In the first quarter ended 31 March 2011, Group revenue increased by 13% to RM112.643 million from RM99.632 million for the corresponding quarter ended 31 March 2010.

In tandem, Group profit before tax for the first three months of 2011 rose by 27% to RM27.450 million from RM21.608 million in 2010. Group profit attributable to shareholders of RM20.564 million for the period was 24% above that of RM16.616 million in the previous year.

The Group's financial results for the first quarter 2011 largely reflected the better operating performances across the Group's hotels and resorts in Kuala Lumpur and Penang, mostly due to good increases in occupancy levels.

Shangri-La Hotel Kuala Lumpur achieved revenue growth of 16% to RM38.646 million in the first three months of 2011, supported by higher business levels in both rooms and food and beverage operations. The hotel's occupancy grew to 69% from 54% in the previous year. For the period, the hotel produced a pre-tax profit of RM6.977 million compared with RM3.957 million in the first quarter 2010.

Revenue from Golden Sands Resort was up by 20% to RM12.091 million for the first quarter of 2011, with improvements in both occupancy and average room rates. Room occupancy at the resort rose from 50% to 59%, while the average room rate was 2% higher than 2010. The resort ended the quarter with a pre-tax profit of RM2.834 million as compared to RM0.968 million for 2010.

Results from Traders Hotel Penang during the first quarter 2011 benefited from a strong pick-up in corporate business. Overall, the hotel grew revenue by 30% to RM9.408 million and pre-tax profit improved from RM0.557 million in 2010 to RM2.142 million. The hotel's occupancy for the period was 89%, up significantly from 65% in the prior year quarter.

At Rasa Sayang Resort, an increase in leisure arrivals from its key markets enabled the resort to raise its occupancy level to 64% against 61% for the 2010 first quarter, leading to a rise of 11% in revenue to RM19.974 million. As a result, the resort's operating profit increased to RM5.343 million from RM4.641 million in the first quarter last year.

In Sabah, Rasa Ria Resort commenced a major renovation programme of its Garden Wing rooms in March 2011. Despite renovation disruptions, the resort managed to increase its revenue by 8% to RM25.949 million over the first quarter 2010 on a higher occupancy of 76% against 74% the previous year. However, the resort's pre-tax profit for the first quarter 2011 fell by 7% to RM8.104 million, which included a charge of RM1.118 million for certain asset write-offs relating to its renovation programme.

The investment properties of the Group reported a total combined rental revenue of RM5.115 million for the first quarter 2011, a drop of 14% from RM5.981 in 2010, and their combined pre-tax profit decreased to RM3.014 million from RM3.779 million the previous year.

For the three months to 31 March 2011, the Group's share of profit from Traders Hotel Yangon, its 23.53% associate hotel in Myanmar increased to RM0.390 million from RM0.118 million in the comparable quarter in 2010.

B2 Comparison of Group Results 1st Quarter 2011 vs 4th Quarter 2010

Group revenue for the first quarter ended 31 March 2011 grew to RM112.643 million compared with RM111.359 million in the fourth quarter ended 31 December 2010. The Group's pre-tax profit in the first quarter 2011 was RM27.450 million, up 39% from RM19.681 million for the fourth quarter 2010.

These improvements were attributable primarily to stronger revenue and profit contributions from Rasa Sayang Resort and Rasa Ria Resort, coupled with lower depreciation and interest expenses.

In the quarter under review, occupancy at Rasa Sayang Resort rose to 64% from 59% for the fourth quarter 2010, and this generated an overall 15% increase in revenue to RM19.974 million. For Rasa Ria Resort, occupancy improved to 76% from 70% in the fourth quarter 2010, with revenue up by 9% to RM25.949 million.

However, Golden Sands Resort saw occupancy drop to 59% from 70% in the fourth quarter 2010, resulting in an 8% fall in revenue to RM12.091 million. Both Shangri-La Hotel Kuala Lumpur and Traders Hotel Penang also recorded lower revenues compared with that for the fourth quarter 2010, mainly on account of reduced sales in food and beverage business. Revenues from Shangri-La Hotel Kuala Lumpur and Traders Hotel Penang fell by 4% and 3% over the 2010 fourth quarter to RM38.646 million and RM9.408 million respectively.

The combined rental revenue from the Group's investment properties in Kuala Lumpur for the first three months to 31 March 2011 decreased by 10% to RM5.115 million from RM5.654 million in the last quarter of 2010.

B3 **Prospects for 2011**

Looking forward, the prospects for the Group's hotel business look healthy.

The Group's hotels and resorts should continue to grow well as they are in a good position to take advantage of the expected continuing upturn in the business and leisure travel markets. Encouragingly, they are seeing the pace of demand growth from their major source markets in Europe starting to improve but the UK still remains slow.

At Rasa Ria Resort in Sabah, the major renovation work currently in progress for all the guestrooms in the Garden Wing will continue to have a negative effect on the financial performance of the resort, given the reduction in available rooms for sale. The renovation programme, which began in March 2011 is due to complete during the first quarter of 2012.

Overall demand in the property rental market in Kuala Lumpur is expected to stay fairly stable through the year, backed by a more positive economic climate, although occupancy and rental rates will remain under pressure due to the prevailing large amount of supply.
