On geographical segmentation, the Middle East region continued to be the highest revenue contributor for the Group at a regional level. Middle East contributed 64.0% of the overall revenue for the quarter or RM67.7 million. The revenue was mainly contributed from Qatar and followed by UAE. The revenue in the middle east reduced significantly as compared to the previous quarter mainly due to a reduction in the revenue in Qatar and the Kingdom of Saudi Arabia

Central and South Asia followed as the second major contributor by region to the Group's revenue, recording a total revenue of RM 25.0 million recorded from our activities in Turkmenistan.

Revenue in South East Asia dropped significantly due to a significant reduction in O&M activities in Malaysia and consequently a reduction in revenue by 76.2%.

B3. (a) Commentary on prospects

The Malaysian economy registered a strong growth of 7.0% in the fourth quarter of 2022. The high growth was underpinned by continued expansion in domestic demand, continuous investment activity and resilient demand for E&E activities and recovery in the tourism sector. Furthermore, Inflation averaged at 3.3% during the quarter due to a variety of factors such as lower energy inflation and the easing of global commodity and food inflation. Core inflation however did offset some of the previous reductions in inflation. Overall headline inflation dropped from 4.5% to 3.9% in Quarter 3 2022 and Quarter 4 2022 respectively.

On a global economic outlook, global growth is forecasted to fall to 2.9 percent in 2023 but rise to 3.1 percent in 2024. The 2023 forecast is 0.2 percentage point higher than predicted in the October 2022 World Economic Outlook but below the historical average of 3.8 percent. Rising interest rates and the war in Ukraine continue to weigh on economic activity. China's recent reopening has paved the way for a faster-than-expected recovery. Global inflation is expected to fall to 6.6 percent in 2023 and 4.3 percent in 2024, still above pre-pandemic levels.

Global oil demand in 2022 is estimated to have grown by 2.5 mb/d, y-o-y, supported by solid economic activity from OECD and non-OECD countries other than China which saw a decline in its yearly oil requirements. However, the lifting of China's zero-COVID-19 policy in December 2022 is expected to support its oil demand in 2023. Meanwhile, the OECD is forecast to see somewhat slower oil demand increases this year, leading to forecast global oil demand growth in 2023 at 2.3 mb/d, y-o-y.

The Group expected to increase its clients base as vendor for OEMs due to the establishment of its integrated facilities especially in Bintulu, Pengerang and Pasir Gudang which will focus on oil & gas and power generation industries. The group is currently working on improving its financial position through a series of streamlining activities that will form a part of the company's regularisation plan. This will improve the company's position moving forward and will assist in easing the financial difficulties that the company is facing.

B3. (a) Commentary on prospects (cont'd)

The Board of Directors anticipates that the Group's operations will remain challenging going into 2023 due to the uncertainty of the global economy. The Group view that the O&M segment will remain its core competency and provide the fundamental of its operations. With the Group being classified as a PN17 company, the Board pledges to resolve the ongoing issue, including the restructuring and regularisation plan, in the best interests of stakeholders.

B9. Material Impairment of Assets

There is no material impairment of assets by the Group for the financial quarter/period 30th September 2022.

B10. Material litigation

Save as disclosed below, the Group is not engaged in any material litigation, claims or arbitration, either as plaintiff or defendant, and the Directors have no knowledge of any proceeding pending or threatened or of any facts likely to give rise to any proceedings which may materially and adversely affect the financial or business position of the Group as at the date of this report.

i) On 22.6.2021, the Company had filed a Writ of Summon ("WOS") together with the Statement of Claim ("SOC") at the High Court of Malaya at Shah Alam against KPMG PLT.

Apart from the amount claimed by the Company and the corresponding legal costs, the WOS together with the SOC are not expected to have any other material adverse financial impact on the Company for the financial period 30th September 2022. Both WOS and SOC are not expected to have any business and operational impacts on the Company.

