NOTES TO THE INTERIM FINANCIAL REPORT

1. Basis of Preparation

The interim financial report has been prepared in accordance with requirements of FRS 134: "Interim Financial Reporting" and paragraph 9.22 of the Listing Requirements of Bursa Malaysia Securities Berhad, and should be read in conjunction with the audited financial statements of the Group for the year ended 31 March 2016.

The same accounting policies and methods of computation are followed in the interim financial report as compared with the annual financial statements for the year ended 31 March 2016 except for the adoption of the following Financial Reporting Standards ("FRSs"):

Standard/Interpretation	Effective for financial periods beginning on or after
FRS 14 <i>Regulatory Deferral Accounts</i>	1 January 2016
Amendments to FRS 10, FRS 12 and FRS 128 <i>Investment Entities: Applying the Consolidation Exception</i>	1 January 2016
Amendments to FRS 11 <i>Accounting for Acquisitions of Interests in Joint Operations</i>	1 January 2016
Amendments to FRS 101 <i>Disclosure Initiative</i>	1 January 2016
Amendments to FRS 116 and FRS 138 <i>Clarification of Acceptable Methods of Depreciation and Amortisation</i>	1 January 2016
Amendments to FRS 127 <i>Equity Method in Separate Financial Statements</i>	1 January 2016
Annual Improvements to FRS Standards 2012 - 2014 Cycle	1 January 2016

The adoption of the above FRSs did not have any significant impacts on the financial statements of the Group.

In November 2011, the MASB issued a new MASB approved accounting framework, the Malaysian Financial Reporting Standards ("MFRS") Framework. The issuance was made in conjunction with the MASB's plan to converge with International Financial Reporting Standards ("IFRS") in 2012. The MFRS Framework is a fully IFRS-compliant framework and equivalent to IFRSs.

The MFRS Framework is to be applied by all entities other than private entities for annual periods beginning on or after 1 January 2012, with the exception of entities that are within the scope of MFRS 141 *Agriculture* and/or IC Interpretation 15 *Agreements for the Construction of Real Estate*, including their parents, significant investors and joint venturers ("Transitioning Entities"). As announced by the MASB on 28 October 2015, Transitioning Entities are allowed to defer the adoption of the MFRS Framework to annual periods beginning on or after 1 January 2018.

Being a Transitioning Entity as defined above, the Group and the Company have elected to continue preparing their financial statements in accordance with the FRS Framework and will first present the financial statements in accordance with the MFRS Framework for the financial year ending 31 March 2019. Management is currently examining the financial impacts of transition to the MFRS Framework.

19. Changes in Material Litigation

Supportive Technology Sdn Bhd ("STSB"), a wholly-owned subsidiary of the Company, has appealed to the Special Commissioners of Income Tax ("SCIT") against the decision of the Director General of Inland Revenue ("DGIR") to reject STSB's application for relief in respect of error or mistake made in STSB's tax returns for the year of assessment 2003, 2004 and 2005 amounting to RM2,226,827.84, RM7,088,694.44 and RM9,627,068.88 respectively.

On 10 September 2012, STSB's solicitors received a Deciding Order from the SCIT rejecting STSB's appeal to claim the tax incentive available under the Income Tax (Exemption) (No. 17) Order 2005 (PU(A) 158/2005).

STSB had on 25 September 2012 filed a Notice of Appeal ("Notice") requiring the SCIT to state a case for the opinion of the High Court, pursuant to paragraph 34 of Schedule 5 of the Income Tax Act 1967 ("ITA").

At the case management at the High Court on 22 March 2013, the Deputy Registrar was informed that STSB will be making an application to the SCIT to amend the case stated, pursuant to paragraph 40 Schedule 5 of the ITA.

At the case management at the High Court on 18 April 2013, the Senior Assistant Registrar ("SAR") was informed that the SCIT had replied to and denied STSB's request to amend the case stated, on the basis that STSB's comments to the case stated was not filed within the stipulated time frame. This position was corrected by STSB as the draft case stated was received on 16 November 2012 and STSB had then replied with its comments on 23 November 2012, which was clearly within the 14 day time frame. Similarly, the DGIR had also informed the SAR that they are facing the same problem as their comments were not included in the case stated. The SAR was further informed that the DGIR may want to make a joint application with STSB to have the case stated amended.

At the case management at the High Court on 20 May 2013, the SAR was informed that parties have yet to be able to agree and finalise the joint application to amend the case stated.

At the case management at the High Court on 1 July 2013, the DGIR informed the SAR that they needed more time to review a letter from STSB's solicitors which states the proposed amendments to be made to the case stated.

At the case management at the High Court on 1 August 2013, the DGIR informed the SAR that they will not proceed with the filing of the joint application with STSB to amend the case stated. The SAR was further informed that STSB will file its application the following week. The SAR then directed that the DGIR is required to reply to STSB's application within 1 month from the date of service of the sealed application and STSB is to reply to DGIR's reply within 3 weeks from the date of service of DGIR's reply. The SAR further fixed the next case management for 1 October 2013 and directed the parties to file the said application and the relevant replies before this date.

