The significant accounting policies and method of computation adopted by the Group in this interim financial report are consistent with those of the audited financial statements for the year ended March 31, 2012.

#### Malaysian Accounting Standard Board ("MASB") Approval Accounting Standards, MFRSs

The MFRSs Framework is mandatory for adoption by all Entities Other Than Private Entities for annual periods beginning on or after 1 January 2012, with the exception of entities subject to the application of MFRSs 141 Agriculture and/or IC Int 15 Agreements for the Construction of Real Estate ("Transitioning Entities"). The Transitioning Entities are given an option to defer adoption of the MFRSs framework for an additional one year. Transitioning Entities also include those entities that consolidate or equity account or proportionately consolidate another entity that has chosen to continue to apply the FRSs framework for annual periods beginning on or after 1 January 2012.

Accordingly, the Group which is Transitioning Entities has chosen to defer the adoption of the MFRSs framework for an additional one year. ## PART B: REQUIREMENTS OF PART A OF APPENDIX 9B OF THE MAIN MARKET LISTING REQUIREMENTS OF BURSA MALAYSIA SECURITIES BERHAD

#### **B3** Prospects for the forthcoming financial year

Barring any unforeseen circumstances, the Board of Directors expects the manufacturing division will contribute positively to the Group to the financial year ending March 31, 2013. In addition, the new development project launched on last quarter by its subsidiary, Great Marvel Sdn Bhd, will contribute positively to the Group's result despite the intense competition within the property industry.

The performance of the Group will be challenging for the financial year as per the uncertainty of the on-going euro-zone crisis continues to depress global economic growth, which shall likely to impact the local industry overview. The uptrend expected in the building material costs will add challenges to the Group. However, the management will continue its effort in improving the efficiency and maintain its competitiveness in the market.

Nevertheless, the Board of Directors is cautiously optimistic that the Group will remain resilient for the financial year ending March 31, 2013.
