2. Significant Accounting Policies (Cont'd.)

On 19 November, 2012, the Malaysian Accounting Standards Board ("MASB") issued a new MASB approved accounting framework, the Malaysian Financial Reporting Standards ("MFRS") Framework, a fully-IFRS compliant framework. Entities other than private entities shall apply the MFRS Framework for annual periods beginning on or after 1 January 2012, with the exception for Transitioning Entities ("TEs").

TEs, being entities within the scope of MFRS 141 *Agriculture* and/or IC Interpretation 15 *Agreements for the Construction of Real Estate*, including its parents, significant investors and venturers were given a transitional period of two years, which allow these entities an option to continue with the FRS Framework. Following the announcement by the MASB on 7 August, 2013, the transitional period for TEs has been extended for an additional year.

Accordingly, the Group and the Company, being TEs, have availed themselves of this transitional arrangement and will continue to apply FRSs in their next set of financial statements. Accordingly, the Group and the Company including certain subsidiary companies will be required to prepare its first set of MFRS financial statements when the MFRS Framework is mandated by MASB.

17. Commentary on Prospects

On 15th August 2014, Bank Negara Malaysia reported that the Malaysian economy registered a strong growth of 6.4% in the second quarter of 2014 (1Q 2014: 6.2%). For the year of 2014 as a whole, the economy is expected to remain on a steady growth path. Forecast by The Malaysian Institute of Economic Research was that domestic demand will continue powering the growth of the Malaysian economy. Strong external demand as experienced in the first quarter of 2014, together with high private investment growth will see that the growth forecast at 4.5% - 5.5% will be achieved. The Group is confident that its core activities of Property Development, Property Investment and Hospitality and Health will benefit from this positive growth. The global economic uncertainties, persistently high inflation rate and cost of living in the country couple with the upward adjustment in lending rate which will obviously push up debt servicing cost, are however causes for concern as these could dampen sentiments and affect demand in certain sectors.

The Property Development Division has a series of exciting projects in the pipeline for launching in 2014 and 2015, especially within the Mines Wellness City, which is poised to transform into Malaysia's premier Wellness City under the government's Economic Transformation Program (ETP). Amongst projects scheduled for launching in 2014 and 2015 are:-

PART B — Explanatory Notes Pursuant to Appendix 9B of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad

- · Sawtelle Suites, duplex condominium at Cyberjaya
- Belleza Garden Homes Phase 3 at Jitra, Kedah

The Hospitality Division faced stiff competitions in the market coupled with tragedies of MH370 and MH17 and the incidence of kidnapping in Sabah affecting the travel and hospitality industry. Nevertheless, the management seeks to implement new strategies and counter measures to stimulate revenues. In respect of the Health Division, Golden Horses Health Sanctuary ("GHHS") has been increasing its services and packages for international health tourists. This is a one-stop centre for wellness needs that infuses preventive methods. It is a place for wellbeing equipped with modern technology in a resort environment. The management is focusing on bringing new products launches on to the market to boost revenues.