NOTES TO THE INTERIM FINANCIAL REPORT

19. Changes in Material Litigation (cont'd)

STSB had filed an application to amend the case stated to the High Court on 20 August 2013 and subsequently served it on the DGIR on 21 August 2013. As of 2 September 2013, STSB is still awaiting for DGIR's reply to the said application.

On 2 September 2013, the SAR informed STSB's solicitors that the next case management date which was initially fixed for 1 October 2013 had been vacated and it has been brought to 18 September 2013. The SAR further directed both STSB and DGIR to attend the case management on the new date.

At the case management on 18 September 2013, the SAR was informed that the DGIR had sent a letter requesting for an extension of time to file its reply vide facsimile on 11 September 2013. STSB recorded that it had no objection on the DGIR's request for extension of time. The SAR subsequently gave directions on the filing of written submissions into court to be done by the respective parties and fixed the final case management on 9 December 2013. The hearing for this matter which was fixed on 9 January 2014 was subsequently adjourned to 26 February 2014.

After hearing the oral submission from both parties on 26 February 2014, the Judge fixed the date for decision of the above matter on 25 March 2014. Upon considering the submission of both parties, the learned Judge did not allow the remission application on the premise that the SCIT were justified to not include the additional comments made by STSB and ordered cost in the cause. Accordingly, the learned Judge fixed the above matter for case management on 27 March 2014 before the Deputy Registrar for further instructions for the filing of written submissions for the appeal proper.

At the case management on 27 March 2014, the SAR was informed that STSB will appeal against the decision of the High Court on the remission application and STSB is intending to file an application for stay of proceedings pending the appeal for the remission application. The SAR subsequently fixed 18 April 2014 for STSB to update the High Court regarding the application for stay of proceedings.

At the case management on 18 April 2014, the SAR of the High Court was informed that STSB will file the application to stay any proceedings pending its appeal of Enclosure 2 (i.e. the application to remit the Case Stated) to the Court of Appeal. Subsequently, the SAR directed as follows:

- (a) STSB to file the stay application on/before 25 April 2014 and to serve the same on the DGIR on/before 28 April 2014;
- (b) DGIR to file its reply on/before 23 May 2014;
- (c) STSB to file its reply to the DGIR's reply on/before 13 June 2014; and
- (d) Both parties to attend the case management at the High Court on 16 June 2014 to fix the hearing date.

NOTES TO THE INTERIM FINANCIAL REPORT

19. Changes in Material Litigation (cont'd)

Meanwhile, at the case management on 22 May 2014 before the Deputy Registrar ("DR") at the Court of Appeal Putrajaya ("COA"), the DR was informed that STSB had filed the record of appeal to the COA and served the same to the DGIR. STSB also informed the DR that the Appellant has yet to receive the grounds of judgment from the High Court. The DR informed both parties that as the appeal is in respect of an interlocutory application, the grounds of judgment might not be needed. The DR then informed both parties that she will fix the hearing date for the time being while waiting for the grounds of judgment from the High Court and might vacate the hearing date upon request from the parties in the event that the grounds of judgment are needed but not issued before the next case management. Subsequently, the DR directed as follows:

- (i) Both parties to attend the next case management at the COA on 1 July 2014 at 2:30pm;
- (ii) Both parties to file their respective written submission before 9 July 2014; and
- (iii) Both parties to attend the hearing at the COA on 23 July 2014.

At the case management at the High Court on 16 June 2014, the SAR was informed that STSB had filed its application to stay proceedings in the High Court. However, STSB has yet to receive any reply from the DGIR. In this regard, the SAR fixed 30 June 2014 for the DGIR to file its reply and 14 July 2014 for STSB to file its reply to the DGIR's reply. The SAR fixed 14 July 2014 as the date for the next case management.

At the case management on 1 July 2014 before the DR at the COA, the DR was informed that STSB had filed the additional record of appeal with the COA and served the same on the DGIR upon receiving the grounds of judgment and the notes of evidence from the High Court. Subsequently, the DR confirmed again that the hearing is fixed on 23 July 2014 and both parties are to file their respective written submission before 9 July 2014.

At the case management on 14 July 2014 before the DR of the High Court, the DR was informed that the hearing for STSB's appeal of its application to amend the case stated will be heard on 23 July 2014 before the COA. The DR then fixed the next case management on 6 August 2014.

During the hearing on 23 July 2014 before the COA, STSB informed the COA that the Deciding Order issued by the SCIT was not valid as 2 of the 3 SCIT who heard the case had retired at the time when the said Deciding Order was issued by the SCIT. STSB informed the COA that it will file an application in the High Court to set aside the Deciding Order and to remit the appeal to the SCIT to be heard *de novo*.

