### 2.1 Adoption of MFRSs, Amendments to MFRSs and IC Interpretations

The accounting policies adopted are consistent with those of the previous financial year except for the following Standards, Amendments to Standards and Issues Committee ("IC") Interpretation which are mandatory for annual financial periods beginning on or after 1 January 2019 and which were adopted by the Group on 1 January 2019.

#### MFRS 16 Leases

IC Interpretation 23 Uncertainty over Income Tax Treatments

Amendments to MFRS 128 Long-term Interests In Associates and Joint Ventures

Amendments to MFRS 9 Prepayment Features with Negative Compensation

Amendments to MFRS 119 Plan Amendment, Curtailment or Settlement

Amendments to MFRS 3, Business Combinations

Amendments to MFRS 112, Income Taxes

Amendments to MFRS 123, Borrowing Costs

Annual improvements to MFRS Standards 2015-2017 Cycle

The adoption of the above pronouncements did not have any material impact to the current and prior period financial statements of the Group except as discussed below:

# Explanatory Notes Pursuant to MFRS 134 For the period ended 31 March 2019

## 2. Changes in accounting policies (cont'd.)

### 2.1 Adoption of MFRSs, Amendments to MFRSs and IC Interpretations (cont'd.)

#### MFRS 16 Leases

MFRS 16 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-balance sheet model, similar to the accounting for finance leases under MFRS 117. The standard will supersede MFRS 117 Leases, IC Interpretation 4 Determining whether an Arrangement contains a Lease, IC Interpretation 115 Operating Lease-incentives and IC Interpretation 127 Evaluating the Substance of Transactions Involving the Legal Form of a Lease.

#### (i) Lessee

At the commencement date of a lease, a lessee will recognise a liability to make lease payments and an asset representing the right to use the underlying asset during the lease term. Subsequently, lessees will be required to recognise interest expense on the lease liability and the depreciation expense on the right-of-use asset.

#### (ii) Lessor

Lessor accounting under MFRS 16 is substantially the same as the accounting under MFRS 117. Lessors will continue to classify all leases using the same classification principle as in MFRS 117 and distinguish between two types of leases: operating and finance leases.

The standard is effective for annual periods beginning on or after 1 January 2019. Early application is permitted but not before an entity applies MFRS 15. A lessee can choose to apply the standard using either a full retrospective or a modified retrospective approach.

The Group has adopted MFRS 16 for the first time as of 1 January 2019, using the modified retrospective approach, whereby comparative information is not required to be restated. In line with the practical expedient allowed under MFRS 16, the Group has elected to apply the standard to contracts that were previously identified as leases applying MFRS 117 and IC Interpretation 4. Therefore, the Group did not apply the standard to contracts that were not previously identified as containing a lease when applying MFRS 117 and IC Interpretation 4.

The Group has elected to use the exemptions proposed by the standard on lease contracts for which the lease terms ends within 12 months as of the date of initial application, and lease contracts for which the underlying asset is of low value. The Group has leases of certain office equipment (i.e., personal computers, printing and photocopying machines) that are considered of low value.

On transition to MFRS 16, the Group recognised lease liabilities and right-of-use assets of approximately RM4,126,000 as at 1 January 2019.

Explanatory Notes Pursuant to MFRS 134 For the period ended 31 March 2019

### 2.2 Standards issued but not yet effective

The following are Amendments to Standards issued by the MASB, but not yet effective, up to the date of issuance of the Group's interim financial statements. The Group intends to adopt these Amendments to Standards, if applicable, when they become effective:

Effective for annual periods beginning on or after

**Description** 

Amendments to MFRS 3 Business Combinations - Definition of a business 1 January 2020 Amendments to MFRS 101 Presentation of financial statements and MFRS 108

Accounting policies, changes in accounting estimates and errors

- Definition of material 1 January 2020

Amendments to References to the Conceptual Framework in MFRS Standards 1 January 2020 MFRS 17 *Insurance Contracts* 1 January 2021

Amendments to MFRS 10 Consolidated Financial Statements

To be announced by MASB

The directors expect that the adoption of the above pronouncements will have no material impact to the financial statements of the Group in the period of initial application except for those discussed below:

#### MFRS 17 Insurance Contracts

On 15 August 2017, MASB issued MFRS 17, a comprehensive new accounting standard for insurance contracts covering recognition and measurement, presentation and disclosure. Once effective, MFRS 17 will replace MFRS 4 *Insurance Contracts* that was issued in 2011. MFRS 17 applies to all types of insurance contracts (i.e., life, non-life, direct insurance and reinsurance), regardless of the type of entities that issue them, as well as to certain guarantees and financial instruments with discretionary participation features. A few scope exceptions will apply. The overall objective of MFRS 17 is to provide an accounting model for insurance contracts that is more useful and consistent for insurers. In contrast to the requirements in MFRS 4, which are largely based on grandfathering previous local accounting policies, MFRS 17 provides a comprehensive model for insurance contracts, covering all relevant accounting aspects. The core of MFRS 17 is the general model, supplemented by:

- A specific adaptation for contracts with direct participation features (the variable fee approach) which is not applicable to the Group's contracts; and
- A simplified approach (the premium allocation approach), mainly for short-duration

MFRS 17 is effective for reporting periods beginning on or after 1 January 2021, with the option to apply a full retrospective, modified retrospective or fair value approach on transition. Early application is permitted, provided the entity also applies MFRS 9 and MFRS 15 on or before the date it first applies MFRS 17.

### 2. Changes in accounting policies (cont'd.)

### MFRS 17 Insurance Contracts (cont'd.)

The Group has completed the assessment of the operational impacts for adopting MFRS 17 and intends to assess the financial impacts in the financial year ending 2019.

