**19. Changes in Material Litigation**

Supportive Technology Sdn Bhd (“STSB”), a wholly-owned subsidiary of the Company, has appealed to the Special Commissioners of Income Tax against the decision of the Director General of Inland Revenue (“DGIR”) to reject STSB’s application for relief in respect of error or mistake made in STSB’s tax returns for the year of assessment 2003, 2004 and 2005 amounting to RM2,226,827.84, RM7,088,694.44 and RM9,627,068.88 respectively.

On 10 September 2012, STSB’s solicitors received a Deciding Order from the Special Commissioners of Income Tax rejecting STSB’s appeal to claim the tax incentive available under the Income Tax (Exemption) (No. 17) Order 2005 (PU(A) 158/2005).

STSB had on 25 September 2012 filed a Notice of Appeal (“Notice”) requiring the Special Commissioners of Income Tax to state a case for the opinion of the High Court, pursuant to paragraph 34 of Schedule 5 of the Income Tax Act 1967 (“ITA”).

At the case management at the High Court on 22 March 2013, the Deputy Registrar was informed that STSB will be making an application to the Special Commissioners of Income Tax (“SCIT”) to amend the case stated, pursuant to paragraph 40 Schedule 5 of the ITA.

At the case management at the High Court on 18 April 2013, the Senior Assistant Registrar (“SAR”) was informed that the SCIT had replied to and denied STSB’s request to amend the case stated, on the basis that STSB’s comments to the case stated was not filed within the stipulated time frame. This position was corrected by STSB as the draft case stated was received on 16 November 2012 and STSB had then replied with its comments on 23 November 2012, which was clearly within the 14 day time frame. Similarly, the DGIR had also informed the SAR that they are facing the same problem as their comments were not included in the case stated. The SAR was further informed that the DGIR may want to make a joint application with STSB to have the case stated amended.

### **19. Changes in Material Litigation (cont'd)**

At the case management at the High Court on 20 May 2013, the SAR was informed that parties have yet to be able to agree and finalise the joint application to amend the case stated.

At the case management at the High Court on 1 July 2013, the DGIR informed the SAR that they needed more time to review a letter from STSB's solicitors which states the proposed amendments to be made to the case stated.

At the case management at the High Court on 1 August 2013, the DGIR informed the SAR that they will not proceed with the filing of the joint application with STSB to amend the case stated. The SAR was further informed that STSB will file its application the following week. The SAR then directed that the DGIR is required to reply to STSB's application within 1 month from the date of service of the sealed application and STSB is to reply to DGIR's reply within 3 weeks from the date of service of DGIR's reply. The SAR further fixed the next case management for 1 October 2013 and directed the parties to file the said application and the relevant replies before this date.

STSB had filed an application to amend the case stated to the High Court on 20 August 2013 and subsequently served it on the DGIR on 21 August 2013. As of 2 September 2013, STSB is still awaiting for DGIR's reply to the said application.

On 2 September 2013, the SAR informed STSB's solicitors that the next case management date which was initially fixed for 1 October 2013 had been vacated and it has been brought to 18 September 2013. The SAR further directed both STSB and DGIR to attend the case management on the new date.

At the case management on 18 September 2013, the SAR was informed that the DGIR had sent a letter requesting for an extension of time to file its reply vide facsimile on 11 September 2013. STSB recorded that it had no objection on the DGIR's request for extension of time. The SAR subsequently gave directions on the filing of written submissions into court to be done by the respective parties and fixed the final case management on 9 December 2013. The hearing for this matter which was fixed on 9 January 2014 was subsequently adjourned to 26 February 2014.

After hearing the oral submission from both parties on 26 February 2014, the Judge fixed the date for decision of the above matter on 25 March 2014. Upon considering the submission of both parties, the learned Judge did not allow the remission application on the premise that the SCIT were justified to not include the additional comments made by STSB and ordered cost in the cause. Accordingly, the learned Judge fixed the above matter for case management on 27 March 2014 before the Deputy Registrar for further instructions for the filing of written submissions for the appeal proper.

At the case management on 27 March 2014, the SAR was informed that STSB will appeal against the decision of the High Court on the remission application and STSB is intending to file an application for stay of proceedings pending the appeal for the remission application. The SAR subsequently fixed 18 April 2014 for STSB to update the High Court regarding the application for stay of proceedings.

**21. (Loss)/Earnings per Share**

The basic (loss)/earnings per share is calculated by dividing the profit after tax by the weighted average number of ordinary shares in issue during the interim period as follows:-

	<b>Current Quarter Ended 31 Jan 2014</b>	<b>Corresponding Preceding Quarter Ended 31 Jan 2013</b>	<b>Cumulative Period ended 31 Jan 2014</b>	<b>Corresponding Preceding Year Ended 31 Jan 2013</b>
Net (loss)/profit for the period (RM'000)	(321)	(499)	273	821
Weighted average number of ordinary shares ('000)	209,704	209,704	209,704	209,704
Basic (loss)/earnings per share (sen)	<u>(0.15)</u>	<u>(0.24)</u>	<u>0.13</u>	<u>0.39</u>

The diluted (loss)/earnings per share equal the basic earnings per share due to the anti-dilutive effect of the share warrants which has been ignored in calculating the diluted (loss)/earnings per share.