In this regard, the COA adjourned the case and instructed both parties to attend the case management in the same morning. During the case management before the DR of the COA, STSB informed that it will file its application in the High Court. The DR then fixed the next case management on 6 August 2014 at 3:30pm before the President of the Court of Appeal, Y.A.A. Tan Sri Dato' Seri Md Raus Bin Sharif.

At the case management on 6 August 2014 at 9:00am before the SAR of the High Court, STSB informed the SAR that it will file an application in the High Court to set aside the Deciding Order issued by the SCIT and to remit STSB's appeal to the SCIT to be heard *de novo* before a newly constituted panel of SCIT. The SAR then fixed the next case management on 20 August 2014 to update the High Court in respect of the said application.

19. Changes in Material Litigation (cont'd)

19. Changes in Material Litigation (cont'd)

At the case management on 12.5.2015 before the SAR at the High Court, STSB informed the court that Respondent had only served their written submission on STSB on 6.5.2015. The SAR clarified that the Appellant's submission was on the *de novo* application and enquired about the status of the stay application. In respect of the stay application, the Appellant informed the court that the Appellant may either submit orally in court or in reply to the Respondent's submission. The Appellant then asked for a date for the reply to be filed before the hearing. The Respondent stated that they will most likely be submitting their reply orally in court. The SAR directed the parties to file their written submission in reply (if any) with the judge's secretary by 12 pm, 15.5.2015 and confirmed that the hearing of the *de novo* application will take place on 18.5.2015.

Pursuant to the hearing at the High Court on 18.5.2015, the High Court ordered that Enclosure 23 (*de novo* application) be allowed without cost and ordered for the matter to be remitted to the SCIT for a fresh trial. Accordingly, the hearing of Enclosure 1 and Enclosure 14 (stay application) was struck out without cost.

The matter was remitted to the SCIT and the first mention was fixed on 17.12.2015, where the SCIT gave directions to counsel to file their petitions of appeal and other cause papers before a hearing date. The matter is fixed for a case management on 1.3.2016.

At the case management on 1.3.2016 before the SCIT, STSB informed the SCIT that it has filed the Petition of Appeal on 18.1.2016 as per the SCIT's direction. STSB further informed the SCIT that the DGIR has not filed its reply to STSB's Petition of Appeal. In this regard, the DGIR's counsel informed the SCIT that its lead counsel, Puan Wan Hamdanie bt Wan Mohamad had been on medical leave for the past three weeks and thus, the DGIR was unable to reply to our Petition of Appeal. Accordingly, the SCIT directed:

- (i) the DGIR to file its reply within 2 weeks i.e. 15.3.2016;
- (ii) STSB to file its further reply before the next case management date.

In this regard, the SCIT fixed this matter for case management on 6.4.2016.

At the case management on 6.4.2016 before the SCIT, STSB informed the SCIT that the DGIR was supposed to file its reply to STSB's Petition of Appeal by 15.3.2016 but the DGIR has not filed its reply to date. The DGIR informed the SCIT that as the present matter is an appeal pursuant to a remission for a fresh hearing, the DGIR requires time to request and retrieve all the documents which have been returned to the accessing branch in Sungai Petani and requested for an extension of time of a month.

STSB objected and proposed for an extension of 2 weeks on the basis that the matter has been pending for too long. However, the DGIR stated that due to the amount of the documents and the fact that the accessing branch is in Sungai Petani, the DGIR would need more time in this regard.

As such, the SCIT directed:

- (i) the DGIR to file its reply by/before 6.5.2016, provided that they were able to obtain the documents within a month's time;
- (ii) STSB to file its further reply 2 weeks from the date of the DGIR's reply; and
- (iii) parties are to attend case management on 6.5.2016.

Vide letter dated 7.4.2016 from the SCIT, the SCIT informed parties that the case management has been changed from 6.5.2016 to 5.5.2016.

The SCIT also fixed this matter for case management on 24.6.2016.

At the case management on 24.6.2016 before the SCIT, STSB informed the SCIT that the case management was fixed to file the statement of agreed facts, statement of issues to be tried and index for the agreed bundle of document. STSB further informed the SCIT that the drafts were sent to DGIR for their comments but the DGIR has yet to revert on the same. DGIR explained that as the present matter is an appeal pursuant to a remission for a fresh hearing, the counsels require an extension of time to recollect the facts and recall the documents for the matter to comment on the drafts.

As such, the SCIT directed the parties to attend case management on 29.9.2016 to file the statement of agreed facts, statement of issues to be tried and index for the agreed bundle of document.

At the case management on 29.9.2016, the Appellant counsel informed SCIT that the draft statement of agreed facts and draft statement of issues to be tried were sent to the Respondent on 16.6.2016 and the draft index for agreed documents were sent on 20.6.2016. However, the Respondent has yet to revert. The Appellant counsel informed that court that both parties agree to have the cause papers filed before the hearing and requested for the hearing dates to be set.
