PART A - Explanatory notes pursuant to FRS 134

A1. Basis of preparation

The interim financial statements are unaudited and have been prepared in accordance with the requirements of FRS 134: Interim Financial Reporting and paragraph 9.22 of the Listing Requirements of the Bursa Securities.

The interim financial statements should be read in conjunction with the audited financial statements for the year ended 31 March 2017. These explanatory notes attached to the interim financial statements provide an explanation of events and transactions that are significant to the understanding of the changes in the financial position and performance of the Group since the financial year ended 31 March 2017.

A2. Changes in accounting policies

Description

The significant accounting policies adopted are consistent with those of the audited financial statements for the year ended 31 March 2017 except for the adoption of the following new and revised Financial Reporting Standards ("FRS"), Amendments to FRSs and IC Interpretations.

(a) Adoption of FRSs, Amendments to FRSs and IC Interpretations

On 1 April 2017, the Group adopted the following FRSs and Amendments to FRSs, IC Interpretations and amendments to IC Interpretations:

- Annual Improvements to FRSs 2014-2016 Cycle
- Amendments to FRS 107: Disclosure Initiatives
- Amendments to FRS 112: Recognition of Deferred Tax Assets for Unrealised Losses

The adoption of the above FRSs and Amendments to FRS did not have significant effect on the financial performance or presentation of the financial statements of Group.

(b) Standards and interpretations issued but not yet effective

The Group has not early adopted the following new and amended FRS and IC Interpretations that are not yet effective:

Effective for financial period beginning on or after

FRS 9: Financial Instruments 1 January 2018

Amendments to FRS 2: Classification and Measurement of Share-based Payment

Transactions 1 January 2018

Amendments to FRS 10 and FRS 128: Sale or Contribution of Assets between an Investor and its Associates or Joint Venture

Deferred

The directors expect that the adoption of the above standards and interpretations will have no material impact on the financial statements in the period of initial application.

A2. Changes in accounting policies (cont'd.)

(c) Malaysian Financial Reporting Standards (MFRS Framework)

On 19 November 2011, the Malaysian Accounting Standards Board ("MASB") issued a new MASB approved accounting framework, the Malaysian Financial Reporting Standards Framework ("MFRS Framework").

The MFRS Framework is to be applied by all Entities Other than Private Entities for annual periods beginning on or after 1 January 2012, with the exception of entities that are within the scope of MFRS 141 Agriculture (MFRS 141) and IC Interpretation 15 Agreements for the Construction of Real Estate (IC 15), including its parent, significant investor and venturer (herein called "Transitioning Entities").

Transitioning Entities are allowed to defer adoption of the new MFRS Framework. The adoption of the MFRS Framework by Transitioning Entities will be mandatory for annual periods beginning on or after 1 January 2018.

The Group falls within the scope definition of Transitioning Entities and accordingly, will be required to prepare financial statements using the MFRS Framework in its first MFRS interim financial statements for the quarter ending 30 June 2018. In presenting its first MFRS financial statements, the Group will be required to adjust the comparative financial statements prepared under FRS to amounts reflecting the application of MFRS Framework. The majority of the adjustments required on transition will be made, retrospectively, against the opening retained earnings.

The Group has not completed its assessment of the financial effects of the differences between Financial Reporting Standards and accounting standards under the MFRS Framework. The Group expects to be in a position to fully comply with the requirements of the MFRS Framework for the financial year ending 31 March 2019.

A3. Auditors' report on preceding annual financial statements.

The financial statements of the Group for the financial year ended 31 March 2017 were not subject to any audit qualification.

A4. Seasonal and cyclical factors

The operations of the Group are not affected by any seasonal or cyclical factors other than the manufacturing segment which is affected by cyclical changes in volume of certain products whilst the plantation segment is affected by seasonal crop production, weather conditions and fluctuating commodity prices.

A5. Unusual items affecting the financial statements

There were no unusual items affecting the financial statements of the Group for the period ended 30 September 2017.

A6. Changes in estimates

There were no changes or estimates that have a material effect on the current quarter's results.

A7. Issuances, cancellation, repurchases, resale and repayment of debts and equity securities

There were no issuances, cancellations, repurchases, resale and repayments of debts and equity securities for the current quarter.

B1. Review of performance

Group Performance

	Current	Previous		
(RM Million)	YTD	YTD	Variance	%
Revenue	238.55	279.42	(40.87)	(14.6)
Profit before tax	40.47	57.77	(17.30)	(29.9)

Group revenue for the second quarter ended 30 September 2017 decreased to RM238.55 million as compared to RM279.42 million recorded in the corresponding period last year. The decrease of RM40.87 million was attributed to the lower revenue generated by manufacturing and bulking divisions.

