#### 14. REVIEW OF PERFORMANCE

The Group's revenue for the current quarter of RM6.68 million has increased by RM1.01 million than the preceding year corresponding quarter of RM5.67 million due to the contribution of RM1.35 million from Property Division. However, the was partially offset by the decline of 6 % in Automotive Division which was mainly affected by Covid-19 pandemic and cessation on the operation of Volkswagen Taman Tun Dr Ismail (TTDI) outlet on 30 November 2020.

The Group registered a pre-tax loss of RM19.67 million for the current quarter against the preceding year corresponding quarter pre-tax profit of RM10.80 million. The significant loss was mainly due to the fair value loss on other investment of RM18.26 million in this quarter as compared to the fair value gain of RM13.95 million in the preceding year corresponding quarter.

### 15. COMPARISON WITH IMMEDIATE PRECEDING QUARTER'S RESULTS

	Current Quarter	Previous Quarter

	RM'000	RM'000
Revenue	6,677	4,540
Profit/(Loss) before tax	(19,666)	2,610

The increase in revenue for this quarter as compared to previous quarter was mainly due to the increase in Property Division as well as the increase in sale in Automotive Division of RM1.47 million.

Despite the increase in turnover, the Group suffered a loss before taxation of RM 19.67 million as compared to a pre-tax profit of RM 2.61 million in previous quarter. #### 25. CHANGES IN MATERIAL LITIGATION

There were no material changes in the following litigation where:

An architect ('the Claimant") filed a civil suit against both the Company and the subsidiary for wrongful termination of his services and claimed outstanding fees with interest and loss of income amounting to RM11.4 million.

The High Court directed that the claim by the Claimant against the subsidiary be referred to arbitration. On 28 March 2013, upon the appointment of the Arbitrator, the High Court struck off the claim against the subsidiary. On 7 November 2014, all parties agreed to withdraw the suit between the Claimant and the Company. Thereafter, the Arbitrator will hear both claims together.

The Arbitration proceeded with the Claimant and the respondent calling their respective witnesses. The principal issue to be decided by the Arbitrator is on whether there had been a mutual termination or wrongful termination of the Claimant's engagement. Based on the oral and documentary evidences produced in the Arbitration and supported by legal position, the Company's solicitors are of the view that the Company has established on a balance of probability that there was a mutual termination of the Claimant's engagement.

On 21 May 2018, the subsidiary's solicitors have informed that the Arbitrator has given a partial award on the Breach of Contract Arbitration ("Partial Award") and held that the subsidiary had wrongfully terminated the Claimant's for its services and has awarded costs in the cause in the final award to the Claimant. There has been no award made by the Arbitrator in respect of the quantum of damages payable to the Claimant in relation to the Breach of Contract Arbitration and no directions from the Arbitrator in respect of the Permaju Arbitration.

Pursuant to the directions given at the case management on 28 June 2019, the Tribunal had directed parties to submit submissions incorporating previous submissions on the issue of illegality with answers to clarification questions posed by the Tribunal. On 1 August 2019, the subsidiary's solicitors have filed the necessary information to the Tribunal.

On 7 October 2019, the Arbitrator issued Partial Award No.2 which found that the Claimant's services had not been voided by illegality and he had been, wrongfully terminated. The Company is appealing against this decision and the Company's solicitors had filed the necessary application to set aside the Partial Award.

The hearing of the Claimant's claim against the Company and the subsidiary for inducing to breach their contract with the Claimant is fixed for hearing on 6 to 9 April 2021. Apart from the foregoing, in respect of the Partial Award 1 and 2 is fixed for Hearing of Appeal on 21 April 2021.

Both of the matters were adjourned on the grounds that parties are trying for settlement on 21 April 2021. The next hearing is fixed on 1 September 2021 which the Court of Appeal heard arguments from both the Applicant's Counsel and the subsidiary's Counsel and reserved Judgment to 16 November 2021.

Notwithstanding the earlier Directions given by the Learned Arbitrator, the Learned Arbitrator gave Directions for Parties to file Submissions on the issue of quantum. On 17 March 2021, the Arbitrator published Partial Award No. 3. The Award reads as follows:

(i) The subsidiary to pay the Claimant the net principal sum of RM2,600,724.04 as the amount of outstanding Professional Fees;

- (ii) The subsidiary to pay the Claimant a Pre-Award interest of RM1,943,374.40;
- (iii) The subsidiary shall bear in full the cost of award of Partial Award 1, Partial Award No.2 and Partial Award No.3 Tax by the Tribunal as RM132,000.00;
- (iv) Cost in reference for the subsidiary and the Company Arbitration shall be reserved until the Final Award:
- (v) Any sum awarded by the Tribunal shall be payable within four (4) weeks from the date of the said Award, failing this David Shen is entitled to impose a further interest at the rate of 5% per annum.

Meanwhile, the Claimant's Solicitors filed an application for the enforcement of Partial Award No.3 at the Kota Kinabalu High Court vide Originating Summons No. BKI-24NCC(ARB)-4/6-2021. The subsidiary's Solicitors filed an application to set aside Partial Award No.3 vide Originating Summons No. BKI-24NCC(ARB)-4/6-2021.

On 26 July 2021, the Judge directed that the application filed by the subsidiary to set aside Partial Award No.3 will be heard first and if the subsidiary's application is allowed, then the Claimant's application would fall. The Court fixed Hardie's application for Hearing on 14 September 2021.

However, in view of the pending decision from the Court of Appeal, both parties by mutual agreement agreed to defer the hearing until the outcome of the Court of Appeal's decision in respect of Partial Award 1 and 2 which is fixed for decision on 16 November 2021.

Meanwhile, the hearing of setting aside Partial Award No.3 and the Application for the enforcement of Partial Award is now fixed for hearing on 23 November 2021.

Notwithstanding the foregoing, as a result of the Partial Award No.3, the subsidiary's Solicitors commenced negotiations with the Claimant's Solicitors and still on-going.

In respect of David Shen's claim against the Company for inducing the subsidiary to breach their contract, the Arbitrator vacated hearing dates pending negotiations in respect of Partial Award No.3. In view of the negotiations, there are no Hearing dates in respect of the Claimant's claim against the Company.

As at 30 June 2021, the subsidiary has provided the contingent liability amounting to RM4,909,903.36. On 21 April 2021, the parties are trying for settlement and the next hearing is fixed on 23 November 2021.

Based on latest update, the Court had directed that both the above-mentioned Originating Summons will be heard together and parties are to file their Written Submissions on or before 15<sup>th</sup> December 2021. Submissions for rebuttal (if any) are to be filed on or before 31<sup>st</sup> December 2021.

The Hearing date will be fixed before the High Court Judicial Commissioner, Puan Amelati Parnell on 12<sup>th</sup> January 2022.

The decision has been fixed on 28th March 2022 in respect of Hardie's Application to Set Aside Partial Award No.3 (original summons no: BKI-24NCC(ARB)3/6-2021) and David Shen I-Tan's Application to register Partial Award No.3 (original summons no: BKI-24NCC(ARB)4/6-2021).
