NOTES TO THE INTERIM FINANCIAL REPORT

1. Basis of Preparation

The interim financial report has been prepared in accordance with requirements of FRS 134: "Interim Financial Reporting" and paragraph 9.22 of the Listing Requirements of Bursa Malaysia Securities Berhad, and should be read in conjunction with the audited financial statements of the Group for the financial year ended 31 March 2018.

The same accounting policies and methods of computation are followed in the interim financial report as compared with the audited financial statements for the financial year ended 31 March 2018 except for the adoption of the following Financial Reporting Standards ("FRSs"):

Standard/Interpretation	Effective for financial periods beginning on or after
FRS 9 Financial Instruments (IFRS 9 issued by IASB in July 2014)	1 January 2018

Amendments to FRS 10 and FRS 128 Sale or Contribution of Assets	Effective date yet
between an Investor and its Associate or Joint Venture	to be confirmed

The adoption of the above FRSs did not have any significant impacts on the financial statements of the Group.

On November 2011, the MASB issued a new MASB approved accounting framework, the Malaysian Financial Reporting Standards ("MFRS") Framework. The issuance was made in conjunction with the MASB's plan to converge with International Financial Reporting Standards ("IFRS") in 2012. The MFRS Framework is a fully IFRS-compliant framework and equivalent to IFRSs.

The MFRS Framework is to be applied by all entities other than private entities for annual periods beginning on or after 1 January 2012, with the exception of entities that are within the scope of MFRS 141 *Agriculture* and/or IC Interpretation 15 *Agreements for the Construction of Real Estate*, including their parents, significant investors and joint venturers ("Transitioning Entities"). As announced by the MASB on 28 October 2015, Transitioning Entities are allowed to defer the adoption of the MFRS Framework to annual periods beginning on or after 1 January 2018.

Being a Transitioning Entity as defined above, the Group has elected to continue preparing its financial statements in accordance with the FRS Framework. Accordingly, the Group will be required to apply *MFRS 1 First-time Adoption of Malaysia Financial Reporting Standards* in its financial statements for the financial year ending 31 March 2019, being the first set of financial statements prepared in accordance with the new MFRS Framework. Management is currently in the process of examining the financial impacts of transition to the MFRS Framework and thus the impact of adopting the new MFRS Framework on the Group's first set of financial statements prepared in accordance with the MFRS Framework cannot be determined and reliably estimated until the process is complete.