The trial dates for KPMG have been fixed on 14th, 15th, 16th, 17th November 2022, 1st and 2nd December 2022. Further, on 3rd August 2022, KPMG had filed an application for security for costs against Serba Dinamik Holdings Berhad i.e. seeking SDHB to pay RM500,000.00 as security for this suit. Serba Dinamik Holdings Berhad had filed to oppose the application on 25.8.2022.

on 3.11.2021, the Company had filed an Originating Summons ("OS") at the High Court of Malaya at Kuala Lumpur against Bursa Malaysia Securities Berhad ("Bursa") to, inter alia, challenge the decision of Bursa to compel the Company to appoint Ernst & Young Consulting Sdn Bhd ("EY Consulting") as a special auditor pursuant to paragraph 2.24 of the Main Market Listing Requirement. EYC is not a registered auditor and therefore do not satisfy the meaning of "auditor" within the Main Market Listing Requirement and the Companies Act 2016. The Company further challenged Bursa's decision to suspend the trading of the securities of the Plaintif due to a purported non-compliance of Bursa's directive.

The OS was dismissed by the High Court of Malaya with costs awarded to Bursa. The Company filed an appeal against the said decision. On 20 December 2022, the Company announced that the Company has withdrawn the appeal without costs.

B10. Material litigation (Cont'd)

iii) On 5.11.2021, the Company had filed an OS at the High Court of Malaya at Kuala Lumpur against Ernst & Young Consulting Sdn Bhd ("EY Consulting") to seek a declaration that the appointment of EY Consulting as the special auditor of the Company is null and void.

The OS has been dismissed by the High Court of Malaya with costs awarded to EY Consulting. The Company has filed an appeal against the said decisions and the matter is now pending before the Court of Appeal.

Apart from the costs which may be awarded to EY Consulting and the corresponding legal costs, the appeal is not expected to have any other material financial impact on the Company for the financial period 31s December 2022. The appeals are not expected to have any business and operational impacts on the Company.

iv) On 23.11.2021, Bursa filed an Originating Summons at the High Court of Malaya at Kuala Lumpur against the Company to compel the Company to announce a material which was prepared by EY Consulting. EY Consulting has not signed off the material till to-date. It is the Company's contention, inter alia, that the Company is not in the position to announce a third-party material.

The OS was allowed by the High Court of Malaya with costs awarded to Bursa. The Company filed an appeal against the said decision. On 20 December 2022, the Company announced that the Company has withdrawn the appeal without costs.

B10. Material litigation (Cont'd)

v) On 26.4.2022, HSBC Amanah Malaysia Berhad, AmBank Islamic Berhad, Bank Islam Malaysia Berhad, MIDF Amanah Investment Bank Berhad, Standard Chartered Saadiq Berhad and United Overseas Bank (Malaysia) Bhd (collectively, "Syndicated Financiers") filed a winding up petition against the Company together with its wholly-owned subsidiaries, Serba Dinamik Group Berhad ("SDGB") and its wholly-owned subsidiaries, Serba Dinamik Sdn Bhd ("SDSB") and Serba Dinamik International Ltd ("SDIL") (SDGB, SDSB, SDIL are referred as "SD Subsidiaries") (collectively, "Winding Up Petitions". The Syndicated Financiers filed a summon in chambers to seek an appointment of Victor Saw Seng Kee of PricewaterhouseCoopers Advisory Services Sdn Bhd as the interim liquidator of the Company and SD Subsidiaries.

On 23.8.2022, it is the contention of the Syndicated Financiers that the Company is in breach of one of the terms of the consent order for failing to make payment on or before 12.8.2022. The High Court of Malaya allowed appointment of Victor Saw Seng Kee of PricewaterhouseCoopers Advisory Services Sdn Bhd as the interim liquidator of the Company, SDGB, SDSB and SDIL with cost.

