#### 1. Review of performance

Compared with the corresponding quarter last year, the Group recorded revenue of RM6.37 million, representing significant drop of revenue amounted to RM6.18 million or 49.25% from RM12.55 million. The Group recorded loss before tax of RM0.20 million, representing a decrease of RM2.28 million or 109.91%. The poor result reported was mainly attributed to significant decline in revenue despite several measures have been taken to control the overall cost.

For the twelve months ended 30 June 2009, the group recorded revenue of RM35.09 million, representing a decrease of RM11.80 million or 25.16% from preceding year corresponding period. Although the group recorded a pre-tax profit of RM0.52 million, there was a vast drop of profit by RM5.86 million or 91.74% as compared to preceding year corresponding period. The unfavourable performance was attributable to significant drop in revenue and also the poor result reported by the overseas components division as compared to preceding year corresponding period.

## 2. Comparison with preceding quarter's result

For the quarter under review, the Group recorded slight decrease in revenue by RM0.42 million or 6.28% from the preceding quarter with the slight improvement in loss before tax of RM0.20 million as compared to loss before tax reported of RM0.54 million in last quarter. The slight improvement result was mainly attributed to the effective implementation of overall cost control measure.

## 3. Current year prospects

The Board expects the group's performance persistently challenging in the coming quarters. The group will be taking the necessary measures to cut costs and intensify its marketing workforce to mitigate downturn impact of the global economy.

## 4. Variance on forecast profit/ profit guarantee

No profit guarantee / forecast was issued during the period.

## b) Diluted earnings per share

The diluted earnings per ordinary share in individual and accumulative period ended 30 Jun 2009 is not shown as the effect of the assumed conversion of outstanding Employee Share Option Scheme options to ordinary shares would be anti-dilutive due to market price of the ordinary shares is currently lower than the subscription price.

#### 14. Authorisation for issuance of the interim financial statements

On 27 Aug 2009, the Board of Directors authorized the issuance of these interim financial statements.
