

SKB SHUTTERS CORPORATION BERHAD
(Company No.430362-U)
(Incorporated in Malaysia)
AND ITS SUBSIDIARIES
Notes to the condensed consolidated interim financial statements

1. Basis of preparation

(a) Statement of compliance

These condensed consolidated interim financial statements have been prepared in accordance with the applicable disclosure provisions of the Listing Requirements of the Bursa Malaysia Securities Berhad and *FRS134, Interim Financial Reporting*. They do not include all of the information required for full annual financial statements, and should be read in conjunction with the consolidated financial statements of the Group as at and for the year ended 30 June 2012.

2. Significant accounting policies

(a) Changes in accounting policies

The accounting policies and presentation adopted for this interim financial report are consistent with those adopted in the audited financial statements for the 12 months year ended 30 June 2012 except for the changes in accounting policies and presentation resulting from the adoption of relevant FRSs, Amendments to FRSs and IC Interpretations that are effective for the financial periods beginning on or after 1 July 2010, 1 January 2011 and 1 July 2011 respectively.

The adoption of relevant FRSs, Amendments to FRSs and IC Interpretations are not expected to have any significant financial impact on the financial statements of the Group.

3. Estimates

The preparation of interim financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

In preparing these condensed consolidated interim financial statements, the significant judgements made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those applied to the financial statements as at and for the year ended 30 June 2012.

4. Seasonality or cyclicity of operations

The business of the Group was not affected by any significant seasonal or cyclical factors in the quarter under review.

5. Exceptional and extraordinary items

There were no material exceptional and extraordinary items for the period under review.

6. Change in debt and equity securities

There were no issuance, cancellations, repurchase, resale and repayments of debt and equity securities for the financial period-to-date.

7. Dividends

No dividends have been recommended or paid for the quarter ended 31 Dec 2012.

8. Operating segments

The Group is principally confined to the manufacture and sale of roller shutters and related steel products, racking and storage systems which are principally carried out in Malaysia. Accordingly, information by operating segments on the Group's operations as required by *FRS 8* is not presented.

9. Valuation of property, plant and equipment

The valuation of land and buildings has been brought forward without amendments from the previous annual report.

10. Changes in Group's composition

There were no changes in the composition of the Group during the current quarter ended 31 Dec 2012.

11. Changes in contingent liabilities and assets

There were no contingent liabilities and assets for the Group as at 21 February 2013 (being the latest practicable date which is not earlier than 7 days from the date of issue of this quarterly report).

12. Review of Group performance

Group revenue for the quarter ended 31 Dec 2012 reduced by 19.86% or RM3.109 million as compared to the corresponding quarter in 2011. The drop in revenue was mainly due to drop in sales of shutters, racking, rollerdoor and window products.

Group profit before taxation of RM0.685 million reduced by 16.14% as compared to corresponding quarter in the previous year mainly due to drop in revenue.

13. Variation of results against preceding quarter

Group revenue increased from RM10.189 million to RM12.547 million as compared to the immediate preceding quarter. Group profit before taxation of RM0.685 million increased by 202.53% as compared to the immediate preceding quarter mainly due to increase in revenue and other operation income , such as gain on sales of assets.

14. Current year prospects

Barring unforeseen circumstances, the Directors anticipate that the Group will continue to strive to enhance the financial performance by practicing prudent cost management and to continue to concentrate on the Group's core activities which are the manufacturing and dealing of roller shutters, steel doors, racking, and storage systems. Also, the Group will continuously strive to improve quality of products and developing new innovative products to increase its market share, sales revenue and profitability.
