### 1. Basis of preparation

### (a) Statement of compliance

These condensed consolidated interim financial statements have been prepared in accordance with the applicable disclosure provisions of the Listing Requirements of the Bursa Malaysia Securities Berhad and *FRS134*, *Interim Financial Reporting*. They do not include all of the information required for full annual financial statements, and should be read in conjunction with the consolidated financial statements of the Group as at and for the year ended 30 June 2009.

# 2. Significant accounting policies

(a) Changes in accounting policies

The accounting policies and the methods of computation adopted by SKB Shutters Corporation Berhad., its subsidiaries and associate ("the Group") in this interim financial report are consistent with those adopted in the financial statements for the year ended 30 June 2009 other than the adoption of FRS 8 - Operating Segments which became effective for financial periods beginning on and after 1 July 2009.

# 3. Estimates

The preparation of interim financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

In preparing these condensed consolidated interim financial statements, the significant judgements made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those applied to the financial statements as at and for the year ended 30 June 2009.

4. Seasonality or cyclicality of operations

14. Variation of results against preceding quarter

Group revenue increased from RM9.866 million to RM13.662 million as compared to the immediate preceding quarter. Group profit before taxation of RM0.868 million increased by 232.72% as compared to the immediate preceding quarter mainly due to higher profit margin for window sales and lower distribution costs.

15. Current year prospects

Barring unforeseen circumstances, the Directors anticipate that the Group will continue to strive to enhance the financial performance by practicing prudent cost management and to continue to concentrate on the Group's core activities which are the manufacturing and dealing of roller shutters, steel door, racking, and storage systems.
