ADDITIONAL INFORMATION REQUIRED BY THE BURSA MALAYSIA SECURTIES BERHAD LISTING REQUIREMENTS

1. Review of Performance

The Group recorded revenue of RM76.03 million for the current quarter under review representing an increase of 35.4% from RM56.17 million of previous corresponding period. This increase was attributable primarily to the growth of the Group's existing business and the incorporation of sales volume from the newly acquired companies.

In tandem with the increase in revenue, the Group's profit before tax for current quarter under review increase by 45.8% to RM2.99 million as compared to RM2.05 million for the previous corresponding quarter.

The performance of the business segments are described as below:

1) Investment Holdings Division

The revenue and profit in Investment Holdings Division for the current period dropped due to no dividend declared by subsidiaries companies during the period.

2) Manufacturing Division

The overall profitability of Manufacturing Division for the current period decreased by 26.4% as compared to previous corresponding period mainly due to declaration of dividend by its subsidiary as non-operating income last period.

3) Trading and Service Division

The division is the major revenue contributor, representing approximately 90% of the Group Revenue registered in the current period. Despite the increase of 10.3% in revenue, profit before tax of this division recorded a drop of 9.3%, mainly due to drop in sales of high margin products resulted from the change in product mix that eroded the gross profit margin and increase in operating expenses.

2. Variation of results against immediate preceding quarter

The Group recorded revenue of RM76.03 million for the current quarter under review, representing a marginally decrease of 5.9% as compared to RM80.78 million in the immediate preceding quarter. Meanwhile, the Group recorded profit before tax of RM2.99 million, representing an decrease of 27.1% as compared to the preceding quarter of RM4.10 million.

3. Commentary on prospect

Despite the challenging and competitive business condition, the BOD is pleased with the performance achieved in the current quarter under review, which was mainly attributed to the Group's adoption of right measures and strategies.

Barring unforeseen circumstances, The BOD is confident that the Group will be able to achieve satisfactory results for the remaining period of financial year.

4. Profit forecast

Not applicable as no profit forecast was published.
