The Group registered a revenue of RM13.55 million and a loss before tax of RM3.61 million for the current quarter against a revenue of RM19.72 million and a loss before tax of RM0.06 million for the corresponding quarter.

The Food and Franchise Operations ("FFO") recorded a revenue of RM8.78 million and a loss before tax of RM1.49 million for the current quarter against the revenue of RM8.81 million and a loss before tax of RM1.00 million for the corresponding quarter. The lower reported revenue was due to the persistent weak consumer sentiments of the economic outlook from the recovery of the COVID-19 pandemic. The loss before tax of RM1.49 million for the quarter was mainly attributable to the reduction in revenue and the allocation of share-based payment of RM1.32 million on ESOS granted during the quarter under review.

The Property Investment & Management ("PIM") registered a revenue of RM0.78 million and a loss before tax RM0.76 million for the current quarter as compared to a revenue of RM2.27 million and a loss before tax of RM0.69 million for the corresponding quarter. The lower revenue was mainly due to the partial resumption of installation activities on-site for the project management of a construction of an Integrated Limestone Processing Plant ("ILPP") during March 2021. The loss before tax was mainly due to the allocation of share-based payment of RM0.32 million on ESOS granted during the quarter under review.

The Resources & Sustainable Energy ("RSE") reported a revenue of RM3.99 million and a profit before tax of RM0.05 million for the current quarter against the revenue of RM8.63 million and a profit before tax of RM3.17 million for the corresponding quarter. The reduction in revenue was mainly due to the lower sale of limestones for the quarter under review.

B2. Financial Review for the Current Quarter Compared with the Immediate Preceding Ouarter

	Current Quarter ended 31 Mar 2021	Preceding Quarter ended 31 Dec 2020	Variances		
	RM'000	RM'000	RM'000	%	
Revenue	13,546	10,007	3,539	35%	
Profit/(Loss) before taxation	(3,614)	1,764	(5,378)	-305%	

The Group registered a revenue of RM13.55 million and a loss before taxation of RM3.61 million for the current quarter as compared to a revenue of RM10.01 million and a profit before taxation of RM1.76 million for the immediate preceding quarter.

The Group posted an increase in revenue of RM3.54 million was mainly attributable to the improvement in the sale of limestones during the quarter with the recovery of the construction sector from the COVID-19.

The Group reported a loss before taxation of RM3.61 million as compared to a profit before taxation of RM1.76 million was mainly due to the bad debts written back of RM8.5 million during the preceding quarter.

B3. Prospects

The Group remains vigilant with the implementation of additional curbs on MCO 3.0 (except on Sabah and Sarawak) that are stricter on the economic and social sectors, which are expected to impact businesses negatively.

While the government is set to ramp up the Covid-19 National Immunisation Programme with the arrival of more Sinovac and Pfizer- BioNTech vaccination doses from July, the intermittent lockdowns and restrictive measures are expected to dampen our recovery momentum in the medium term.

Barring any unforeseen circumstances, if the National Immunisation Programme is successfully implemented, the Group is cautiously optimistic of the future prospects.
