## NOTES TO THE INTERIM FINANCIAL REPORT ON CONSOLIDATED RESULTS FOR THE FOURTH QUARTER ENDED 31 MARCH 2024

#### **B3.** Commentary of Prospects

The Group anticipates the economic landscape for consumer packaging and printing services to remain challenging in the near future. However, there are signs with the recent uptick in economic numbers that the local manufacturing industry is recovery and this can be seen in a gradual increase in our printing and labelling numbers.

Meanwhile the mask business saw a small spike due to the recent influenza outbreak, however the short-term demand increase was insufficient to provide any material impact into what appears to be an overall overstocked position.

During the past three quarters the Group has valiantly attempted to penetrate surgical mask business locally and abroad. To this date, Komark Mask has made little headway in market penetration, in what is a highly commoditised business.

Increase in minimum wages, weakening ringgit and general global economic turbulence has made international marketing of our products extremely difficult, while locally the preference to continue to use China made low grade masks remains.

In light of this, the management is making adjustments in its forecasts and budgets to redirect all free resources into boosting its labels and printing business.

Our Johor operation has seen a revival in the past two quarters, driven by increasing Singaporean orders.

Despite the war in Gaza having an effect on some of our customers whose demand has been reduced due to the boycott movements, we have as stated above, seen a revival in the manufacturing space with increasing demand for labelling, packaging and printing services.

The management will continue to drive a two-pronged strategy, diverting its focus in line with the general economic trends.

#### **B10.** Material Litigation

(i) Kuala Lumpur High Court ("High Court") Civil Suit No. WA-23NCVC-43-05/2021 Komarkcorp ("The Company") v The Edge Communications Sdn Bhd ("The Edge")

The Company had on 11 May 2021, filed a Writ and Statement of Claim in the High Court against The Edge for, amongst others, damages and an injunction to restrain The Edge whether by itself, its agents or servants or otherwise from publishing or causing to be published the same or similar words defamatory of The Company.

The Edge then filed its Defence on 19 July 2021. On 11 August 2021, The Company filed an application for, among others, further and better particulars in respect of the Defence and extension of time to file their Reply. On 19 August 2021, The Edge filed an application to strike out the Writ and Statement of Claim.

On 13 October 2021, both applications were dismissed by the High Court with costs of RM5,000.00 payable to The Company (in respect of the striking out application) and costs of RM5,000.00 payable to The Edge (in respect of the further and better particulars application). The High Court further ordered The Company to file a Reply by 27 October 2021 and had advised Parties to mediate the case.

The Company filed its Reply on 27 October 2021 and had informed the High Court that it had proposed to The Edge to mediate the case through the Malaysian Mediation Centre as this would allow parties to explore their positions better. However, The Edge was not agreeable to The Company's suggestion and had proposed to mediate through the Kuala Lumpur Court Mediation Centre ("KLCMC") instead.

The parties failed to reach a resolution via the mediation which was fixed for 29 June 2022.

The trial for this matter proceeded for 2 days on 5.2.2024 and 7.2.2024. Following to the trial's conclusion, the High Court instructed the parties to file Submission by 18.3.2024, with a decision scheduled on 26.3.2024.

On 26 March 2024, the High Court rendered judgement dismissing The Company's claims against The Edge. Costs of RM35,000 were awarded to The Edge, subject to an allocatur fee, payable within fourteen (14) days from the date of judgement.

On 22 April 2024, The Company filed a Notice of Appeal against the judgement of the High Court on 26 March 2024.

The Court of Appeal ("The Court") has fixed a case management on 22 July 2024.

Our Board is of the view that Komarkcorp has a fair chance to overturn the High Court judgement.
