### **UNAUDITED INTERIM FINANCIAL STATEMENTS FOR THE FIRST QUARTER ENDED 31 MARCH 2015**

---

The Group plans to apply the abovementioned FRSs in the annual financial statements when they become effective and that the adoption of these Standards will have no material impact on the financial statements of the Group in the period of initial application.

#### **A2.3 Malaysian Financial Reporting Standards (“MFRS Framework”)**

On 19 November 2011, the Malaysian Accounting Standards Boards (“MASB”) issued a new MASB approved accounting framework, the Malaysian Financial Reporting Standards (MFRS Framework).

The MFRS Framework is to be applied by all Entities Other Than Private Entities for annual periods beginning on or after 1 January 2012, with the exception of entities that are within the scope of MFRS 141 Agriculture (MFRS 141) and IC Interpretation 15 Agreements for Construction of Real Estate (IC 15), including its parent, significant investor and venture (herein called “Transitioning Entities”).

On 7 August 2013, the MASB issued another announcement that Transitioning Entities would only be required to adopt the MFRS framework for the annual periods beginning on or after 1 January 2015. Subsequently, on 2 September 2014, MASB has further announced that Transitioning Entities shall be required to apply the MFRS Framework for annual periods beginning on or after 1 January 2017.

The Group falls within the scope definition of Transitioning Entities and have opted to defer adoption of the new MFRS Framework. Accordingly, the Group will be required to prepare financial statements using the MFRS Framework in its first MFRS financial statements for the year ending 31 December 2017. In presenting its first MFRS financial statements, the Group will be required to restate the comparative financial statements to amounts reflecting the application of MFRS Framework.

The Group is in the process of making its assessment of the financial effects of the differences between Financial Reporting Standards and accounting standards under the MFRS Framework. Accordingly, the consolidated financial performance and financial position as disclosed in these unaudited interim financial statements for the period ended 31 March 2015 could be different if prepared under the MFRS Framework.

The Group expects to be in a position to fully comply with the requirements of the MFRS Framework for the financial year ending 31 December 2017.

#### **A3 Audit report of preceding annual financial statements**

The audited financial statements for the financial year ended 31 December 2014 were not subject to any audit qualification.

### UNAUDITED INTERIM FINANCIAL STATEMENTS FOR THE FIRST QUARTER ENDED 31 MARCH 2015

---

Performance of the respective operating business segments for the first quarter ended 31 March 2015 as compared to the preceding year corresponding quarter is analysed as follows:-

1. Infrastructure and utilities

Revenue from infrastructure and utilities sector for the current quarter decreased from RM49.57 million to RM46.47 million and was due to several factors which included changes in the applied discount rate from 5.70% to 8.36% per annum for the settlement of concession receivable (IC 12) totalling RM2.05 million, lower construction revenue by RM0.20 million and lower sales of treated water by RM0.84 million.

The infrastructure and utilities sector registered a profit before tax of RM31.77 million as compared to a profit before tax of RM37.10 million in the corresponding quarter 2014. The decrease in profit was due to lower contribution of share of profits from associated companies by RM5.19 million during the current quarter.

2. Trading

The trading sector posted a profit before tax of RM2.12 million on the back of total revenue of RM16.09 million. On current quarter against corresponding quarter 2014 comparison, profit before tax for the current quarter was higher by RM0.70 million mainly due to higher sale of chemicals.

3. Hospitality

The hospitality sector registered lower revenue of RM3.58 million as compared to the corresponding quarter of 2014 amounting to RM5.81 million. The lower revenue was due to lower room revenue recorded by Quality Hotel City Centre (RM0.20 million) and Brisdale International Hotel Sdn Bhd (RM0.27 million) coupled with Quality Hotel Shah Alam (RM1.75 million) which had ceased operation with effect from 1 June 2014. The loss before tax for the hospitality sector for the current quarter was RM1.41 million as compared to a loss of RM1.72 million in the corresponding quarter of 2014.

4. Golf club and recreational facilities

There was no revenue from the golf club and recreational facilities as compared to RM1.76 million in the preceding year corresponding quarter of 2014 as the club had ceased operation with effect from 30 November 2014. The sector recorded a loss of RM0.49 million as compared to a loss of RM0.56 million in the corresponding quarter 2014.

5. Oil and gas

For the current quarter, NGC Energy Sdn Bhd has recorded a profit after tax of RM0.48 million (2014: profit of RM1.40 million). The Group's share of profit was RM0.19 million as compared to a share of profit of RM0.56 million for the corresponding quarter 2014. The lower profit recorded during the current quarter was mainly due to higher administrative cost and fair value adjustment on derivative.

6. Telecommunication

The Group's share of losses for the current quarter was RM1.29 million as compared to a loss of RM1.18 million for the corresponding quarter of 2014, an increase by RM0.11 million. Higher share of losses was mainly due to lower gross profit margin coupled with higher marketing costs.

In conjunction with the proposed restructuring of the water supply industry in the State of Selangor and Federal Territories of Kuala Lumpur and Putrajaya ("Proposed Water Restructuring"), Kumpulan Darul Ehsan Berhad ("KDEB") made certain offers to acquire the equity interest in the companies involved in the treatment, supply and distribution of water.

