#### 17. Commentary on Prospects

While the group maintain its vision on its 4 key ventures that has been detailed previously, the impact of the COVID-19 pandemic has brought a change in the new norm in all aspects of our businesses and workplaces.

As a result of the already challenging financial landscape and the effects of the pandemic, the group suffered losses arising from cancelled/postponed reservations and events for the remaining year and this has forced some drastic changes in its ongoing operations. In an immediate response, the industry sees a surge in the logistic industry. Hence the Car City Center has offered its 150,000 sqft at the MIECC to be a warehouse and distribution space.
