MFRS Accounting Standards, interpretations and amendments effective for annual periods beginning on or after 1 January 2027

- MFRS 18, Presentation and Disclosure in Financial Statements
- MFRS 19, Subsidiaries without Public Accountability: Disclosures

MFRS Accounting Standards, interpretations and amendments effective for annual periods beginning on on or after a date yet to be confirmed

• Amendments to MFRS 10, *Consolidated Financial Statements* and MFRS 128, *Investments in Associates and Joint Ventures - Sale or Contribution of Assets between an Investor and its Associate or Joint Venture*

2. Auditors' qualification

The auditors' report on the audited financial statements for the year ended 30 June 2024 was not qualified.

3. Seasonality or cyclicality of operations

The business of the Group was not affected by any significant seasonal or cyclical factors.

4. Exceptional and extraordinary items

There were no material exceptional and extraordinary items for the period-to-date under review.

5. Changes in estimates

The preparation of interim financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

In preparing these condensed consolidated interim financial statements, the significant judgements made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those applied to the financial statements as at and for the year ended 30 June 2024.

There were no changes in estimates of amounts reported in the prior financial periods that have a material effect in the current quarter.

6. Debt and equity securities

There were no issuance, cancellations, repurchase, resale and repayments of debt and equity securities for the period ended 30 September 2024 except the issuance of 4,743,500 new ordinary shares arising from the exercise of warrants.

7. Dividend

No dividend was paid and/or declared/proposed for the current quarter and period to-date.

8. Operating segments

The Group is principally engaged in the manufacture and sale of roller shutters, racking systems, storage system and related steel products which are principally carried out in Malaysia. Accordingly, information by operating segments on the Group's operations as required by MFRS 8 is not presented.

9. Changes in Group's composition

There were no changes in the composition of the Group during the quarter and financial period to-date.

10. Changes in contingent liabilities and assets and changes in material litigation

There were no contingent liabilities and assets at the end of the reporting period.

Neither the Company nor any subsidiaries is engaged in any material litigation, either as plaintiff or defendant and the Director are not aware of any proceedings pending or threatened, against the Company or any of its subsidiaries or of any facts likely to give rise to any proceedings which might materially affect the position or business of the Company or any of its subsidiaries, financially or otherwise.

11. Review of Group performance

The Group registered a revenue of RM35.795 million for period-to-date under review as compared to RM24.745 million for the preceding year corresponding period, representing an increase of RM11.050 million of 44.66% due to increase in sale of steel door products.

The Group's profit before tax for the period ended 30 September 2024 is RM7.387 million against RM3.634 million for the preceding year corresponding period, representing an increase of 103.30% mainly due to the increase in revenue.

12. Variation of results against preceding quarter

For the current quarter ended 30 September 2024, the Group registered a revenue of RM35.795 million as compared to the immediate preceding quarter of RM31.226 million, representing a increase of RM4.569 million or 14.63%. The increase was mainly due to increase in sale of steel door products.

During the current quarter, the Group recorded profit before tax of RM7.387 million as compared to RM6.965 million in the immediate preceding quarter, representing an increase of RM0.422 million or 6.06%. The increase was mainly due to increase in revenue.

13. Current year prospects

The Group's outlook remains cautious due to the persistent volatility in raw material prices and currency fluctuations. The global economic landscape has been marked by significant uncertainties, influenced by geopolitical tensions, supply chain disruptions, and varying recovery speeds across regions. These factors have led to unpredictable swings in the cost of raw materials, impacting our production expenses and profit margins. Additionally, currency fluctuations continue to pose challenges, especially in our international operations, affecting the cost of imports and exports. In response, the Group shall continue to place strong emphasis on operational efficiency and cost rationalization to improve profitability and sustainable business growth.

Amidst these challenges, we are optimistic on the recovery in the construction sector, focusing on industrial and digital infrastructure segments. This resurgence is expected to drive demand for our innovative and high-quality building materials, positioning us well to capitalize on emerging opportunities.

Our commitment to sustainability and innovation aligns perfectly with the requirements of these sectors, allowing us to offer cutting-edge solutions that enhance energy efficiency and reduce environmental impact.

In conclusion, while we remain vigilant about the external economic pressures, we are confident in our ability to navigate these challenges and leverage the recovery in key sectors. Our strategic initiatives, focus on sustainability, and dedication to quality and safety will continue to drive our growth and solidify our position as a leader in the building materials industry.
