**INTERIM FINANCIAL REPORT FOR THE FIRST QUARTER ENDED 31 MARCH 2007
(THE FIGURES HAVE NOT BEEN AUDITED)**

NOTES TO THE INTERIM FINANCIAL REPORT FOR THE PERIOD ENDED 31 MARCH 2007

1 Accounting policies and methods of computation

The interim financial report has been prepared under the historical cost convention except for the revaluation of properties included within property, plant and equipment and investment properties.

The interim financial report is unaudited and has been prepared in compliance with FRS No.134, "Interim Financial Reporting" and Paragraph 9.22 of the Listing Requirements of Bursa Malaysia Securities Berhad. It should be read in conjunction with the Group's most recent audited financial statements for the year ended 31 December 2006.

2 Changes in accounting policies

The significant accounting policies adopted are consistent with those adopted in the audited financial statements for the year ended 31 December 2006 except for the adoption of the following applicable new/revised Financial Reporting Standards ("FRS") and Interpretations effective for financial period beginning 1 January 2007:

FRS 117	Leases
FRS 124	Related Party Disclosures
Amendment to FRS119 ₂₀₀₄	Employee Benefits - Actuarial Gains and Losses, Group Plans and Disclosures

The adoption of these FRS, other than FRS 117, does not have significant financial impact on the Group. The principal effects of the changes in accounting policies resulting from the adoption of FRS 117 is discussed below:

FRS 117: Leases

The adoption of this new FRS had resulted in a change in accounting policy relating to the classification of leases of land and buildings. Leases of land and buildings are classified as operating or finance leases in the same way as leases of other assets and the land and buildings elements of a lease of land and buildings are considered separately for the purpose of lease classification. Leasehold land held for own use is now classified as operating lease and where necessary, the minimum lease payments or the up-front payments made are allocated between the land and the buildings elements in proportion to the relative fair values for leasehold interests in the land element and buildings element of the lease at the inception of the lease. The up-front lease payment represents prepaid lease payments and are amortized on a straight-line basis over the lease term.

The Group has applied the change in accounting policy in respect of leasehold land in accordance with the transitional provisions of FRS 117. At 1 January 2007, the unamortized amount of leasehold land is retained as the surrogate carrying amount or prepaid lease payments as allowed by the transitional provisions. The reclassification of leasehold land as prepaid lease payment has been accounted for retrospectively and as disclosed in note 3, certain comparatives have been restated. There were no effects on the consolidated income statement for the year ended 31 December 2006.

3 Comparatives

The following comparative amounts have been restated due to the adoption of the revised FRSs:

	<u>Adjustments</u>		
	<u>Previously stated</u>	<u>FRS 117</u>	<u>Restated</u>
<u>At 31 December 2006</u>	<u>RM'000</u>	<u>RM'000</u>	<u>RM'000</u>

For the first quarter of financial year 2007, group turnover was RM 59.8 million and group profit after tax was RM 3.5 million. Compared to the first quarter of year 2006, revenue increased by 3%. After adjusting for non-recurring income, profit after tax was lower by 6.7% from that achieved in the first quarter of year 2006.

The marketing and distribution operations performed creditably, and sales of manufactured pharmaceuticals have strengthened from the beginning of the year. The contribution of the Group's associate company in China, Xiamen Maidiken Science & Technology Company Ltd, was lower than expected, due to a delay in the award of major government tenders for the supply of pharmaceuticals and higher operating costs.

28 Material Litigation

As reported in the previous quarter, the Company's wholly-owned subsidiary, Apex Pharmacy Marketing Sdn Bhd ("APM"), together with Stable Growth Sdn Bhd ("SGSB"), the main contractor for APM's new warehouse and corporate headquarters ("the Building") located at 2, Jalan SS13/5, Subang Jaya, 47500 Petaling Jaya, (APM and SGSB are collectively known as "co-defendants"), had on 19 August 2005, been served with a writ of summons filed by Memory Tech Sdn Bhd ("Plaintiff"). The Plaintiff has claimed a sum of RM90,058.15 as damages and RM1,596,000 as consequential losses, arising from the alleged damage to the Plaintiff's building and resulting short circuit caused by a piece of roofing material that the Plaintiff alleges was blown off the roof of the Building while it was being constructed.

APM has denied liability for any such losses and will vigorously defend the suit. APM has instructed its solicitors to seek redress against any party liable for such damage if the same is proven, including the insurers involved during the construction of the building. APM's solicitors have advised that it has a strong defence and is likely to succeed in avoiding liability for such damage and/or being indemnified for any liability by insurers of its contractors. The court has fixed 24th July 2007 for Case Management

As at 16th May 2007, there has been no change in the status save as disclosed above.

29 Dividends

The Board of Directors do not recommend the payment of any interim dividend for the period ended 31 March 2007.
