E. EXPLANATORY NOTES

(Amounts in RM million unless otherwise stated)

1) BASIS OF PREPARATION

These condensed interim financial statements of the Group have been prepared in accordance with the reporting requirements as set out in Malaysian Financial Reporting Standards ('MFRS') 134 'Interim Financial Reporting', International Accounting Standards ('IAS') 34 'Interim Financial Reporting' and paragraph 9.22 and Appendix 9B of the Listing Requirements of Bursa Malaysia Securities Berhad, and should be read in conjunction with the Group's audited financial statements for the financial year ended 31 December 2018.

The explanatory notes attached to the interim financial statements provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Group since the financial year ended 31 December 2018.

2) AUDIT QUALIFICATION

The audited financial statements for the financial year ended 31 December 2018 were not subject to any qualification.

3) CHANGES IN ACCOUNTING POLICIES

The accounting policies applied are consistent with those adopted for the financial statements for the financial year ended 31 December 2018.

New standards, amendments to standards and IC Interpretations that are applicable and effective to the Group beginning 1 January 2019:

- MFRS 16 'Leases'
- Amendments to MFRS 3 'Business Combinations'
- Amendments to MFRS 9 'Financial Instruments'
- Amendments to MFRS 11 'Joint Arrangements'
- Amendments to MFRS 112 'Income Taxes'
- Amendments to MFRS 119 'Employee Benefits'
- Amendments to MFRS 123 'Borrowing Costs'
- Amendments to MFRS 128 'Investment in Associates and Joint Ventures'
- IC Interpretation 23 'Uncertainty over Income Tax Treatments'

Except for MFRS 16, the adoption of the revised standards and amendments to standards do not have any significant impact to the unaudited condensed consolidated financial statements upon their initial application.

MFRS 16 'Leases' ('MFRS 16')

The new MFRS 16, which replaces MFRS 117 'Leases' ('MFRS 117') and IC Interpretation 4 'Determining whether an Arrangement contains a Lease' ('IC 4') introduces a new model for lessee accounting and makes some improvements to the current MFRS 117.

As a result of the adoption of MFRS 16, the existing requirements for a lessee to distinguish between finance leases and operating leases under MFRS 117 are no longer required. This standard introduces a single, on-balance sheet lease accounting model for lessees. A lessee recognises a right-of-use ('ROU') asset representing its right to use the underlying asset and a lease liability representing its obligations to make lease payments. ROU asset is depreciated throughout the lease period in accordance with the depreciation requirements of MFRS 116 'Property, Plant and Equipment' ('MFRS 116') whereas lease liability is accreted to reflect interest and is reduced to reflect payments made.

MFRS 16 'Leases' ('MFRS 16') (continued)

For a lessor, MFRS 16 continues to allow the lessor to classify leases as either operating leases or finance leases and to account for these two types of leases differently.

The Group applies the new standard retrospectively from 1 January 2019, with the practical expedients permitted under the standard and comparatives are not restated. The lease liability is discounted using the Group's incremental borrowing rate which is the Group's weighted average cost of borrowing of 4.98%.

The contract of Power Purchase Agreement has significantly impact the Group's financial position, as those contracts were previously recognised as operating leases and are finance lease under MFRS 16.

The Group will refine the adjustments from the adoption of MFRS 16 as facts and circumstances evolve during the financial year.

Impact of adoption of new standard

Arising from the adoption of MFRS 16, the condensed financial statements for the previous financial year has been changed as follows:

On 7 December 2016, the Company and the Inland Revenue Board ('IRB') entered into a consent judgement before the Kuala Lumpur High Court to substitute the judicial review proceedings with regard to the notices of additional assessment dated 23 November 2015 ('Notices') arising from the disallowance of the Company's reinvestment allowance ('RIA') claims by filing an appeal to the Special Commissioners of Income Tax ('SCIT'). The consent judgement also provides that the IRB will not commence any proceedings relating to the Notices until this matter is determined by the SCIT and by the High Court, if there is a subsequent appeal by either party. On 15 December 2016, the Company filed notices of appeal against the Notices to the SCIT according to Section 99(1) of the Income Tax Act 1967. The appeals have since been registered before the SCIT.
