QUARTERLY REPORT ON CONSOLIDATED RESULTS
FOR THE SECOND QUARTER ENDED 31 DECEMBER 2018

A. NOTES TO THE INTERIM FINANCIAL REPORT

A1. Basis of Preparation

The interim financial report of China Automobile Parts Holdings Limited (“CAP”) and its subsidiaries (“Group”) is unaudited and has been prepared after derecognised its subsidiaries, namely China Automobile Parts (Hong Kong) Holdings Limited (“CAP HK”) and QuanZhou FenSun Automobile Parts Co, Limited (“FenSun”). The results of subsidiary companies are derecognised in the consolidation group accounts during the financial period ended 30 June 2017 due to the loss of control in operations of the respective subsidiaries.

Subsequent to the financial year ended 31 December 2015, Messrs PKF, its external auditors had discovered the following :-

- (i) various material litigation involving the Group and FenSun and its directors in the People’s Republic of China (“PRC”). These include judgement issued against FenSun and its directors on 11 July 2016 and 21 November 2016 by People’s Court of Jinjiang City in Fujian on outstanding borrowings, inclusive of interest, at an estimated sum of RMB52.8 million owing to the Agricultural Bank of China (“ABOC”). The case was referred to the Fujian Higher People’s Court and judgement was obtained on 1 November 2016, reinforcing the earlier judgement by the People’s Court of Jinjiang City in Fujian;
- (ii) various other litigation involving FenSun, whether at trial or enforcement stage, carrying potential liabilities amounting up to a sum not less than RM263.0 million (including the sum owed to ABOC as stated in (i) above owing to various parties; and
- (iii) the financial institution has exercised its security on bank credit facilities granted to FenSun and placed under auction, the Group’s building and land use rights on 31 March 2017, with carrying values of RMB129.2 million and RMB12.08 million respectively. The building represents FenSun’s primary factory, warehouse, staff quarters and administration office.

The Directors are unable to determine and work out any plan on how the operations of the Group will continue in view of the auction.

In view of the occurrence of events stated in Section (i) to (iii), it indicates that CAP ceased to have a controlling financial interest on FenSun and CAP HK due to FenSun’s default of bank borrowings owed to several financial institutions. Hence, CAP has derecognised the financial results of both CAP HK and FenSun during the financial period ended 30 June 2017.

On 11 January 2018 (“Trigger Date”), CAP was classified as an Affected Listed Issuer pursuant to paragraph 2.1(d) of Practice Note 17 (“PN17”) of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad (“Bursa Securities”) (“Listing Requirements”), as based on the re-issued audited consolidated financial statements for the financial year ended (“FYE”) 31 December 2015 (“AFS 2015”), the auditors have expressed a disclaimer of opinion in the AFS 2015.

Pursuant to PN17 of the Listing Requirements, the Company is required to, amongst others, regularise its condition and submit a regularisation plan to the relevant authorities for their approval by 10 January 2019, i.e. 12 months from the Trigger Date. Bursa Securities had granted CAP extension of time from 11 January 2019 to 10 July 2020 to submit its regularisation plan to the regulatory authorities via its letters of approval dated 15 February 2019, 8 August 2019 and 4 March 2020.

The interim financial report should be read in conjunction with the audited financial statements for the financial year ended 31 December 2015 and the accompanying explanatory notes attached herein. The explanatory notes provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Group since the financial year ended 30 June 2018. The interim financial report is also prepared on the going concern basis.

The accounting policies and methods of computation adopted in the interim financial report are consistent with those adopted in the audited financial statements for the financial year ended 31 December 2015 except for the changes in accounting policies resulting from the adoption of the applicable new and revised IFRSs that were effective for the financial periods commencing on or after 1 January 2016.

A. NOTES TO THE INTERIM FINANCIAL REPORT
