(Company No: 399292-V)

INTERIM FINANCIAL REPORT ON CONSOLIDATED RESULTS FOR THE PERIOD ENDED 30 SEPTEMBER 2016

However, during the financial year ended 2016, the Group is facing shortage of raw materials and in order to increase the production level, the Group is actively sourcing for a more stable supply of raw materials and have made some significant progress in this area. In addition, the Group is also actively developing the forest re-plantation area in order to secure long term stability of supplies to the downstream timber processing plants.

Despite the gloomy financial results of the Group and looming threats in the timber industry, there are still great opportunities for the Group given the knowledge, capacity and competency it has acquired and built up over the years.

The Group is leveraging on its recently-developed skill in operating two sustainable forest units of 8,000 hectares and 20,000 hectares, and it intends to further expand into sustainable forest units to ensure the adequacy of logs supply for downstream processing.

Realising these opportunities and having assessed the inherent strengths of the PIB Group, the Board of Directors of PIB has been considering expansion plans and financial restructuring schemes so as to achieve production cost efficiency.

For the financial year 2016/2017, barring any unforeseen circumstances, the Board of Directors expect to improve the Group's performance and the Group will continue to assess its internal and external risks and implement strategies to secure long term

stability in raw material supply, control operating costs and explore new markets for its products.
