NOTES TO INTERIM FINANCIAL REPORTING

BURSA MALAYSIA LISTING REQUIREMENTS

1. Review of performance

For the second quarter ended 30 June 2005, the Group recorded a revenue of RM29.81 million as compared to RM24.01 million registered in the corresponding period of previous financial year. Profit before taxation achieved for the current quarter was RM0.54 million as compared to profit of RM9.87 million registered for the corresponding period of the previous financial year. Despite an increase in revenue, profit decreased due to a decline in CPO prices and a significant increase in the operational expenditure.

2. Comparison of results with the preceding quarter's

The profit before tax for the quarter under review of RM0.54 million declined from the immediate preceding quarter's profit before tax of RM1.96 million. The shortfall arose principally out of higher operating expenses incurred in the current quarter.

3. Prospects for the current financial year

The Directors are of the opinion that the Group's operating results for the current financial year could be lower than the preceding year's results due partly to the weaker palm oil prices and also the significant increase in operational expenses as stated above.

4. Variance of actual profit from forecast profit

The Group has not issued any profit forecast in a public document for the year under review.

5. Taxation

	Current Year Quarter 30.6.2005 RM'000	Current Year To date 30.6.2005 RM'000
Current tax expense	(1,638)	(3,436)
Deferred tax	201	402
	<u>(1,437)</u>	<u>(3,034)</u>

The effective tax rate of the Group for the current quarter was higher than the statutory tax rate as a result of the adoption of 2005 estimated tax payable (ETP) submitted to the Inland Revenue Board (IRB) in November 2004, which was based on year 2004 revised ETP. The Group has revised the 2005 ETP for certain companies in June 2005 as allowed by the IRB. The second and final review of the ETP will be carried out in September 2005.

6. Unquoted securities and / or properties

There is no sale of unquoted investments and/or properties for the financial quarter under review.
