Save for the implications discussed below, the initial adoption of the above FRSs, Amendment to FRSs and Interpretations do not have any material impact on the financial statements of the Group.

a) FRS 4, Insurance Contracts

The adoption of FRS 4 does not have any significant impact on the financial statements of the group other than expanded disclosure requirements. Certain comparative information has been restated to comply with FRS 4.

NOTES TO THE UNAUDITED INTERIM FINANCIAL STATEMENTS QUARTER ENDED 30 September 2011

b) FRS 8, Operating Segments

FRS 8 requires identification and reporting of operating segments based on internal reports that are regularly reviewed by the entity's chief operating decision maker in order to allocate resources to the segment and to assess its performance. The Group presents its segment information based on its business segments, which is also the basis of presenting its internal management reports. The basis of measurement of segment results, segment assets and liabilities are the same as basis of measurement for external reporting.

c) FRS 101, Presentation of Financial Statement

Prior to the adoption of the revised FRS101, the component of the financial statements presented consisted of a balance sheet, an income statement, a statement of changes in equity, revenue accounts and balance sheets of family takaful and general takaful funds, a cash flow statement and notes to the financial statements. With the adoption of the revised FRS101, the components of the interim financial statements presented consist of a statement of financial position, an income statement displaying components of profit or loss, a statement of comprehensive income, a statement of changes in equity, statements of comprehensive income and statements of financial position of family takaful and general takaful funds, a statement of cash flows and notes to the financial statements. All non-owner changes in equity that were presented in the statement of changes in equity are now included in the statement of comprehensive income as other comprehensive income. Consequently, components of comprehensive income are not presented in the statement of changes in equity.

d) FRS 139, Financial Instruments: Recognition and Measurement

The adoption of FRS 139 has resulted in changes to accounting policies relating to recognition and measurement of financial instruments. The accounting policies relating to these financial instruments change from 1 January 2011 shall be disclosed in the Group's annual financial statements.

FRS 139 is applied prospectively and its effect to the fair value reserves and retained earnings of the group and non company owner as at 1 January 2011 is as follows:

NOTES TO THE UNAUDITED INTERIM FINANCIAL STATEMENTS QUARTER ENDED 30 September 2011

13 Contingent Liabilities

There were no contingent liabilities as at the date of this report.

14 Review of Performance

For the 3rd quarter ended 30 September 2011, the Group generated Operating Revenue of RM408.9 million comprises RM360.0 million in gross contributions and RM48.9 million in investment income. During the financial period ended 30 September 2011, the Group recorded Operating Revenue of RM1,045.1 million comprises RM892.5 million in gross contribution and RM152.6 million in investment income. The gross contribution was mainly attributable to Family Takaful group business and General Takaful motor and fire class of business.

The surplus transfer in the quarter under review from Family Takaful revenue account was RM13.8 million whereas for the financial period ended 30 September 2011, surplus transfer was RM64.7 million mainly attributable to underwriting profit, investment income and realized gains on disposal of investment.

The surplus transfer from General Takaful revenue account was RM17.2 million for the quarter under review and RM58.2 million for the 9 months ended 30 September 2011, mainly attributable to underwriting profit, coupled with write back of allowance for doubtful debts and realized gains on disposal of investments.

For the quarter under review, the group recorded profit before zakat and taxation of RM10.1 million. During the financial period ended 30 September 2011, the group recorded profit before zakat and taxation of RM60.0 million mainly contributed by the surplus from Family Takaful and General Takaful and wakalah fee income.

15 Material Changes in the Quarterly Results Compared to the Results of the Preceding Financial Quarter

For the quarter under review, the profit before zakat and taxation registered RM 10.1 million which was lower than the preceding quarter of RM 21.8 million by RM11.7 million. The decrease was mainly attributable to lower surplus transfers from Family Takaful and General Takaful. The lower surplus transfers was due to higher reserving for Family Takaful group products and the impact of poor performance in the equity market.

16 Current Year Prospects

The Group and the Company are expected to increase their market share in the takaful industry by introducing new products, growth in the agency workforce for selling retail Family products and strategic tie-ups with Islamic Banks to market Banca takaful products.

17 Variance of actual profit from profit forecast or profit guarantee

The Group did not issue any profit forecast nor profit guarantee during the financial year under review.

NOTES TO THE UNAUDITED INTERIM FINANCIAL STATEMENTS QUARTER ENDED 30 September 2011

18 Taxation

The effective rate of taxation is higher than the statutory tax rate for the quarter and financial year to date mainly due to non deductible expenses in accordance with the Income Tax Act 1967.
