PART A: EXPLANATORY INFORMATION IN COMPLIANCE WITH FINANCIAL REPORTING STANDARD ("FRS") 134

1. BASIS OF PREPARATION

The interim financial report is unaudited and has been prepared in accordance with FRS 134 "Interim Financial Reporting" and Paragraph 9.22 and Appendix 9B of the Listing Requirements of Bursa Malaysia Securities Berhad ("Bursa Securities").

The interim financial report should be read in conjunction with the annual audited financial statements of the Prinsiptek Corporation Berhad Group ("the Group") for the financial year ended 31 December 2016.

These explanatory information attached to the interim financial report provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Group since the financial year ended 31 December 2016.

2. CHANGES IN ACCOUNTING STANDARDS

The Group falls within the scope definition of Transitioning Entities. Transitioning Entities were initially allowed to defer adoption of the new Malaysian Financial Reporting Standards ("MFRS") Framework until 1 January 2013. Adoption of the MFRS Framework by Transitioning Entities were then mandatory for annual periods beginning on or after 1 January 2013, thereby requiring the Group to prepare financial statements using the MFRS Framework in its first MFRS financial statements for the year ended 31 December 2013.

On 28 October 2015, MASB further notified that Transitioning Entities would be required to comply with the new MFRS framework for annual periods beginning 1 January 2018. The Group, being Transitioning Entity, will continue to apply with FRS until the MFRS Framework is adopted, no later than annual periods beginning on or after 1 January 2018. For the financial year ending 31 December 2017, the Group therefore continues to prepare financial statements using Financial Reporting Standards ("FRS").

The significant accounting policies adopted were consistent with those of the audited financial statements for the financial year ended 31 December 2016. 16. REVIEW OF PERFORMANCE

For the current year quarter, the Group achieved a total revenue of RM40.05 million representing a decrease of RM8.64 million or 17.74% as compared to RM48.69 million in the preceding year corresponding quarter. This was due to lower progress billings that recognised from one of our construction projects which are towards completion. In addition, the newly secured construction projects are still at the initial start up stage. The Group recorded a profit after taxation of RM1.07 million representing a decrease of RM0.33 million or 23.57% as compared to RM1.40 million in the preceding year corresponding quarter. The decrease in profit after taxation was mainly due to no gain on the disposal of property, plant and equipment being recognized and higher finance costs incurred during the current financial quarter.

The Construction Division continued to be the main contributor to the Group revenue representing 54.02% of the total revenue, following by the Property Development Division of 28.37% and the Trading and Others Division contributed the balance of 17.61% of the Group revenue.

17. COMPARISON WITH PRECEDING QUARTER'S RESULTS

The Group registered a lower revenue of RM40.05 million for the current year quarter as compared to RM53.02 million in the preceding quarter. The decrease of revenue of RM12.97 million or 24.46% was due to the lower progress billings pursuant to one of our construction projects that are at the final stage.

As a result, the profit before taxation was decreased to RM1.44 million in the current financial quarter as compared to RM2.64 million in the preceding quarter.

18. PROSPECTS

With the existing balance order book in the Construction Division, the progressive recognition of sales from the Property Development Division and the potential new construction projects, the Board of Directors is cautious of the sustaining performance of the Group for the coming financial quarter.

The Group will continue to adopt a prudent approach in its investments and focus on its core activities to enhance and strengthen the synergy among its group of companies.
