#### **B3.** Commentary of Prospects

The Group anticipates the economic landscape for consumer packaging and printing services to remain challenging in the near future but slowly picking up as more tenders are opening. The Group will continue to remain active in participating in these tenders to secure more jobs and expand its customer base.

Therefore, the Group will be placing more focus on developing the face mask business in order to cushion any adverse impacts from the consumer packaging and printing services industry. The Group also believe that face masks will remain essential within majority daily lives despite the lenient mandate for face masks as Malaysians will continue to be cautious and more vigilant for their own safety.

Having said, the Group will gradually expand its production capacity to up to 102 manufacturing lines for 3-ply face masks and 26 manufacturing lines to be installed for the production of respirator face masks by 2023. The Group will also be investing in new machinery for the manufacturing of surgical masks for hospitals in preparation to cater to the medical industry.

The Group will be working on increasing Its efficiency and have better cost control in order to remain competitive in the market. The Group will be eyeing to penetrate into export markets to enlarge its market capitalisation through greater participation in upcoming medical expositions.

While the operating environment continues to be challenging in the near future, the Group maintains an optimistic view of its future prospects in the coming financial year. The Group believes that the synergies between both business segments can be leveraged upon to create distinctive opportunities for business growth and in return generate greater and sustainable value for all the stakeholders.

#### B10. Material Litigation

# (i) Kuala Lumpur High Court ("High Court") Civil Suit No. WA-23NCVC-43-05/2021 Komarkcorp v The Edge Communications Sdn Bhd ("The Edge")

Our Company had on 11 May 2021, filed a Writ and Statement of Claim in the High Court against The Edge for, amongst others, damages and an injunction to restrain The Edge whether by itself, its agents or servants or otherwise from publishing or causing to be published the same or similar words defamatory of our Company.

The Edge then filed its Defence on 19 July 2021. On 11 August 2021, our Company filed an application for, among others, further and better particulars in respect of the Defence and extension of time to file their Reply. On 19 August 2021, the Edge filed an application to strike out the Writ and Statement of Claim.

On 13 October 2021, both applications were dismissed by the Court with costs of RM5,000.00 payable to our Company (in respect of the striking out application) and costs of RM5,000.00 payable to The Edge (in respect of the further and better particulars application). The Court further ordered our Company to file a Reply by 27 October 2021 and had advised Parties to mediate the case.

Our Company filed its Reply on 27 October 2021 and had informed the Court that it had proposed to The Edge to mediate the case through the Malaysian Mediation Centre as this would allow parties to explore their positions better. However, The Edge was not agreeable to our Company's suggestion and had proposed to mediate through the Kuala Lumpur Court Mediation Centre ("KLCMC") instead.

Both our Company and The Edge failed to reach a resolution via the mediation which was fixed for 29 June 2022.

The matter is now fixed for trial for 5 days, from 5 February 2024 to 9 February 2024 before YA Puan Hayatul Akmal binti Abdul Aziz and fixed for e-Review before Puan Haslinda A. Raof on 6 September 2023 for both the solicitors of our Company and The Edge to update the court about the compliance of pre-trial directions.

Our Board is of the view that Komarkcorp has a fair chance in its claims against The Edge. In view that our Company is the claimant for this case, this litigation is not expected to result in any material adverse impact to our Group's business operations and financial performance.

# B10. Material Litigation (Cont'd)

# (ii) Kuala Lumpur Industrial Court Suit No. 20.4-312/22 Chin Kim Meng ("Claimant") v General Labels & Labelling (M) Sdn Bhd ("Respondent")

This is an industrial court claim brought by a former employee of the Respondent, namely Chin Kim Meng (the Claimant), against the Respondent which is a wholly-owned subsidiary of Komarkcorp.

The case is now in post-trial written submissions stage. Should the Claimant be successful in his claim, the Respondent may be required to pay up to 36 months of the employee's wages i.e. RM173,016.00.

Our Board is of the view that the Respondent has a fair chance against the claim by the Claimant. In view that the damages to be awarded is unlikely to exceed RM173,016.00 if the Claimant is successful, this litigation is not expected to result in any material adverse impact to our Group's business operations and financial performance.

Save for the above, there were no other pending material litigations against the Group as at the date of this report.