On 14 November 2018, the IASB tentatively decided to propose an amendment to the effective date of IFRS 17 to reporting periods beginning on or after 1 January 2022. The proposed deferral is subject to public consultation, which is expected by end of 2019.

# 12. Fair value measurement

The Group uses the following hierarchy for determining and disclosing the fair values of financial instruments by valuation techniques:

- Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities
- Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly
- Level 3: Techniques which use inputs which have a significant effect on the recorded fair value that are not based on observable market data

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between Levels in the hierarchy by reassessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The following table provides an analysis of assets measured and/or disclosed at fair value on a recurring basis in accordance with the fair value hierarchy:

# (a) Update to the Malaysian Competition Commission ("MyCC")'s Proposed Decision against PIAM and its 22 members

On 22 February 2017, the general insurance subsidiary, Tune Insurance Malaysia Berhad ("TIMB"), received a notice from the Malaysia Competition Commission ("MyCC") concerning a proposed preliminary decision ("Proposed Decision") which found that TIMB and 21 other general insurance companies in Malaysia who are members of the General Insurance Association of Malaysia ("PIAM") had purportedly infringed one of the prohibitions under the Competitions Act 2010 ("CA") in Malaysia.

The Proposed Decision by MyCC is pursuant to the investigation outcome in respect of the agreement entered into between PIAM and the Federation of Automobile Workshop Owners' Association of Malaysia ("FAWOAM") concerning the trade discount rates applicable to automobile parts for certain types of vehicles and agreed labour rates for PIAM Approved Repairer's Scheme workshops. On the directive of Bank Negara Malaysia, PIAM engaged with FAWOAM to resolve the issues concerning parts trade discounts and the hourly labour rates and subsequently approved the agreed rates via the issuance of a PIAM members' circular which was subsequently adopted by PIAM members including TIMB.

The Proposed Decision suggests a financial penalty of RM3,608,530 on the part of TIMB and a consolidated amount of RM213,454,814 on all the 22 members of PIAM. The Proposed Decision is not conclusive as PIAM members have been given the opportunity to make its written representations with the MyCC to defend its positions. On 5 April 2017, TIMB filed its written representations with the MyCC to defend its position. On 29 January 2018, TIMB, represented by its legal counsels made its oral representations to the MyCC to further fortify its written representations.

On 8 November 2018, the legal counsel of PIAM requested for a new oral hearing so as to provide further clarification that the new Chairman of MyCC may have prior to the finalisation of any decisions.

On 21 February 2019, the counsel for PIAM made their oral representations to the MyCC Commissioners and it was treated as a de novo hearing, i.e. fresh hearing from the beginning. All previous submissions of counsels of the insurers were allowed to be adopted and will form part of the record of evidence. This matter is fixed for further oral representations on 13 and 14 May 2019 and 17 and 18 June 2019. TIMB's legal counsel will be making their representations during the June 2019 session.

TIMB in consultation with its legal counsel, will take all necessary and appropriate actions to defend its position that it has not infringed Section 4(2) of the CA and at all times maintain that TIMB acted in accordance with the directives issued.

As at the authorisation date of the financial statements, there have been no further developments on this matter.

### (b) Tax dispute with the Lembaga Hasil Dalam Negeri ("LHDN")

On 20 December 2018, TIMB received Notice of Additional Assessment (Form JA) from the Lembaga Hasil Dalam Negeri ("LHDN") in respect of Years of Assessment ("YA") 2013 to 2015, wherein a sum of RM11.1 million of additional taxes and penalties was sought by the LHDN.

TIMB is of the view given legal advice received that out of the RM11.1 million of additional taxes and penalties levied by the LHDN, RM10.7 million, being the disputed additional tax and penalties, is open to challenge and has hence, engaged tax solicitors to assist in challenging the said disputed additional tax and penalties imposed by the LHDN.

On 11 January 2019, TIMB filed an Affidavit to the High Court of Malaya ("High Court") to apply for a judicial review against LHDN's assessments. On 23 May 2019, the High Court granted TIMB's application for judicial review with cost of RM5,000. The High Court ordered for the Notice of Assessment from LHDN be amended to allow the deduction of PRAD expenses and dismissed the penalty imposed in relation to this issue. The High Court also granted a stay of proceedings against the payment of taxes on the other additional taxes and penalties levied by LHDN until the determination of the appeal before the Special Commissioners of Income Tax.

# (c) On-going litigation with a foreign reinsurer ("the Reinsurer")

TIMB is the reinsured under a Reinsurance Contract for an Extended Warranty Programme ("EWP") for various models of vehicles. The Reinsurer had failed to remit their share of payment for claims paid by TIMB under the EWP. Accordingly, TIMB has commenced legal action to recover certain amounts owed by the Reinsurer under the Reinsurance Contract through its appointed solicitors. As at 31 December 2018, the amount owed by the Reinsurer amounted to RM9,427,000 of which RM4,016,000 has been impaired.

On 29 January 2019, a writ of summon was filed with the High Court of Malaya, Kuala Lumpur ("High Court") to recover the non-disputed balances of RM2,822,000 from the Reinsurer. On 19 February 2019, the High Court granted leave to TIMB to proceed with the service of Notice of Writ to be served out of jurisdiction to the Reinsurer in Hong Kong. The matter is now fixed for case management on 3 April 2019 in Malaysia to enable the Defendant to enter an appearance. The Defendant entered an appearance on 2 April 2019 and at the case management on 3 April 2019, the Court fixed the matter for a further case management on 27 May 2019 to enable both parties to file their pleadings.
