B. Explanatory Notes Pursuant to Appendix 9B of Listing Requirements of Bursa Malaysia

B1. Review of Performance

a) Current Quarter vs Previous Year Corresponding Quarter

For the quarter under review, the Group recorded a pre-tax profit of RM0.261million as compared to previous year corresponding quarter profit of RM2.569million. The decrease was mainly due higher costs and lower margin of profit recorded for the property development division.

Performance of the respective operating business segments for the ^{4th}quarter ended 31 December 2012 as compared to the previous year corresponding quarter is analysed as follows:

- 1) Manufacturing-A minimal profit as compared to previous year corresponding quarter before taxation was mainly due to lower administration expenses incurred.
- 2) Trading-The increase in profit before taxation was mainly due to higher margin on sales and lower interest incurred on bank borrowings.
- Property Development-A decrease in profit before taxation due to reversal of sales recognition for a project. Respectively higher development costs incurred and lower margin of profit recorded.
- 4) Others-A profit before taxation is due to lower administration costs incurred.

b) Current Year-to-date vs Previous Year-to date

The Group loss before taxation for the twelve (12) months is RM1.540million as compared to previous year's profit before taxation of RM6.047million. The decrease substaintially due to higher costs and lower profit margin recorded from the property development division. Performance of the respective operating business segments for the 4thquarter ended 31 December 2012 as compared to the previous year corresponding quarter is analysed as follows:

- 1) Manufacturing-A minimal profit as compared to previous year corresponding quarter before taxation was mainly due to lower administration expenses incurred.
- 2) Trading-The increase in profit before taxation was mainly due to higher margin on sales and lower interest incurred on bank borrowings.
- Property Development-A decrease in profit before taxation due to reversal of sales recognition for a project. Respectively higher development costs incurred and lower margin of profit recorded.
- 4) Others-A profit before taxation is due to lower administration costs incurred and a gain on disposal of subsidiary.