On 6.1.2023, the Company applied for an adjournment of the hearing of the Winding Up Petitions on, amongst others, the basis that there was a proposed sale within the group of the Company that would be able to fetch a significant sale consideration.

On 10.1.2023, the High Court of Malaya entered a winding up Order against the Company and SD Subsidiaries, thereby dismissing the Company's application to adjourn the hearing of the Winding Up Petitions ("**HC 10.1.2023 Decisions**").

On 11.1.2023, the Company and SD Subsidiaries appealed against the HC 10.1.2023 Decisions.

On 27.1.2023, the Company and SD Subsidiaries filed an application to stay the execution of the Winding Up Order pending the appeals against the HC 10.1.2023 Decision.

On 10.2.2023, the High Court of Malaya allowed an Ad-Interim Stay of the Winding Up Order and Victor Saw Seng Kee of PricewaterhouseCoopers Advisory Services Sdn Bhd was re-appointed as the Interim Liquidator. The stay application was heard on 6.3.2023 and the decision was fixed on 16.3.2023.

B10. Material litigation (Cont'd)

vi) On 29.4.2022, Malaysia Trustees Berhad filed a Writ Summon at the High Court of Malaya at Kuala Lumpur against the Company for, inter alia, an order that the Company pays to Malaysian Trustee Berhad a sum of RM100,000,000.00 being the total outstanding amount under the relevant ICPs.

The matter is now pending before the High Court.

viii) On 13.5.2022, the Company's wholly owned subsidiaries, Serba Dinamik Group Berhad ("SDGB") and its wholly-owned subsidiaries, Serba Dinamik Sdn Bhd ("SDSB") Serba Dinamik Development Sdn Bhd ("SD Dev") and SD Controls Sdn Bhd ("SD Controls") (SDGB, SDSB, SD Development and SD Controls are referred to as "SD Subsidiaries") filed an application under section 366 of the Companies Act 2016 to seek leave to convene a court-convened meeting of its creditors and for a restraining order to be granted over the SD Subsidiaries. Datuk Abdul Kadier Sahib, being a member of the Company, has also filed an application under section 366 of the Companies Act 2016 to seek leave for the Company to convene a court-convened meeting of its creditors, collectively ("Scheme Applications").

The Company and SD Subsidiaries have identified some assets for immediate sale to generate the cash flows required to the group liabilities. The Company and its subsidiaries would require a court-convened meeting of its creditors to consider and if thought fit, to approve a scheme of arrangement to be proposed between the Company and its creditors to restructure the debt obligations of the Company and its subsidiaries.

On 10.6.2022, the Company and SD Subsidiaries entered into a Consent Order with, amongst others, Syndicated Financiers to regulate the terms towards holding of the court convened meeting and the proposed scheme of arrangement. The Winding Up Petitions are stayed pending due compliance of the Scheme Applications.

The court convened meeting was held on 25.7.2022 and the proposed scheme of arrangement was approved by the requisite majority of creditors.

On 30.7.2022, the Company and SD Subsidiaries filed an application to seek sanction from the Court for the approved scheme of arrangement to be binding upon the Company, SD Subsidiaries and its respective scheme creditors.

B10. Material litigation (Cont'd)

On 8.8.2022, Hong Kong and Shanghai Banking Corporation Limited ("HSBC Ltd") who act as Delegate of the holders of the 2022 Certificates and 2025 Certificates filed an application to intervene in the Company's application for sanction. The 2022 Certificates and 2025 Certificates was issued by SD International Sukuk Limited I and SD International Sukuk Limited II respectively. SDHB acts as a corporate guarantor to both 2022 Certificates and 2025 Certificates with aggregate value of around USD 500million.

Due to intervention of HSBC Ltd, the hearing of the Company's application for sanction has been adjourned several times and was eventually withdrawn on 9.11.2022.

On 11.8.2022, the High Court granted sanction for the approved scheme of arrangement of SD Subsidiaries.