KDEB had on 20 June 2014, made an offer to the Company to purchase 90.83% equity in Titisan Modal (M) Sdn Bhd and the resolution of the RM150 million nominal amount Bai-Bithamin Ajil Islamic Debt Securities A ("BaIDS A") and RM50 million nominal amount Bai-Bithamin Ajil Islamic Debt Securities ("BaIDS B") both issued by Viable Chip (M) Sdn Bhd, a wholly owned subsidiary of the Company vide the assumption of such liabilities by KDEB ("Proposals"). convertible unsecured loan stocks held in Syarikat Bekalan Air Selangor Sdn Bhd for a total cash consideration of RM1,555.3 million.

Upon the successful completion of the Proposed Water Restructuring, the Group will move away from the water utilities sector and is currently seeking investment opportunities in other sectors to ensure continued sustainability of its business and operations.

#### 5. Oil and gas

Future outlook for the oil and gas sector will be challenging due to the continuous drop in contract price and weaker Ringgit Malaysia against the US Dollar. However, the Group remains confident in the long-term prospects of the oil and gas sector as the Group expects an increase in demand for liquefied petroleum gas in the domestic and commercial sectors over the next few years.

#### 6. Telecommunication

November 2012, the Court fixed 4 January 2013 for further mention of ABASS' application for interim payment.

On 14 December 2012, SYABAS served a Notice of Application dated 11 December 2012 to strike out Writ of Summon and Statement of Claim. SYABAS based their application on the ground that by virtue of a Deed of Assignment dated 23 August 2012 entered into between ABASS and Maybank Investment Bank Berhad (as Security Agent for Acqua SPV Sdn. Bhd), ABASS had absolutely and irrevocably assigned its right to receive payments from SYABAS, to Maybank Investment Bank Berhad. In view of that, SYABAS claimed that ABASS has no right title, or interest to make any claim against SYABAS. The Application was fixed for hearing on 4 January 2013.

On 4 January 2013, as the parties were still in the midst of exchanging their affidavits, the Court directed as follows:

- a) SYABAS to file its affidavit in-reply on or before 7 January 2013;
- b) ABASS to file its affidavit in-reply thereof (if any) on or before 14 January 2013; and
- c) Hearing of the SYABAS' striking out application and case management of ABASS' application for interim payment was fixed on 12 March 2013.

During the hearing of SYABAS' application to strike out ABASS' Writ of Summon and Statement of Claims and case management on 12 March 2013, the parties informed the Court that they had filed and exchanged their respective submissions in relation to the SYABAS' application and that the parties required some time to prepare a submission in-reply. Having heard this, the Court directed the parties to file and serve the respective submission in-reply on or before 18 March 2013 and hearing of SYABAS' application and Case Management for the main suit and ABASS; application for interim payment was fixed on 20 March 2013.

On 31 January 2013, the Court of Appeal dismissed the appeal made by SYABAS against the decision by the Court on 31 July 2012 allowing the Selangor State Government' application to set aside the 3rd Party Notice and Statement of Claim filed by SYABAS. SYABAS then on 20 February 2013 filed a notice of motion for leave to appeal to the Federal Court against the decision of the Court of Appeal. The motion for leave to appeal has been fixed for hearing on 28 August 2013.

On 19 March 2013, ABASS filed another Notice of Application to strike out SYABAS' early application to strike out Writ of Summon and Statement of Claim and also to strike out SYABAS' Statement of Defence and Counterclaim. In the application, ABASS also applied for stay of the whole proceeding pending disposal of its application. This ABASS' application was fixed for hearing on 20 March 2013. ABASS based the application on a ground that SYABAS is no longer having locus standi to defend the case and to proceed with the application to strike out ABASS' Writ of Summon and Statement of Claim due to an assignment has been given by SYABAS by reason of its bonds having been acquired Pengurusan Aset Air Berhad ("PAAB") as informed by PAAB in its letter to ABASS dated 14 March 2013.

During the hearing on 20 March 2013, the Court instructed parties to complete the exchange of affidavits on 28 March 2013 and a Case Management was fixed on 29 March 2013 for parties to revert to the Court whether to proceed with their striking out applications or to proceed only with the trial by way of preliminary issues as decided before.

During the case Management on 29 March 2013, ABASS' solicitors informed the Court that they had just been served with SYABAS' affidavit in-reply to oppose ABASS' application to strike out their application and defence in which SYABAS still refused to disclose the relevant assignment documents executed by them. In light of this development, ABASS' solicitors informed the Court that ABASS might file in another application for discovery of the assignment documents. In this connection, the Court directed ABASS to

file the notice of application for discovery of documents by 3 April 2013 and the hearing of the discovery application together with final Case Management was fixed on 17 April 2013.

- ii) SYABAS' and ABASS' striking out applications were fixed for Hearing on 24 April 2013.

On 17 April 2013, when the case was fixed for Hearing of ABASS' discovery application, the learned Judge informed the parties that her Ladyship had read the written submission of both parties and would require clarification on certain point of law. In this connection, the Court had fixed the case for Case Management of the main action, ABASS' application for interim payment, SYABAS' striking out application and ABASS' striking out and discovery application on 4 September 2013, pending the hearing of SYABAS' leave application at the Federal Court in regard to the 3rd Party Proceeding against the State Government of Selangor.
