Registration No. 199701014865 (430362-U) (Incorporated in Malaysia) AND ITS SUBSIDIARIES Notes to the condensed consolidated interim financial statements

1. Basis of preparation

(a) Statement of compliance

These condensed consolidated interim financial statements have been prepared in accordance with the applicable disclosure provisions of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad ("Bursa Securities") and *MFRS 134, Interim Financial Reporting* in Malaysia. They do not include all of the information required for full annual financial statements and should be read in conjunction with the consolidated financial statements of the Group as at and for the year ended 30 June 2022.

(b) Significant accounting policies

The accounting policies applied by the Group in these condensed consolidated interim financial statements are the same as those applied by the Group in its consolidated annual financial statements as at and for the year ended 30 June 2022.

For the adoption of new and revised MFRSs and IC Interpretations below that are relevant and came into effect for accounting periods beginning on or after 1 January 2022 and 1 January 2023 did not have any significant impact to the unaudited consolidated financial statements upon their initial application:

2. Auditors' qualification

The auditors' report on the audited financial statements for the year ended 30 June 2022 was not qualified.

3. Seasonality or cyclicality of operations

The business of the Group was not affected by any significant seasonal or cyclical factors.

4. Exceptional and extraordinary items

There were no material exceptional and extraordinary items for the period-to-date under review.

5. Changes in estimates

The preparation of interim financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

In preparing these condensed consolidated interim financial statements, the significant judgements made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those applied to the financial statements as at and for the year ended 30 June 2022.

There were no changes in estimates of amounts reported in the prior financial periods that have a material effect in the current quarter.

6. Debt and equity securities

There were no issuance, cancellations, repurchase, resale and repayments of debt and equity securities for the period ended 31 March 2023.

7. Dividend

No dividend was paid and/or declared/proposed for the current quarter and period todate.

8. Operating segments

The Group is principally engaged in the manufacture and sale of roller shutters, racking systems, storage system and related steel products which are principally carried out in Malaysia. Accordingly, information by operating segments on the Group's operations as required by MFRS 8 is not presented.

9. Changes in Group's composition

There were no changes in the composition of the Group during the quarter and financial period to-date.

10. Changes in contingent liabilities and assets and changes in material litigation

There were no contingent liabilities and assets at the end of the reporting period.

Neither the Company nor any subsidiaries is engaged in any material litigation, either as plaintiff or defendant and the Director are not aware of any proceedings pending or threatened, against the Company or any of its subsidiaries or of any facts likely to give rise to any proceedings which might materially affect the position or business of the Company or any of its subsidiaries, financially or otherwise.

11. Review of Group performance

The Group registered a revenue of RM77.669 million for period-to-date under review as compared to RM49.975 million for the corresponding financial year, representing an increase of RM27.694 million of 55.42% due to increase in sale of shutters and racking products.

The Group's profit before tax for the period ended 31 March 2023 is RM12.557 million against RM6.520 million for the corresponding period-to-date, representing an increase of 92.60% mainly due to the increase in revenue.

12. Variation of results against preceding quarter

For the current quarter ended 31 March 2023, the Group registered a revenue of RM25.975 million as compared to the immediate preceding quarter of RM29.489 million, representing a decrease of RM3.514 million or 11.92%. The decrease was mainly due to decrease in sale of shutters and racking products.

During the current quarter, the Group recorded profit before tax of RM4.981 million as compared to RM4.838 million in the immediate preceding quarter, representing an increase of RM0.143 million or 2.96%. The increase was mainly due to decrease in cost of sale.

13. Current year prospects

The Group is expected to benefit from the continued recovery of the domestic construction sector and services sector, especially within the logistics and digital economy segment.

However, with the increase in raw material prices and operational costs, the Group shall continue to place strong emphasis on operational efficiency and cost rationalization to improve profitability and sustainable business growth.

The Group remain cautious on the business outlook and financial performance of the Group for the remaining quarters for FYE 30 June 2023.