In line with the decrease in revenue, profit before tax ("PBT") decreased by RM17.30 million to RM40.47 million from last year, mainly due to RM1.8 million withholding tax on dividend income from a subsidiary company in Indonesia, RM1.0 million write down of inventories in manufacturing division, higher forex loss by RM5.3 million and RM1.2 million lower share of profit from associate companies.

The performance of each business division is as follows:

Manufacturing Division

	Current	Previous		
(RM Million)	YTD	YTD	Variance	%
Revenue	75.50	127.13	(51.63)	(40.6)
Profit before tax	14.81	32.37	(17.56)	(54.2)

Revenue from **Manufacturing Division** decreased by 40.6% to RM75.50 million from RM127.13 million recorded last year, primarily due to a decrease in sales volume for a certain travel document. On the back of lower revenue and write down of inventories of RM1.0 million, PBT decreased by 54.2% to RM14.81 million from RM32.37 million posted last year.

The increase in revenue was mainly due to the higher local sales of canned mackerel and tuna as well as export of tuna products. However, results of the division decline by 32.4% as compared to RM2.13 million in the same period last year mainly due to forex loss of RM2.3 million (Last year: Forex gain of RM3.1 million).

The Directors expect the performance of the Group to be challenging for the remaining period of year. The prospect of each business division for the remaining period is as follows:

The Board recognises the challenges ahead faced by **Manufacturing Division** following the expiration of a supply contract for a certain travel document. The division will continue it concerted efforts to establish new strategic alliances to develop new products and solutions to complement its existing products.

Plantation Division. As the setback in FFB production arising from the consequences of El Nino experienced in 2015/2016 has ended, the FFB yield is recovering and is anticipated to improve further. Nevertheless, the overall performance of the oil palm production and processing is very much influenced by the palm oil price. In view of the current prevailing palm oil prices, the Board of Directors expects the results of this financial year to be satisfactory.

B11. Changes in material litigations

Pending material litigation since preceding quarter is as follows:

(i) On 21 October 2016, a subsidiary, Fima Corporation Berhad ("FimaCorp") announced that its Indonesian subsidiary, PT Nunukan Jaya Lestari ("PTNJL") has institued legal proceedings to challenge the order issued by the Menteri Agraria dan Tata Ruang/Kepala Badan Pertanahan Nasional ('Defendant") ("Ministerial Order") to revoke PTNJL's land title Hak Guna Usaha No. 01/Nunukan Barat ("HGU") with immediate effect.

The Ministerial Order was on the basis that the HGU was improperly issued due to administrative irregularities performed by certain officers of the Badan Pertanahan Nasional Provinsi Kalimantan Timur at the time of the issuance of the HGU in 2003, resulting in parts of the area within the HGU to overlap with foresty areas. PTNJL's planted area affected by the Ministerial Order measures 3,691.9 hectare.

On 21 October 2016, PTNJL filed an application in the Pengadilan Tata Usaha (State Administrative Court) in Jakarta, Indonesia seeking an order to annul the Ministerial Order. Simultaneously, in the said application, PTNJL has also sought an order from State Administrative Court to postpone the enforcement of the Ministerial Order pending full and final determination of the matter by the Indonesian courts. The Defendant, together with a third party interverner, PT Adindo Hutani Lestari, have filed a defence against the said suit.

On 13 June 2017, the State Administrative Court dismissed the application filed by PTNJL to annul the Ministerial Order. Subsequently on 24 July 2017, PTNJL filed and appeal to the Pengadilan Tinggi Tata Usaha Negara Jakarta to appeal against the decision of the State Administrative Court.

Notwithstanding the Ministerial Order, the local government in Kabupaten Nunukan, in the interest of good order, has given its undertaking and allowed PTNJL to continue to lawfully operate its plantation operations until the final determination of the matter by the Indonesian courts. Based on the current circumstances, the Board is of the opinion that the Ministerial Order will not have any immediate operational and financial impact on the Group.

(ii) Following the termination of the Tenancy Agreement by Malaysia Airports Holding Berhad ("MAHB") on 11 May 2000, a subsidiary, FimaCorp, as the Principal Tenant issued a termination notice dated 15 May 2000 to all its respective subtenants at Airtel Complex, Subang.

Pursuant to the above, on 28 September 2001, FimaCorp was served a Writ of Summons dated 9 August 2001 from a tenant ("Plaintiff") claiming for a compensation sum of approximately RM2.12 million being the renovation costs and general damages arising from the early termination of the Tenancy Agreement at Airtel Complex, in Subang. The Board of FimaCorp had sought the advice of the solicitors and was of the opinion that there should be no compensation payable to the Plaintiff as the demised premises was acquired by a relevant authority, MAHB, which was provided in the Tenancy Agreement between FimaCorp and the Plaintiff.
