jurutera Perunding Primareka) to be wholly struck out with costs of RM7,000-00 awarded against GSSB; and
- ii) GSSB's claim against the employee defendants (3rd to 6th and 9th 11th Defendants) to be struck out in part, with costs in the cause. GSSB's claims against the employee defendants that are founded in contract were ordered to be tried.

GSSB appealed to the Court of Appeal against the aforesaid decisions. Furthermore, each employee defendant appealed to the Court of Appeal against the High Court decision to not allow their striking out applications in full. On 12 January 2022, the Court of Appeal directed GSSB's and the employee defendants' appeals, arising from the High Court 18 October 2021 decision to be heard together.

Based on the hearing fixed on 27 June 2023, the Court of Appeal unanimously ruled in favor of GSSB, resolving all 8 appeals and the suit will proceed for trial at the High Court. At this juncture, costs of RM50,000 were awarded to GSSB.

During case management on 8 March 2024, the Judge struck out the General Discovery Application with no order as to costs and directed the defendants to file applications for leave to issue Third Party Notices by 15 April 2024. GSSB was instructed to contact the Director General of Insolvency ("DGI") regarding a defense for 8th Defendant. GSSB proceeds to enter a Judgment in Default against 7th Defendant for his failure to enter appearance until to date.

Following case management on 16 April 2024, DGI appeared before the Judge, and informed they had written to request 8th Defendant to file his defense but received no response. GSSB requested the Judge to enter Judgement in Default of Defence against 8th Defendant.

On 7 May 2024, the Court entered the Judgement in Default of Defence against 8th Defendant during case management before the Registrar.

B9. Material litigation (continued)

During the case management on 6 June 2024, the 3rd Defendant, 4th to 6th Defendants and 11th Defendant have filed applications to seek the Court's directions on the third-party proceedings against Sanubari Cekal. The Registrar has directed those Defendants to file their respective applications on or before 20 June 2024.

Following the e-review case management on 21 June 2024, the Registrar has fixed a case management before the Judge on 18 July 2024 to deal with all the Defendants' applications for directions on the third party proceedings against Sanubari Cekal.
