The Group reported 27% and 89% higher revenue and PBT respectively when compared with immediate preceding financial quarter. The lower revenue and PBT recognised in preceding quarter arose from temporary shutdown then of the Group's business activities and operations in compliance with the full lockdown (MCO 3.0) nationwide from 1 June 2021 with extension to 28 June 2021 to curb the spread of the COVID-19 pandemic. On the same comparative basis, revenue and PBT from General Construction segment dropped by 61% and 84% respectively as the Group reduced external works to pursue growth in internal works in line with Group direction. Meanwhile, revenue and PBT of Oil Palm Cultivation segment increased by 28% and 51% respectively, due to higher crude palm oil prices and better harvesting during the reporting financial quarter.

B.3. Prospects for the Current Financial Year

The Group started the new financial year strong with revenue surging to RM76.92 million from RM60.74 million in the last financial quarter of FY2021 as we build on the growth momentum going forward. As of 30 November 2021, the Group has total unbilled sales stood at RM303.65 million which provide strong visibility of revenue and cashflow for the year under review.

During the quarter under review, the Group launched a few projects: a new phase comprising 72 bungalows in Taman Serai Wangi with gross development value ("GDV") of RM39.50 million and 17 single-storey terrace homes in Taman Bemban with GDV of RM2.80 million, both in northern region. In the central region, the Group launched its first condominium project in Cyberjaya; Myra Cove which consists of 700 units of lakefront condominium to be built in 2 phases. The GDV of phase 1 at RM125.60 million.

Strategic marketing initiatives leveraging on the Home Ownership Campaign ("HOC") resulted in 100% take-up rate for a few of our on-going projects such as Myra Gardens (Phase 1C) in Kundang as well as Myra Vista and Taman Seri Bestari 2 in Bandar Baru Salak Tinggi, Selangor. The Group also delivered vacant possession for 2 projects in the northern region, namely, 123 double-storey terrace homes in Taman Permaipura in Bedong, 66 double-storey terrace homes and 17 single-storey terrace homes in Taman Bemban in Baling, Kedah.

The Group continues to look out for land acquisition and joint venture opportunities to add to its current land banks of 1,848 acres. Given the strong numbers for unbilled sales in the near future, the Group is confident of delivering a strong performance in FY2022 and will continue its prudent business strategy to ensure sustainable growth.
