## **B. ADDITIONAL INFORMATION REQUIRED BY THE MAIN MARKET LISTING REQUIREMENTS OF BURSA MALAYSIA SECURITIES BERHAD**

### **B1. Review of Group Performance**

#### **(a) Performance of the current quarter against the same quarter in the preceding year (2Q 2017 vs. 2Q 2016)**

Revenue for the Group for 2Q 2017 was RM0.04 million, which is 72.6% lower than the RM0.14 million reported in 2Q 2016. Gross loss for 2Q 2017 was RM1.18 million. The Group recorded a loss before tax (“LBT”) of RM23.84 million for 2Q 2017, which is 60.1% lower than the RM59.77 million reported for 2Q 2016.

The Group’s revenue for 2Q 2017 arose from fees for marketing services rendered by a subsidiary to the Group’s joint venture in respect of property sales of its projects in the United Kingdom.

Revenue and profits associated with the Group’s property development activities will be recognised by its subsidiary and joint venture when the construction of the relevant units are completed and delivered beginning in the 1<sup>st</sup> half of 2018.

The lower LBT incurred for 2Q 2017 was mainly due to unrealised foreign exchange differences as a result of an appreciation in exchange rate of the British Pound (“GBP”) in the current quarter.

#### **(b) Performance of the current period to-date against the same period in the preceding year (2Q PTD 2017 vs. 2Q PTD 2016)**

During the 6 months ended 30 April 2017, the Group recorded revenue of RM0.36 million, which is 71.7% higher than the RM0.21 million reported for the 6 months ended 30 April 2016. Gross loss for the current financial period was RM2.31 million. The Group recorded a loss before tax (“LBT”) of RM29.32 million in the current financial period, which is 75.1% lower than RM117.60 million reported for the 6 months ended 30 April 2016.

The source of revenue and reason for the lower LBT incurred in the current financial period are mentioned above.

### **B2. Material Changes in the Quarterly Results compared to the Results of the Preceding Quarter**

The Group’s current quarter revenue was RM0.04 million, which is RM0.29 million lower than the preceding quarter ended 31 January 2017. The Group’s current quarter LBT was RM23.84 million, which is RM18.36 million higher than the preceding quarter ended 31 January 2017.

The higher LBT incurred in the current financial period was mainly due to lower unrealised foreign exchange gain recorded as a result of lower appreciation in foreign exchange rate of the GBP in the current quarter and higher administrative expenses incurred in relation to the completion of the IPO.

### B3. Prospects for the Current Financial Year

The Group continued to record steady sales, with RM1,051.4 million locked-in during the 1<sup>st</sup> half of FY2017. As at 31 May 2017, total sales achieved in FY2017 amounted to RM1,132 million - this brings total cumulative sales as at 31 May 2017 up to RM6,738 million. The sales secured are expected to deliver revenues (to the relevant entities developing these projects) of which about RM5,932.6 million<sup>(1)</sup> (GBP1,084.6 million) are from the projects in the United Kingdom and about RM805.4 million<sup>(1)</sup> (AUD253 million) is from the project in Australia.

Interest in all three of EWI's projects in the United Kingdom remain healthy bolstered by good construction progress on site and positive developments in the surrounding areas where the projects are located. London City Island also won four notable awards during the year, namely the *Best New Place to Live* (London Planning Awards), *Development of the Year* (RESI Awards), *Grand Prix Award & Best Regeneration Project* (London Evening Standard) and *Residential Development Award* (Wharf Property). These prestigious awards have further enhanced the project's positioning as the cultural heart of East London which is fast becoming a residential address of choice for savvy young Londoners and investors alike.

The Group's plans for the 2<sup>nd</sup> half of FY2017 include completion of the proposed acquisition of 80% of the issued share capital in Eco World-Salcon Y1 Pty Ltd (formerly known as Salcon Development (Australia) Pty Ltd) ("EW-Salcon") which is disclosed below in Note B6 (a)(i).

EW-Salcon will be undertaking the development of about 2,128 square metres of freehold land at 16-22, Claremont Street, South Yarra, Victoria, 3141 Australia into a residential-led mixed use development ("Yarra One"). Yarra One comprises a 27-storey tower with 268 residential units complemented by a retail and office podium with the potential to deliver about AUD243.5 million in GDV.

Upon completion of the acquisition of EW-Salcon, sales from Yarra One is expected to contribute towards the achievement of the Group's overall sales target for FY2017 of RM2.5 billion which is approximately 11% higher than the sales achieved in FY2016 of RM2.252 billion.

In addition to the above, the Group will continue to seek out well located development sites in its three main target cities of London, Sydney and Melbourne where it has established a strong track-record and customer following to replenish its landbank. This is in line with its corporate objective of building up a well-diversified property portfolio with a good spread of projects at various stages of development and price points to ensure both business sustainability and broad market appeal.

However, in the event that the potential exercise of the Warrants gives rise to an anti-dilutive effect on earnings per share, the potential exercise of the Warrants is not taken into account in calculating diluted earnings per share.
