#### B1. Review of performance

#### **Current Quarter ended 30 September 2023**

For the current quarter under review, the Group recorded a revenue of RM64.49 million, which is RM30.70 million higher compared with the previous corresponding financial quarter. The increase were mainly due to the higher sales and and increase in progress development from its property projects.

The current quarter's Profit Before Tax ("PBT") of RM9.95 million are mainly from the recognition of property sales during current financial quarter.

#### B2. Comment on financial results (current quarter compared with the immediate preceding quarter)

		Immediate
	Current	Preceding
	Quarter	Quarter
	30/9/2023	30/6/2023
	RM'000	RM'000
Revenue	64,485	42,374
Profit Before Taxation ("PBT")	9,953	6,211

The Group recorded a revenue of RM64.49 million (compared to RM42.37 million in the immediate preceding quarter) and reported a PBT of RM9.95 million as compared to immediate preceding quarter's PBT of RM6.21 million. The higher PBT in the current quarter as compared to the immediate preceding quarter was mainly due to higher percentage of workdone achieved from its property projects.

#### **B3.** Future Prospects

Despite escalating global uncertainties, Malaysia's economy remains resilient with its GDP projected to expand by approximately 4% in 2023, and between 4% and 5% in 2024. Domestic demand in 2023 continues to be buoyed by expansion in consumption and investment spending, supported by favourable labour market conditions, easing inflationary pressures and vibrant tourism activities.

In mid of September 2023, the Group had completed acquisition of two entities which shall further expand its landbank and property development business. The Group shall continue to focus on selling its on-going phases and newly acquired projects in Damansara Perdana and Setia Alam and ensure their completion on a timely basis. To date, we had given vacant possession of over 800 units of condominiums and are expecting another 2,900 units of condominiums and other retail units all located within the Klang Valley to be handed over the next few months.

At the same time, the launching of new projects at Sungai Buloh and Semenyih are expected in 2024 and that will build up the Group's sales momentum. The Group shall continue to expand its existing landbank.

#### **B4.** Profit Forecast or Profit Guarantee

The Group has not provided any profit forecast in a public document.
